NATIONAL ARCHIVES AND RECORDS ADMINISTRATION

Agency Information Collection Activities: Proposed Collection; Comment Request

AGENCY: National Archives and Records Administration (NARA).

ACTION: Notice.

SUMMARY: NARA is giving public notice that the agency proposes to request extension of three currently approved information collections. The first information collection is used for requesting permission to use privately owned equipment to microfilm archival holdings in the National Archives of the United States and Presidential libraries. The second information collection is used by participants in training courses

and workshops that NARA conducts. NARA needs the information to assess customer satisfaction with course content and delivery and to ensure that the training meets the customer's needs. The third information collection is used for requesting permission to film, photograph, or videotape at a NARA facility for news purposes. The fourth information collection is a form, Independent Researcher Listing Application, NA 14115, used by independent researchers to provide their contact information. The public is invited to comment on the proposed information collection pursuant to the Paperwork Reduction Act of 1995.

DATES: Written comments must be received on or before June 5, 2006 to be assured of consideration.

ADDRESSES: Comments should be sent to: Paperwork Reduction Act Comments (NHP), Room 4400, National Archives and Records Administration, 8601 Adelphi Rd, College Park, MD 20740-6001; or faxed to 301-837-3213; or electronically mailed to tamee.fechhelm@nara.gov.

FOR FURTHER INFORMATION CONTACT: Requests for additional information or copies of the proposed information collections and supporting statements should be directed to Tamee Fechhelm at telephone number 301-837-1694 or fax number 301-837-3213.

SUPPLEMENTARY INFORMATION: Pursuant to the Paperwork Reduction Act of 1995 (Pub. L. 104-13), NARA invites the general public and other Federal agencies to comment on proposed information collections. The comments and suggestions should address one or more of the following points: (a) Whether the proposed information collections are necessary for the proper performance of the functions of NARA; (b) the accuracy of NARA's estimate of the burden of the proposed information collections; (c) ways to enhance the quality, utility, and clarity of the information to be collected; and (d) ways to minimize the burden of the collection of information on respondents, including the use of information technology; and (e) whether small businesses are affected by this collection. The comments that are submitted will be summarized and included in the NARA request for Office of Management and Budget (OMB) approval. All comments will become a matter of public record. In this notice, NARA is soliciting comments concerning the following information collections:

1. *Title:* Request to Microfilm Records. *OMB number:* 3095-0017. *Agency form number:* None.

Type of review: Regular.

Affected public: Companies and organizations that wish to microfilm archival holdings in the National Archives of the United States or a Presidential library for a micropublication.

Estimated number of respondents: 2.
Estimated time per response: 10 hours.

Frequency of response: On occasion (when respondent wishes to request permission to microfilm records).

Estimated total annual burden hours: 20.

Abstract: The information collection is prescribed by 36 CFR 1254.92. The collection is prepared by companies and organizations that wish to microfilm archival holdings with privately-owned equipment. NARA uses the information to determine whether the request meets the criteria in 36 CFR 1254.94, to evaluate the records for filming, and to schedule use of the limited space available for filming.

2. *Title:* National Archives and Records Administration Class Evaluation.

OMB number: 3095-0023.

Agency form number: NA 2019.

Type of review: Regular.

Affected public: Individuals or households, Business or other for-profit, Nonprofit organizations and institutions, Federal, state, local, or tribal government agencies.

Estimated number of respondents: 6,830.

Estimated time per response: 5 minutes.

Frequency of response: On occasion (when respondent takes NARA sponsored training classes).

Estimated total annual burden hours: 543 hours.

Abstract: The information collection allows uniform measurement of customer satisfaction with NARA training courses and workshops. NARA distributes the approved form to the course coordinators on diskette for customization of selected elements, shown as shaded areas on the form submitted for clearance.

3. *Title:* Request to film, photograph, or videotape at a NARA facility for news purposes.

OMB number: 3095-0040.

Agency form number: None.

Type of review: Regular.

Affected public: Business or other for-profit, not-for-profit institutions.

Estimated number of respondents: 660.

Estimated time per response: 10 minutes.

Frequency of response: On occasion.

Estimated total annual burden hours: 110.

Abstract: The information collection is prescribed by 36 CFR 1280.48. The collection is prepared by organizations that wish to film, photograph, or videotape on NARA property for news purposes. NARA needs the information to determine if the request complies with NARA's regulation, to ensure protections of archival holdings, and to schedule the filming appointment.

4. *Title:* Independent Researcher Listing Application.

OMB number: 3095-0054.

Agency form number: NA 14115.

Type of review: Regular.

Affected public: Individuals or households.

Estimated number of respondents: 269.

Estimated time per response: 10 minutes.

Frequency of response: On occasion.

Estimated total annual burden hours: 40.

Abstract: To assist researchers who can not travel to the metropolitan area to conduct their own research, NARA's Customer Services Division of the National Archives maintains a listing of independent researchers who perform freelance research for hire in the Washington, DC area. All interested independent researchers provide their contact information via this form. Collecting contact and other key information from each independent researcher and providing such information to the public when deemed appropriate will only increase business. This form is not a burden in any way to any independent researcher who voluntarily submits a completed form. Inclusion on the list will not be viewed or advertised as an endorsement by the National Archives and Records Administration (NARA). The listing is compiled and disseminated as a service to the public.

Dated: March 30, 2006.

Martha Morphy,

Acting Assistant Archivist for Information Services.

BILLING CODE 7515-01-P

NUCLEAR REGULATORY COMMISSION

Agency Information Collection Activities: Proposed Collection; Comment Request

AGENCY: U.S. Nuclear Regulatory Commission (NRC).

ACTION: Notice of pending NRC action to submit an information collection

request to OMB and solicitation of public comment.

SUMMARY: The NRC is preparing a submittal to OMB for review of continued approval of information collections under the provisions of the Paperwork Reduction Act of 1995 (44 U.S.C. Chapter 35).

Information pertaining to the requirement to be submitted:

1. *The title of the information collection:* "Reports Concerning Possible Non-Routine Emergency Generic Problems."

2. *Current OMB approval number:* 3150-0012.

3. *How often the collection is required:* On occasion.

4. *Who is required or asked to report:* Nuclear power reactor licensees, research and test reactors, and materials applicants and licensees.

5. *The number of annual respondents:* 204 (104 nuclear power reactor licensees; 100 materials applicants and licensees).

6. *The number of hours needed annually to complete the requirement or request:* 369,440 (349,440 for nuclear power reactor licensees [8 responses × 420 hrs/response × 104 licensees] and 20,000 for materials applicants and licensees [2 responses × 100 hrs/response × 100 licensees]).

Abstract. NRC is requesting approval authority to collect information concerning possible non-routine generic problems which would require prompt action from NRC to preclude potential threats to public health and safety.

Submit, by June 5, 2006, comments that address the following questions:

1. Is the proposed collection of information necessary for the NRC to properly perform its functions? Does the information have practical utility?

2. Is the burden estimate accurate?

3. Is there a way to enhance the quality, utility, and clarity of the information to be collected?

4. How can the burden of the information collection be minimized, including the use of automated collection techniques or other forms of information technology?

A copy of the draft supporting statement may be viewed free of charge at the NRC Public Document Room, One White Flint North, 11555 Rockville Pike, Room O-1 F21, Rockville, MD 20852. OMB clearance requests are available at the NR worldwide Web site: <http://www.nrc.gov/public-involve/doc-comment/omb/index.html>. The document will be available on the NRC home page site for 60 days after the signature date of this notice.
