[TA-W-58,472]

Visteon Systems, LLC, Bedford, Indiana; Amended Certification Regarding Eligibility To Apply for Worker Adjustment Assistance and Alternative Trade Adjustment Assistance

In accordance with section 223 of the Trade Act of 1974 (19 U.S.C. 2273), and section 246 of the Trade Act of 1974, as amended (19 U.S.C. 2813), the Department of Labor issued a Certification of Eligibility to Apply for Worker Adjustment Assistance and Alternative Trade Adjustment Assistance on January 20, 2006, applicable to workers of Visteon Systems LLC, Bedford, Indiana. The notice was published in the **Federal Register** on February 3, 2006 (71 FR 5895).

At the request of the State agency, the Department reviewed the certification for workers of the subject firm. The workers produce automotive components (fuel delivery modules, washer reservoirs, and canister vent valves).

The Department inadvertently limited the certification to workers engaged in employment related to the production that was shifted from the Bedford, Indiana plant to Mexico, fuel delivery modules. Since the workers are not separately identifiable by product, the Department intended to include all workers of the firm. Accordingly, the Department is amending the certification to correct.

The amended notice applicable to TA-W-58,472 is hereby issued as follows:

“All workers of Visteon Systems, LLC, Bedford, Indiana, totally or partially separated from employment on or after November 30, 2004, through January 20, 2008, are eligible to apply for adjustment assistance under Section 223 of the Trade Act of 1974, and are also eligible to apply for alternative trade adjustment assistance under section 246 of the Trade Act of 1974.”

Signed at Washington, DC, this 22nd day of March 2006.

NATIONAL ARCHIVES AND RECORDS ADMINISTRATION**Records Schedules; Availability and Request for Comments**

AGENCY: National Archives and Records Administration (NARA).

ACTION: Notice of availability of proposed records schedules; request for comments.

SUMMARY: The National Archives and Records Administration (NARA) publishes notice at least once monthly of certain Federal agency requests for records disposition authority (records schedules). Once approved by NARA,

records schedules provide mandatory instructions on what happens to records when no longer needed for current Government business. They authorize the preservation of records of continuing value in the National Archives of the United States and the destruction, after a specified period, of records lacking administrative, legal, research, or other value. Notice is published for records schedules in which agencies propose to destroy records not previously authorized for disposal or reduce the retention period of records already authorized for disposal. NARA invites public comments on such records schedules, as required by 44 U.S.C. 3303a(a).

DATES: Requests for copies must be received in writing on or before May 26, 2006. Once the appraisal of the records is completed, NARA will send a copy of the schedule. NARA staff usually prepare appraisal memorandums that contain additional information concerning the records covered by a proposed schedule. These, too, may be requested and will be provided once the appraisal is completed. Requesters will be given 30 days to submit comments.

ADDRESSES: You may request a copy of any records schedule identified in this notice by contacting the Life Cycle Management Division (NWML) using one of the following means (Note the new address for requesting schedules using e-mail):

Mail: NARA (NWML), 8601 Adelphi Road, College Park, MD 20740-6001
E-mail: requestschedule@nara.gov
FAX: 301-837-3698

Requesters must cite the control number, which appears in parentheses after the name of the agency which submitted the schedule, and must provide a mailing address. Those who desire appraisal reports should so indicate in their request.

FOR FURTHER INFORMATION CONTACT: Laurence Brewer, Director, Life Cycle Management Division (NWML), National Archives and Records Administration, 8601 Adelphi Road, College Park, MD 20740-6001. Telephone: 301-837-1539. E-mail: records.mgt@nara.gov.

SUPPLEMENTARY INFORMATION: Each year Federal agencies create billions of records on paper, film, magnetic tape, and other media. To control this accumulation, agency records managers prepare schedules proposing retention periods for records and submit these schedules for NARA's approval, using the Standard Form (SF) 115, Request for Records Disposition Authority. These schedules provide for the timely transfer
