ACTION: Notice of enforcement of regulation.

SUMMARY: The Coast Guard is implementing the special local regulations at 33 CFR 100.525 for the Virginia State Hydroplane Championships to be held April 22 and 23, 2006, on the waters of the Western Branch of the Elizabeth River at Portsmouth, Virginia. These special local regulations are necessary to control vessel traffic due to the confined nature of the waterway and expected vessel congestion during the event. The effect will be to restrict general navigation in the regulated area for the safety of event participants, spectators and vessels transiting the event area.

DATES: *Effective Dates:* 33 CFR 100.525 will be enforced from 8 a.m. to 6 p.m. on April 22 and 23, 2006.

FOR FURTHER INFORMATION CONTACT: Petty Officer William Banker, Marine Events Coordinator, Commander, Coast Guard Sector Hampton Roads, 4000 Coast Guard Boulevard, Portsmouth, VA 23703, and (757) 668–5584.

SUPPLEMENTARY INFORMATION: The Virginia Boat Racing Association will sponsor the Virginia State Hydroplane Championships on the waters of the Western Branch of the Elizabeth River at Portsmouth, Virginia. The event will consist of high performance hydroplane vessels racing around a one-mile course at high speeds. A fleet of spectator vessels is expected to gather near the event site to view the race. In order to ensure the safety of participants, spectators and transiting vessels, 33 CFR 100.525 will be enforced for the duration of the event. Under provisions of 33 CFR 100.525, from 8 a.m. to 6 p.m. on April 22 and 23, 2006 vessels may not enter the regulated area without permission from the Coast Guard Patrol Commander. Spectator vessels may anchor outside the regulated area but may not block a navigable channel. Because these restrictions will be in effect for a limited period, they should not result in a significant disruption of maritime traffic.

The regulation in 33 CFR 100.525, paragraph (c) “Effective Dates” has been modified with respect to weekend days. Specifically, that Sunday will be substituted for Friday on the fourth weekend in April.

In addition to this notice, the maritime community will be provided extensive advance notification via the Local Notice to Mariners, and marine information broadcasts so mariners can adjust their plans accordingly.

Drawbridge Operation Regulation; Skidaway Bridge (SR 204), Intracoastal Waterway, Mile 592.9, Savannah, Chatham County, GA

AGENCY: Coast Guard, DHS.

ACTION: Final rule.

SUMMARY: The Coast Guard is changing the operating regulations of the Skidaway Bridge (SR 204) across the Intracoastal Waterway, mile 592.9, in Savannah, Georgia. This rule allows the bridge to open as necessary on the hour from 7 a.m. to 9 a.m. (7, 8, and 9 a.m.) and on the half-hour between 4:30 p.m. to 6:30 p.m. (4:30, 5:30, and 6:30 p.m.), daily; Monday through Friday except Federal holidays. Due to the amount of vehicle traffic and the lack of openings during the requested time period, this action should improve the movement of vehicular traffic while not unreasonably interfering with the movement of vessel traffic. Public vessels of the United States, tugs with tows, and vessels in distress will be passed at any time. At all other times, the draw will open upon signal.

DATES: This rule is effective May 3, 2006.

ADDRESSES: Comments and material received from the public, as well as documents indicated in this preamble as being available in the docket, are part of docket [CGD07-04-124] and are available for inspection or copying at Commander (dpb), Seventh Coast Guard District, 909 SE 1st Avenue, Suite 432, Miami, Florida 33131, between 7:30 a.m. and 4 p.m., Monday through Friday, except Federal holidays. Bridge Branch (dpb), Seventh Coast Guard District, maintains the public docket for this rulemaking.

SUPPLEMENTARY INFORMATION:

Regulatory History

On December 3, 2004, we published a notice of proposed rulemaking (NPRM) entitled Drawbridge Operation Regulations; Skidaway Bridge (SR 204), Intracoastal Waterway, Mile 592.9, Savannah, Chatham County, GA. in the **Federal Register** (69 FR 70209). We received 8 letters commenting on the proposed rule. Due to public comment and the Chatham County Department of Public Works input, this rule was changed to reflect concern regarding opening of the bridge during the morning and evening rush hour periods as discussed below. No public meeting was requested, and none was held.

Background and Purpose

On January 7, 2004, the General Manager of the Landings Association, a residential development with over 8500 residents, contacted the Chatham County Department of Public Works regarding traffic problems caused by the current bridge schedule. Approximately 90% of the Skidaway Island population lives in the Landings Association, all of which must cross the Skidaway Narrows Bridge (SR 204) to leave the gated community. On April 22, 2004, the Department of Public Works, which operates and maintains the bridge, contacted the Coast Guard requesting assistance in changing the schedule to help ease vehicular traffic on overburdened roadways. The operation of the Skidaway Bridge (SR 204), mile 592.9, at Savannah, is governed by 33 CFR 117.5, which requires the bridge to open on signal. Bridge tender logs indicate that the proposed schedule would improve vehicular traffic flow while still meeting the reasonable needs of navigation. During a twelve-month time period, vessel requests for openings remained at or below an average of two per hour.

Discussion of Comments and Changes

The Coast Guard received a total of 8 written comments in response to the NPRM. Five comments were in favor of the proposed rule. One comment based on the NPRM, which gave the impression of no openings during the prescribed time period, recommended that the schedule be altered slightly, opening every half hour during the prescribed time period. This concern has been addressed in the final rule. The bridge will open as necessary on the hour in the prescribed morning period (7, 8 and 9 a.m.) and on the half-hour during the prescribed evening period (4:30, 5:30, and 6:30 p.m.).

Also in reference to the above comment, Chatham County's
