**SUPPLEMENTARY INFORMATION:**

**Background**

On December 8, 2005, the Department of Commerce (the Department) published the preliminary results of the 2003-2004 administrative review of the antidumping duty order covering Mittal Steel Galati S.A. (formerly S.C. Ispat Sidex S.A.). See *Certain Hot-Rolled Carbon Steel Flat Products from Romania: Preliminary Results Notice of Antidumping Duty Administration Review and Notice of Intent to Rescind in Part*, 70 FR 72984 (December 8, 2005).

**Extension of Time Limit for Final Results**

The Tariff Act of 1930, as amended (the Act), provides at section 751(a)(3)(A) that the Department will issue the final results of an administrative review of an antidumping duty order within 120 days after the date on which the preliminary results were published. The Act provides further that, if the Department determines that it is not practicable to complete the review within this time period, the Department may extend the 120-day period to 180 days.

On February 27, 2006, we requested that MS Galati provide written clarification of certain issues the parties raised in case and rebuttal briefs. MS Galati filed its response on March 8, 2006. In turn, United States Steel Corporation filed comments on March 17, 2006. As such, we require additional time to analyze and incorporate the information from these submissions into our calculations for the final results. Further, additional time is necessary to invite all interested parties to review and provide comments on our draft liquidation instructions to U.S. Customs and Border Protection.

Therefore, the Department has determined that it is not practicable to complete the final results by the current deadline of April 7, 2006. Accordingly, the Department is extending the time limit for the final results by 45 days to May 22, 2006, pursuant to section 751(a)(3)(A) of the Act and 19 CFR 351.213(h)(2).

We are issuing this notice in accordance with section 751(a)(3)(A) of the Act.

Dated: March 22, 2006.

**Notice of Extension of Time Limit for the Final Results of the Antidumping Administrative Review of Polyvinyl Alcohol from the People's Republic of China**

**EFFECTIVE DATE:** March 29, 2006.

**SUPPLEMENTARY INFORMATION:**

**Background**

On November 7, 2005, the Department of Commerce ("the Department") published the preliminary results of the administrative review of the antidumping duty order on polyvinyl alcohol ("PVA") from the People's Republic of China ("PRC"), covering the period August 11, 2003, through September 30, 2004. See *Polyvinyl Alcohol from the People's Republic of China: Preliminary Results of Antidumping Duty Administrative Review*, 70 FR 67434 (November 7, 2005) ("*Preliminary Results*"). In the *Preliminary Results*, we stated that we would make our final determination for the antidumping duty review no later than 120 days after the date of publication of the preliminary results (*i.e.*, March 7, 2006). On February 27, 2006, the Department published in the **Federal Register** a notice extending the time limit for the final results of the administrative review from March 7, 2006, to April 6, 2006. See *Notice of Extension of Time Limit for the Antidumping Duty Administrative Review of Polyvinyl Alcohol from the People's Republic of China*, 71 FR 9781 (February 27, 2006).

**Extension of Time Limit of Final Results**

Section 751(a)(3)(A) of the Tariff Act of 1930, as amended ("the Act"),

requires the Department to issue the final results in an administrative review within 120 days of the publication date of the preliminary results. However, if it is not practicable to complete the review within this time period, the Department may extend the time limit for the final results to 180 days. Completion of the final results within the 120-day period is not practicable because this review involves certain complex issues, including examination of the co-product allocation methodology, application of by-products, and the valuation of certain factors.

Therefore, in accordance with section 751(a)(3)(A) of the Act, the Department is extending the time period for issuing these final results of review by an additional 15 days until April 21, 2006.

Dated: March 22, 2006.
