
The research was supported by or reported in the following U.S. Public Health Service (PHS) grants from the National Heart, Lung, and Blood Institute. Applications for PHS grants from the National Heart, Lung, and Blood Institute (NHLBI) of the National Institutes of Health:
- R01 HL49202, “Myeloid Regulation by Growth-Suppressing Cytokines.”
- R01 HL54037, “Stem Cell Transduction of SLF/FLT–3–Ligand Genes by AAV.”
- R01 HL56416, “Mechanisms of Synergistic Regulation of Stem/ Progenitors.”
- T32 DK07519, “Regulation of Hematopoietic Cell Production.”

The following administrative actions have been implemented:
(1) Dr. Aronica has been debarred from any contracting or subcontracting with any agency of the United States Government and from eligibility or involvement in nonprocurement programs of the United States Government referred to as “covered transactions” as defined in the debarment regulations at 45 CFR part 76 for a period of five (5) years, beginning on February 10, 2006;
(2) Dr. Aronica is prohibited from serving in any advisory capacity to PHS including but not limited to service on any PHS advisory committee, board, and/or peer review committee, or as consultant for a period of five (5) years, beginning on February 10, 2006; and
(3) Within 60 days of February 10, 2006, the authors of the following papers will be requested to submit a letter to the editors of Journal of Biological Chemistry and Blood, requesting their retraction of:

FOR FURTHER INFORMATION CONTACT: Greg Case at (202) 357–3442 or greg.case@aoa.hhs.gov.
SUPPLEMENTARY INFORMATION: Under the PRA (44 U.S.C. 3501–3520), Federal agencies must obtain approval from the Office of Management and Budget (OMB) for each collection of information they conduct or sponsor. “Collection of information” is defined in 44 U.S.C. 3502(3) and 5 CFR 1320.3(c) and includes agency request or requirement that members of the public submit reports, keep records, or provide information to a third party. Section 3506(c)(2)(A) of the PRA (44 U.S.C. 3506(c)(2)(A)) requires Federal agencies to provide a 60-day notice in the Federal Register concerning each proposed collection of information, including each proposed extension of an existing collection of information, before submitting the collection to OMB for approval. To comply with this requirement, AoA is publishing notice of the proposed collection of information sought in this document. With respect to the following collection of information, AoA invites comments on: (1) Whether the proposed collection of information is necessary for the proper performance of AoA’s functions, including whether the information will have practical utility; (2) the accuracy of AoA’s estimate of the burden of the proposed collection of information, including the validity of the methodology and assumptions used; (3) ways to enhance the quality, utility, and clarity of the information to be collected; and (4) ways to minimize the burden of the collection of information on respondents, including through the use of automated collection techniques when appropriate, and other forms of information technology.
AoA plans to submit to the Office of Management and Budget for approval Guidelines for Preparing Performance Reports for Grants Supported by Title IV of the Older Americans Act. These guidelines provide instructions for semi-annual and final performance reporting pursuant to requirements in Title IV of the Older Americans Act. Through its Title IV Program, the Administration on Aging (AoA) supports projects for the purpose of developing and testing new knowledge and program innovations with the potential for contributing to the well-
being of older Americans. Deliverables required by the AoA of all Title IV grantees are the semi-annual and final reports, as provided for in Department of Health and Human Services regulations, 45 CFR Part 74, Section 74.51. The proposed guidelines may be found on the Administration on Aging Web site at http://www.aoa.gov/doingbus/grantrep/grantrep.asp.

AoA estimates the burden of this collection of information as follows:

Semi-annual submission with the place of the semi-annual report at the end of the final year of the grant. Respondents: States, public agencies, private nonprofit agencies, institutions of higher education, and organizations including tribal organizations. Estimated Number of Responses: 600. Total Estimated Burden Hours: 12,000.

Josefina G. Carbonell,
Assistant Secretary for Aging.
