I have determined that the damage in certain areas of the State of Idaho, resulting from severe storms and flooding from December 30, 2005, through and including January 4, 2006, is of sufficient severity and magnitude to warrant a major disaster declaration under the Robert T. AGENCY: Federal Emergency Management Agency, Department of Homeland Security.

ACTION: Notice.

SUMMARY: This notice amends the notice of a major disaster for the State of Mississippi (FEMA–1604–DR), dated August 29, 2005, and related determinations.

I have determined that the damage in certain areas of the State of Mississippi resulting from Hurricane Katrina, from August 29–October 14, 2005, is of sufficient severity and magnitude that special cost-sharing arrangements are warranted regarding Federal funds provided under the Robert T. Stafford Disaster Relief and Emergency Assistance Act, 42 U.S.C. 5121–5206.

Therefore, in order to support the completion of previously approved plans for the removal of debris covered by the Stafford Act, I amend my declarations of August 29, 2005, September 1, 2005, October 22, 2005, November 19, 2005, and December 21, 2005, to authorize Federal funds for debris removal and emergency protective measures (Categories A and B), including direct Federal assistance, under the Public Assistance program at 100 percent of total eligible costs through and including June 30,
