SECURITIES AND EXCHANGE COMMISSION

[Release No. 34–53426; File No. SR–NYSE–2006–15]

Self-Regulatory Organizations; New York Stock Exchange, Inc.; Notice of Filing and Immediate Effectiveness of Proposed Rule Change Relating to Technical Amendments to the Restated Certificate of Incorporation of NYSE Regulation, Inc.

March 7, 2006.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 (“Act”)¹ and Rule 19b–4 thereunder,² notice is hereby given that on March 6, 2006, the New York Stock Exchange, Inc. (“Exchange” or “NYSE”) filed with the Securities and Exchange Commission (“Commission”) the proposed rule change as described in Items I and II below, which Items have been prepared by the Exchange. The Exchange filed the proposed rule change pursuant to Section 19(b)(3)(A) of the Act³ and Rule 19b–4(f)(6) thereunder,⁴ which renders the proposal effective upon filing with the Commission. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization’s Statement of the Terms of Substance of the Proposed Rule Change

The Exchange proposes to make certain technical changes to the restated certificate of incorporation of NYSE Regulation (“NYSE Regulation”) to comply as to form with the requirements of the Not-for-Profit Corporation Law of the State of New York (“N–PCL”) and to specifically recite the ways in which the restated certificate of incorporation modifies the certificate of incorporation as originally filed under the N–PCL.⁵

The text of the proposed rule change is available on the Exchange’s Web site (<http://www.nyse.com>), at the Exchange’s Office of the Secretary, and at the Commission’s Public Reference Room.

II. Self-Regulatory Organization’s Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the Exchange included statements concerning the purpose of, and basis for, the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in Sections A, B, and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization’s Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

The Exchange is submitting this rule filing in connection with its proposed merger with Archipelago Holdings, Inc. (“Archipelago”), as a result of which the businesses of the Exchange and Archipelago will be held under a single, publicly traded holding company named NYSE Group, Inc. (“NYSE Group”). Following the merger, the Exchange’s current businesses and assets will be held in three separate entities affiliated with NYSE Group—New York Stock Exchange LLC, NYSE Market, Inc. and NYSE Regulation. The Commission has approved the Exchange’s rule filing in connection with the merger (“Merger Filing”)⁶ and the merger is scheduled to close on March 7, 2006.⁷

NYSE Regulation is a corporation organized and existing under the N–PCL. The restated certificate of incorporation of NYSE Regulation was included in Exhibit 5 to the Merger

the modifications is with respect to the certificate of incorporation as originally filed under the N–PCL. Telephone conversation between John Carey, Assistant General Counsel, NYSE, and Kim M. Allen, Special Counsel, Division of Market Regulation, Commission, on March 6, 2006 (“Telephone Conversation”).

⁶ See Securities Exchange Act Release No. 53382 (February 27, 2006) 71 FR 11251 (March 6, 2006) (SR–NYSE–2005–77).

⁷ The Commission notes that the Exchange included in the proposed rule change two different dates for the schedule closing date of the merger, March 7, 2006 and March 8, 2006. The Commission staff clarified with the Exchange that the scheduled closing date of the merger is March 7, 2006. Telephone Conversation.

Filing as approved. However, subsequent to the Merger Filing’s approval, the Secretary of State of New York has informed the Exchange that it will not accept a filing of the restated certificate of incorporation unless certain technical changes are made to comply as to form with the requirements of the N–PCL and to specifically recite the ways in which the restated certificate of incorporation modifies the certificate of incorporation as originally filed under the N–PCL. The changes do not affect the substance of the restated certificate of incorporation as approved by the Commission in any way. The Exchange needs this proposed rule change to be effective prior to the consummation of the merger, as it must file the restated certificate of incorporation with the Secretary of State of the State of New York before the closing of the merger, as contemplated by the Merger Filing.

2. Statutory Basis

The Exchange believes that the proposed rule change is consistent with the requirement under Section 6(b)(5) of the Act⁸ that an Exchange have rules that are designed to promote just and equitable principles of trade, to remove impediments to and perfect the mechanism of a free and open market and a national market system and, in general, to protect investors and the public interest.

B. Self-Regulatory Organization’s Statement on Burden on Competition

The Exchange does not believe that the proposed rule change will impose any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act.

C. Self-Regulatory Organization’s Statement on Comments on the Proposed Rule Change Received From Members, Participants or Others

Written comments were neither solicited nor received.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

Because the foregoing proposed rule change does not: (1) Significantly affect the protection of investors or the public interest; (2) impose any significant burden on competition; and (3) become operative for 30 days from the date on which it was filed, or such shorter time as the Commission may designate if consistent with the protection of investors and the public interest, the proposed rule change has become

⁵ At the request of the Exchange, the Commission staff revised the text to clarify that the reference to

effective pursuant to Section 19(b)(3)(A) of the Act⁹ and Rule 19b-4(f)(6) thereunder.¹⁰

A proposed rule change filed under Rule 19b-4(f)(6)¹¹ normally may not become operative prior to 30 days after the date of filing. However, Rule 19b-4(f)(6)(iii)¹² permits the Commission to designate a shorter time if such action is consistent with the protection of investors and the public interest. The Exchange has requested that the Commission waive the 30-day operative delay, and designate the proposed rule change immediately operative.¹³ The Commission believes that waiving the 30-day operative delay is consistent with the protection of investors and the public interest.¹⁴ The Exchange has stated that the restated certificate of incorporation as modified by this proposed rule change must be filed with the Secretary of State of the State of New York before the closing of the merger that is scheduled for March 7, 2006. The Commission notes that the proposed modifications to the restated certificate of incorporation are technical changes that are non-substantive. Accordingly, the Commission designates that the proposed rule change become operative immediately.

At any time within 60 days of the filing of the proposed rule change, the Commission may summarily abrogate such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act.

IV. Solicitation of Comments

Interested persons are invited to submit written data, views, and arguments concerning the foregoing, including whether the proposed rule change is consistent with the Act. Comments may be submitted by any of the following methods:

March 6, 2006.

I. Introduction

On December 12, 2005, The Options Clearing Corporation ("OCC") filed with the Securities and Exchange Commission ("Commission") proposed rule change SR-OCC-2005-19 pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 ("Act").¹ Notice of the proposal was published in the **Federal Register** on January 18, 2006.² No comment letters were received. The purpose of the proposed rule change is to modify OCC Rule 801, which applies to the submission of exercise notices for American-style option contracts other than at expiration, to delete specific references to the times when such exercise notices may be submitted and to instead provide OCC with the authority to prescribe the time frames for their submission. Rule 801

Rule 801(a) permits a clearing member desiring to exercise an American-style equity or non-equity option on a business day other than the business day prior to its expiration to submit an exercise notice to OCC between 9 a.m. and 7 p.m. provided that an exercise notice for an American-style currency option must be submitted by 2:30 p.m.³ (All times are at Central Time.) Exercise instructions submitted with respect to equity and non-equity options become irrevocable at 7 p.m. and 2:30 p.m. in the case of currency options unless the exercise instruction has been modified or revoked by a clearing member because of a bona fide error by the clearing member or its
