

entries at the all-others rate in effect on the date of entry.

**Cash Deposit Requirements**

The following deposit requirements will be effective upon completion of the final results of this administrative review for all shipments of SSB from India entered, or withdrawn from warehouse, for consumption on or after the publication date of the final results of this administrative review, as provided by section 751(a)(1) of the Act: 1) The cash deposit rate for the reviewed company will be the rate established in the final results of this administrative review (except no cash deposit will be required if its weighted-average margin is *de minimis*, i.e., less than 0.5 percent); 2) for merchandise exported by manufacturers or exporters not covered in this review but covered in the original LTFV investigation or a previous review, the cash deposit rate will continue to be the most recent rate published in the final determination or final results for which the manufacturer or exporter received an individual rate; 3) if the exporter is not a firm covered in this review, the previous review, or the original investigation, but the manufacturer is, the cash deposit rate will be the rate established for the most recent period for the manufacturer of the merchandise; and 4) if neither the exporter nor the manufacturer is a firm covered in this or any previous reviews, the cash deposit rate will be 12.45 percent, the "all others" rate established in the LTFV investigation. *See LTFV Final Determination.*

**Notification to Importers**

This notice also serves as a preliminary reminder to importers of their responsibility under 19 CFR 351.402(f)(2) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in the Secretary's presumption that reimbursement of antidumping duties occurred and the subsequent assessment of double antidumping duties.

We are issuing and publishing these results of review in accordance with sections 751(a)(1) and 777(i)(1) of the Act.

Dated: February 28, 2006.

**Notice of Initiation of Administrative Review of the Antidumping Duty Order on Wooden Bedroom Furniture from the People's Republic of China**

**AGENCY:** AGENCY: Import Administration, International Trade Administration, Department of Commerce.

**SUMMARY:** The Department of Commerce ("Department") received timely requests to conduct an administrative review of

the antidumping duty order on wooden bedroom furniture from the People's Republic of China ("PRC"). The anniversary month of this order is January. In accordance with the Department's regulations, we are initiating this administrative review.

**EFFECTIVE DATE:** March 7, 2006.

**FOR FURTHER INFORMATION CONTACT:** Eugene Degnan or Robert Bolling, AD/CVD Operations, Office 8, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, N.W., Washington, D.C. 20230, telephone: (202) 482-0414 or (202) 482-3434, respectively.

**SUPPLEMENTARY INFORMATION:**

**Background**

The Department received timely requests, in accordance with 19 CFR 351.213(b) (2002), during the anniversary month of January, for an administrative review of the antidumping duty order on wooden bedroom furniture from the PRC covering 137 entities. Subsequently, 30 requesters withdrew their requests for review. The Department is now initiating an administrative review of the order covering the remaining 107 companies.

**Initiation of Review**

In accordance with section 19 CFR 351.221(c)(1)(i), we are initiating an administrative review of the antidumping duty order on wooden bedroom furniture from the PRC. We intend to issue the final results of this review not later than January 31, 2007.

### Sampling

Section 777A(c)(1) of the Tariff Act of 1930, as amended (“the Act”), directs the Department to calculate individual dumping margins for each known exporter and producer of the subject merchandise. Where it is not practicable to examine all known producers/exporters of subject merchandise, section 777A(c)(2) of the Act permits the Department to examine either (1) a sample of exporters, producers or types of products that is statistically valid based on the information available at the time of selection; or (2) exporters and producers accounting for the largest volume of the subject merchandise from the exporting country that can be reasonably examined.

Due to the large number of firms requested for an administrative review and the Department’s experience regarding the resulting administrative burden to review each company for which a request has been made, the Department is considering exercising its authority to limit the number of respondents selected for review by sampling. See Section 777A(c) of the Act.

Should the Department determine to sample, it will follow the procedures outlined below. The Department will 1) Issue a letter to the interested parties detailing the proposed sampling methodology and the deadline for submitting comments thereon, 2) after analyzing the parties’ comments, finalize its sampling methodology, 3)

notify the parties and invite them to send a representative to witness the sampling selection, 4) conduct the sampling exercise, 5) notify all interested parties of the selection outcome of the sampling exercise (selected respondents will be issued the full antidumping questionnaire), and 6) record the results in a memo to the file.

### Withdrawal of Request for Administrative Review

For this particular administrative review, due to the time constraints imposed by our statutory deadlines, and the need to preserve the statistical validity of the sampling methodology, it is unlikely that the Department will be able to grant any extensions to the 90-day time limit for withdrawals of request for review pursuant to 19 CFR 351.213(d)(1).

### Separate Rates

In proceedings involving Non-Market Economy (“NME”) countries, the Department begins with a rebuttable presumption that all companies within the country are subject to government control and, thus, should be assigned a single antidumping duty deposit rate. It is the Department’s policy to assign all exporters of merchandise subject to investigation in an NME country this single rate unless an exporter can demonstrate that it is sufficiently independent so as to be entitled to a separate rate.

To establish whether a firm is sufficiently independent from

government control of its export activities to be entitled to a separate rate, the Department analyzes each entity exporting the subject merchandise under a test arising from the *Final Determination of Sales at Less Than Fair Value: Sparklers from the People’s Republic of China*, 56 FR 20588 (May 6, 1991) (“*Sparklers*”), as amplified by *Final Determination of Sales at Less Than Fair Value: Silicon Carbide from the People’s Republic of China*, 59 FR 22585 (May 2, 1994) (“*Silicon Carbide*”). In accordance with the separate-rates criteria, the Department assigns separate rates to companies in NME cases only if respondents can demonstrate the absence of both *de jure* and *de facto* government control over export activities.

The Department recently modified the process by which exporters and producers may obtain separate-rate status in NME investigations. See Policy Bulletin 05.1: Separate-Rates Practice and Application of Combination Rates in Antidumping Investigations Involving Non-Market Economy Countries, (April 5, 2005), available on the Department’s website at <http://ia.ita.doc.gov/policy/bull05-1.pdf>. The process now requires the submission of a separate-rate status application.

Due to the large number of firms requesting an administrative review in this proceeding, the Department is requiring all firms listed above that wish to qualify for separate-rate status in this administrative review to complete, as

appropriate, either a separate-rate status application or certification, as described below. If the Department determines to select the mandatory respondents through sampling in this administrative review, the Department will require all potential respondents to demonstrate their eligibility for a separate rate. The Department then will make the separate-rate determinations and allow only those respondents with separate-rate status to be included in the sampling pool. For those respondents that are determined later in this segment to have provided inaccurate information regarding their separate-rate status, the Department may apply facts available with an adverse inference.

For this administrative review, in order to demonstrate separate-rate eligibility, the Department requires entities for whom a review was requested that were assigned a separate rate in the previous segment of this proceeding to certify that they continue to meet the criteria for obtaining a separate rate. The certification form will be available on the Department's website at <http://ia.ita.doc.gov/> on the date of publication of this **Federal Register**. In responding to the certification, please follow the "Instructions for Filing the Certification" in the Separate Rate Certification. Certifications are due to the Department no later than March 30, 2006. The deadline and requirement for submitting a Certification applies equally to NME-owned firms, wholly foreign-owned firms, and foreign sellers who purchase the subject merchandise and export it to the United States.

For entities that have not previously been assigned a separate rate, to demonstrate eligibility for such, the Department requires a separate-rate status application. The separate-rate status application will be available on the Department's website at <http://ia.ita.doc.gov/> on the date of publication of this **Federal Register**. In responding to the separate-rate status application, refer to the instructions contained in the application. Separate-rate status applications are due to the Department no later than April 18, 2006. The deadline and requirement for submitting a separate-rate status application applies equally to NME-owned firms, wholly foreign-owned firms, and foreign sellers that purchase the subject merchandise and export it to the United States. Further, if the Department decides to select mandatory respondents by sampling, due to the time constraints imposed by our statutory deadlines and the need to preserve the statistical validity of the sampling methodology, the Department may be unable to grant

any extensions for the submission of separate-rate certifications or applications.

#### Quantity and Value Questionnaire

In advance of issuance of the antidumping questionnaire, we will also be requiring all parties for whom a review is requested to respond to a Quantity and Value ("Q&V") questionnaire, which will request information on the respective quantity and U.S. dollar sales value of all exports to the United States of wooden bedroom furniture during the period of June 24, 2004, through December 31, 2005. Additionally, in the event sampling is employed, in order to determine a sampling method that is representative of the sales under review, the Department will require that each company complete the economic characteristics section of the Q&V questionnaire. The Q&V questionnaire will be available on the Department's website at <http://ia.ita.doc.gov/> on the date of publication of this **Federal Register**. The responses to the Q&V questionnaire are due to the Department no later than April 7, 2006. Due to the time constraints imposed by our statutory and regulatory deadlines, and the need to preserve the statistical validity of the sampling methodology, the Department may not be able to grant any extensions for the submission of the Q&V questionnaire. In responding to the Q&V questionnaire, refer to the instructions contained in the Q&V questionnaire.

#### Notice

This notice constitutes public notification to all firms requested for review and seeking separate-rate status in this administrative review of the antidumping duty order on wooden bedroom furniture from the PRC that they must submit a separate-rate status application or certification (as appropriate) as described above, and a complete response to the Q&V questionnaire within the time limits established in this notice of initiation of administrative review in order to receive consideration for separate-rate status. In other words, the Department will not give consideration to any separate-rates certification or separate rate-status application made by parties that fail to timely respond to the Q&V questionnaire or fail to timely submit the requisite separate-rate certification or application. All information submitted by respondents in this administrative review is subject to verification. To allow the possibility for sampling and to complete this segment within the statutory time frame, the

Department will be limited in its ability to extend deadlines on the above submissions. As noted above, the separate-rate certification, the separate-rate status application, and the Q&V questionnaire will be available on the Department's website at <http://ia.ita.doc.gov/> on the date of publication of this **Federal Register**. However, because this is the first administrative review in which the Department is applying these procedures, the Department will also issue, as a courtesy to the parties, a letter of notification of these requirements to the parties requested for review.

Interested parties must submit applications for disclosure under administrative protective orders in accordance with 19 CFR 351.305. Instructions for filing such applications may be found on the Department's website at <http://ia.ita.doc.gov/>.

This initiation and notice are in accordance with section 751(a) of the Act (19 USC 1675(a)), and 19 CFR 351.221(c)(1)(i).

Dated: February 28, 2006.
