SUPPLEMENTARY INFORMATION:

I. Background

FR Doc. 05-22160, entitled "Medicare Program; Revisions to Payment Policies Under the Physician Fee Schedule for Calendar Year 2006 and Certain Provisions Related to the Competitive Acquisition Program of Outpatient Drugs and Biologicals Under Part B" and appearing in the *Federal Register* on November 21, 2005 (70 FR 70116), addressed Medicare Part B payment policy, including the physician fee schedule, that is applicable for calendar year (CY) 2006; and finalized certain provisions of the interim final rule to implement the Competitive Acquisition Program (CAP) for Part B Drugs.

It also revised Medicare Part B payment and related policies regarding: Physician work, practice expense and malpractice relative value units (RVUs); Medicare telehealth services; multiple diagnostic imaging procedures; covered outpatient drugs and biologicals; supplemental payments to Federally Qualified Health Centers (FQHCs); renal dialysis services; coverage for glaucoma screening services; National Coverage Decision (NCD) timeframes; and physician referrals for nuclear medicine services and supplies to health care entities with which physicians have financial relationships.

In addition, the rule finalized the interim RVUs for CY 2005 and issued interim RVUs for new and revised procedure codes for CY 2006. This rule also updated the codes subject to the physician self-referral prohibition and discussed payment policies relating to teaching anesthesia services, therapy caps, private contracts and opt-out, and chiropractic and oncology demonstrations.

We have identified a number of technical errors in that final rule with comment period.

II. Summary of Errors

We are identifying and correcting errors made to certain parts of the preamble, regulations text and addenda of the November 21, 2005 final rule with comment (70 FR 70116). In addition, addendum B, C, D, E and F are revised under this correcting amendment, although these addenda will not appear in the Code of Federal Regulations.

A. Summary of Preamble Errors

In the preamble text, there were a number of errors and omissions beginning on pages 70150 through 70335.

1. On page 70150, in the first column, in the last paragraph under Section m. (Additional PE Issues Raised by Commenters), in the second sentence, the number of the CPT code referenced is incorrect.

2. On page 70155, in the center column, the last sentence of the second paragraph under the discussion titled, "3. Cardiac Catheritization and Angioplasty Exception," there was an error in one of the code ranges referenced.

3. On page 70263, in the third column; in last paragraph, the reference to Table 26 is incorrect.

4. On page 70263, Table 26 was numbered incorrectly.

expense items was inadvertently omitted.

6. On page 70282, in the second column; from the top of the column, lines 8 through 11, the sentence, "We are assigning a status indicator of N for these services because they are noncovered under Medicare." reflects an incorrect status indicator and will be revised.

7. On page 70282, in the third column; we inadvertently omitted a paragraph before section F. (Establishment of Interim PE RVUs for New and Revised Physician's Current Procedural Terminology (CPT) Codes and New Healthcare Common Procedure Coding System (HCPCS) Codes for 2006).

8. On page 70296, in the second column; in the last paragraph, in line 6, we incorrectly used the term "PFS", and that term will be replaced.

9. On page 70302, in Table 35, the figures for Annual Actual Expenditures and the Cumulative Actual Expenditures, for the period of 1/1/03–12/31/03, are incorrect and will be revised.

These corrections are reflected in Section III.A of this correcting amendment.

B. Summary of Regulations Text Errors

In the regulation text, there were technical errors and omissions in § 405.2469, § 414.190, § 414.904, § 414.906, and § 426.340.

1. On page 70329, in the third column, under § 405.2469, paragraph (a)(1) does not reflect the correct format for amendatory language. Paragraph (a)(1) will be restructured.

2. On page 70331, in the third column, the reference to § 414.190 is incorrect.

3. On page 70332, in the third column, the title (Basis for payment.) for § 414.904 is incorrect.

4. On page 70333, in the first column, under § 414.906, we inadvertently omitted a change to bring the regulations text into conformity with our policy on updating CAP drug prices, as described in the interim final rule with comment period published July 6, 2005.

5. On page 70335, in the first column, under § 426.340, the statutory references in paragraphs (e)(2)(ii) and (f)(2)(ii) are incorrect.

The corrections are reflected in section III.B. of this correcting amendment.

b. We assigned an incorrect global period for CPT code 92627.

c. We assigned incorrect status indicators to the following CPT or codes 0141T, 0142T, 0143T, 88385–26, 88385–TC, 88386, 88386–26, 88386–TC, 88386, 96523, 98960, 98961, 98962 and 99340.

d. The following HCPCS codes were inadvertently included: G9041, G9042, G9043 and G9044. These numbers should not have been included because they were not in effect.

e. HCPCS code G0332 was inadvertently omitted from the addendum.

f. The first footnote to addendum B should be corrected to read "CPT codes and descriptions only. Copyright 2005 American Medical Association. All Rights Reserved. Applicable FARS/DFARS apply."

These corrections are reflected in Sections III.C.1. and 2. of this correcting amendment.

2. In Addendum C, pages 70463 through 70466, we are making the following corrections:

a. We assigned incorrect RVUs to the following CPT or alphanumeric HCPCS number for service codes:

60000:

i. 61630 and 61635.

80000:

b. We assigned incorrect status indicators to the following CPT codes 88385–26, 88386–26, 98960, 98961, 98962 and 99340.

These corrections are reflected in Section III.C.3 of this correcting amendment.

These corrections are reflected in Section III.C.4 of this correcting amendment.

4. In Addendum E, pages 70468 through 70469, we are correcting the locality name "Kansas*" to read "Kansas".

These corrections are reflected in Section III.C.5 of this correcting amendment.

5. In Addendum F, pages 70469 through 70471, we are correcting this Addendum by replacing this Addendum in its entirety to address two errors.

First, we inadvertently left a discontinued HCPCS code, J1750, on Addendum F. This code was replaced by J1751 and J1752 which are found on Addendum G "Revised New Drugs for CAP Bidding for 2006". Second, we included a new HCPCS code, J7318, which we understood would replace HCPCS codes J7317 and J7320. HCPCS J7318 was not issued and HCPCS codes J7317 & J3120 were retained. We have reweighted and corrected Addendum F to reflect these changes.

These corrections are reflected in Section III.C.6 of this correcting amendment.

III. Correction of Errors

In FR Doc. 05–22160, entitled "Medicare Program; Revisions to Payment Policies Under the Physician Fee Schedule for Calendar Year 2006 and Certain Provisions Related to the Competitive Acquisition Program of Outpatient Drugs and Biologicals Under Part B," which appeared in the **Federal Register** on November 21, 2005 (70 FR 70116), make the following corrections:

Angioplasty Exception,” the number “93617” is corrected to read “93618”.

3. On page 70263, in the third column; in the last paragraph, the phrase “Table 26” is corrected to read “Table 26A”.

4. On page 70263, the table heading “Table 26.—Example of Payments” is corrected to read “Table 26A.—Example of Payments”.

5. On page 70274, in the first column; in the second paragraph, the paragraph is corrected by adding a new sentence at the end of the paragraph to read as follows: “Because payment for the supplies and equipment for both of these procedures is provided under a separate DMERC policy, we have deleted the following practice expense items from these codes: Supplies deleted include dressings, both Adaptic and microporous, the drainage canister, and the sharp debridement kit—which was identified as not being needed for the typical scenario; and, the vacuum pump was deleted from the equipment.”

6. On page 70282, in the second column; lines 8 through 11, the sentence, “We are assigning a status indicator of N for these services because they are noncovered under Medicare.” is corrected to read, “We are assigning a status indicator of B for these services because payment for these services is bundled into payment for other Medicare services.”

7. On page 70282, in the third column; we are adding a new paragraph before section F. (Establishment of Interim PE RVUs for New and Revised Physician’s Current Procedural Terminology (CPT) Codes and New Healthcare Common Procedure Coding System (HCPCS) Codes for 2006). The new paragraph reads as follows: “CPT code 99339 *Individual physician supervision of patient (patient not present) in home, domiciliary or rest home (e.g., assisted living facility) requiring complex and multidisciplinary care modalities involving regular physician development and/or revision of care plans, review of subsequent reports of patient status, review of related laboratory and other studies, communication (including telephone calls) for purposes of assessment care decisions with health care professional(s), family member(s), surrogate decision maker(s) (e.g., legal guardian) and/or key caregiver(s) involved in patient’s care, integration of new information into the medical treatment plan and/or adjustment of medical therapy, within a calendar month; 15–29 minutes.*

CPT code 99340 *Individual physician supervision of patient (patient not*

present) in home, domiciliary or rest home (e.g., assisted living facility) requiring complex and multidisciplinary care modalities involving regular physician development and/or revision of care plans, review of subsequent reports of patient status, review of related laboratory and other studies, communication (including telephone calls) for purposes of assessment care decisions with health care professional(s), family member(s), surrogate decision maker(s) (e.g., legal guardian) and/or key caregiver(s) involved inpatient’s care, integration of new information into the medical treatment plan and/or adjustment of medical therapy, within a calendar month; 30 minutes or more. We are assigning a status indicator of B for these codes because payment for these services is bundled into payment for other services.”

8. On page 70296, in the second column; in the last paragraph, in line 6, the term “PFS” is corrected to read “Code List”.

9. On page 70302, in Table 35; in the third column titled “Annual Actual Expenditures”, in line 10 (1/1/03–12/31/03) of that column, “76.8” is corrected to read “78.2”; and in the fifth column titled “Cumulative Actual Expenditures”, in line 10 (1/1/03–12/31/03) of that column, “460.6” is corrected to read “462.0”.

IV. Waiver of Proposed Rulemaking and Delay in Effective Date

We ordinarily publish a notice of proposed rulemaking in the **Federal Register** to provide a period for public comment before the provisions of a rule take effect in accordance with section 553(b) of the Administrative Procedure Act (APA) (5 U.S.C. 553(b)). However, we can waive the notice and comment procedures if the Secretary finds, for good cause, that the notice and comment process is impracticable, unnecessary or contrary to the public interest, and incorporates a statement of the finding and the reasons therefore in the rule. We can also waive the 30-day delay in effective date under the APA (5 U.S.C. 553(d)) when there is good cause to do so and we publish in the rule an explanation of our good cause.

This correcting amendment addresses technical errors and omissions made in FR Doc. 05-22160, entitled "Medicare Program; Revisions to Payment Policies Under the Physician Fee Schedule for Calendar Year 2006 and Certain Provisions Related to the Competitive Acquisition Program of Outpatient Drugs and Biologicals Under Part B," which appeared in the **Federal Register** on November 21, 2005 (70 FR 70116) and was made effective January 1, 2006. The provisions of this final rule with comment period have been previously subjected to notice and comment procedures. These corrections are consistent with the discussion and text and do not make substantive changes to the CY 2006 published rule. As such, this correcting amendment is intended to ensure the CY 2006 final rule with comment accurately reflects the policy adopted. Therefore, we find that undertaking further notice and comment procedures to incorporate these corrections into the final rule with comment is unnecessary and contrary to the public interest.

For the same reasons, we are also waiving the 30-day delay in effective date for this correcting amendment. We believe that it is in the public interest to ensure that the CY 2006 final rule with comment accurately states our policy on physician fee schedule and other Part B payment policies, and provisions related to the competitive

acquisition program of outpatient drugs and biologicals under Part B. Therefore, delaying the effective date of these corrections beyond the January 1, 2006 effective date of the final rule with comment period would be contrary to the public interest. In so doing, we find good cause to waive the 30-day delay in the effective date.
