Foreign Language Assistance Program—Local Educational Agencies

AGENCY: Office of English Language Acquisition, Language Enhancement, and Academic Achievement for Limited English Proficient Students, Department of Education.

ACTION: Notice of proposed priority.

SUMMARY: The Assistant Deputy Secretary and Director for English Language Acquisition, Language Enhancement, and Academic Achievement for Limited English Proficient Students, proposes a priority under the Foreign Language Assistance program. We may use this priority for competitions in fiscal year (FY) 2006 and later years. We take this action to focus Federal financial assistance on an identified national need for programs in critical foreign languages within kindergarten through grade twelve during the traditional school day. We intend this priority to increase the number of local educational agency programs implementing elementary and secondary school projects teaching languages of major economic and political importance.

DATES: We must receive your comments on or before March 30, 2006.

ADDRESSES: Address all comments about this proposed priority to Rebecca Richey, U.S. Department of Education, 400 Maryland Avenue, SW., room 10080, PCP, Washington, DC 20202-6510. If you prefer to send your comments through the Internet, use the following address: comments@ed.gov.

You must include the term "FLAP LEA Comments" in the subject line of your electronic message.

FOR FURTHER INFORMATION CONTACT:

Rebecca Richey. Telephone: (202) 245-7133 or via Internet: rebecca.richey@ed.gov.

If you use a telecommunications device for the deaf (TDD), you may call the Federal Relay Service (FRS) at 1-800-877-8339.

Individuals with disabilities may obtain this document in an alternative format (e.g., Braille, large print, audiotape, or computer diskette) on request to the contact person listed under **FOR FURTHER INFORMATION CONTACT**.

SUPPLEMENTARY INFORMATION:

Invitation To Comment

We invite you to submit comments regarding this proposed priority.

We invite you to assist us in complying with the specific requirements of Executive Order 12866 and its overall requirement of reducing regulatory burden that might result from this proposed priority. Please let us know of any further opportunities we should take to reduce potential costs or increase potential benefits while preserving the effective and efficient administration of the program.

During and after the comment period, you may inspect all public comments about this proposed priority in room 10080, 550 12th Street, SW., Washington, DC, between the hours of 8:30 a.m. and 4 p.m., Eastern time, Monday through Friday of each week except Federal holidays.

Assistance to Individuals With Disabilities in Reviewing the Rulemaking Record

On request, we will supply an appropriate aid, such as a reader or print magnifier, to an individual with a disability who needs assistance to review the comments or other documents in the public rulemaking record for this proposed priority. If you want to schedule an appointment for this type of aid, please contact the person listed under **FOR FURTHER INFORMATION CONTACT**.

Background

In order to address the disparity between the need for and the limited number of programs teaching critical languages, we are proposing a priority that would provide Federal financial assistance to local educational agencies implementing elementary and secondary school projects that provide instruction in languages of major economic and political importance, such as Arabic, Chinese, Korean, Japanese, Russian, and languages in the Indic, Iranian, and Turkic language families.

In addition, the proposed priority provides that the projects it supports must establish, improve, or expand foreign language learning that occurs primarily during the traditional school day. Because these languages are not only less commonly taught, but also
