Gulf South Pipeline Company, LP; Notice of Negotiated Rate Filing

April 6, 2006.

Take notice that on March 31, 2006, Gulf South Pipeline Company, LP (Gulf South) filed with the Commission a negotiated rate contract between Gulf South and Atmos Energy Resources Corp., (Atmos), Contract No. 29865, effective April 1, 2006.

Gulf South states that copies of the filing have been served upon all parties on the official service list created by the Secretary in this proceeding.

Any person desiring to intervene or to protest this filing must file in accordance with Rules 211 and 214 of the Commission's Rules of Practice and Procedure (18 CFR 385.211 and 385.214). Protests will be considered by the Commission in determining the appropriate action to be taken, but will not serve to make protestants parties to the proceeding. Any person wishing to become a party must file a notice of intervention or motion to intervene, as appropriate. Such notices, motions, or protests must be filed in accordance with the provisions of Section 154.210 of the Commission's regulations (18 CFR 154.210). Anyone filing an intervention or protest must serve a copy of that document on the Applicant. Anyone filing an intervention or protest on or before the intervention or protest date need not serve motions to intervene or protests on persons other than the Applicant.

The Commission encourages electronic submission of protests and interventions in lieu of paper using the "eFiling" link at <http://www.ferc.gov>. Persons unable to file electronically should submit an original and 14 copies of the protest or intervention to the Federal Energy Regulatory Commission,

888 First Street, NE., Washington, DC. 20426.

This filing is accessible on-line at <http://www.ferc.gov>, using the "eLibrary" link and is available for review in the Commission's Public Reference Room in Washington, DC. Federal Energy Regulatory Commission

[Docket Nos. ER06-464-000 and ER06-464-001]

The Highlands Energy Group, LLC; Notice of Issuance of Order

April 6, 2006.

The Highlands Energy Group LLC (Highlands Energy) filed an application for market-based rate authority, with an accompanying tariff. The proposed market-based rate tariff provides for the sale of energy and capacity at market-based rates. Highlands Energy also requested waiver of various Commission regulations. In particular, Highlands Energy requested that the Commission grant blanket approval under 18 CFR part 34 of all future issuances of securities and assumptions of liability by Highlands Energy.

On April 5, 2006, pursuant to delegated authority, the Director, Division of Tariffs and Market Development—West, granted the request for blanket approval under part 34. The Director's order also stated that the Commission would publish a separate notice in the **Federal Register** establishing a period of time for the filing of protests. Accordingly, any person desiring to be heard or to protest the blanket approval of issuances of securities or assumptions of liability by

Highlands Energy should file a motion to intervene or protest with the Federal Energy Regulatory Commission, 888 First Street, NE., Washington, DC 20426, in accordance with Rules 211 and 214 of the Commission's Rules of Practice and Procedure. 18 CFR 385.211, 385.214 (2004).

Notice is hereby given that the deadline for filing motions to intervene or protest is May 5, 2006.

Absent a request to be heard in opposition by the deadline above, Highlands Energy is authorized to issue securities and assume obligations or liabilities as a guarantor, indorser, surety, or otherwise in respect of any security of another person; provided that such issuance or assumption is for some lawful object within the corporate purposes of Highlands Energy, compatible with the public interest, and is reasonably necessary or appropriate for such purposes.

The Commission reserves the right to require a further showing that neither public nor private interests will be adversely affected by continued approval of Highlands Energy's issuances of securities or assumptions of liability.

Copies of the full text of the Director's Order are available from the Commission's Public Reference Room, 888 First Street, NE., Washington, DC 20426. The Order may also be viewed on the Commission's Web site at <http://www.ferc.gov>, using the eLibrary link. Enter the docket number excluding the last three digits in the docket number filed to access the document. Comments, protests, and interventions may be filed electronically via the Internet in lieu of paper. See, 18 CFR 385.2001(a)(1)(iii) and the instructions on the Commission's Web site under the "e-Filing" link. The Commission strongly encourages electronic filings.

Iroquois requests authority to modify certain facilities previously certificated in this docket and to construct limited additional facilities in order to provide 100,000 dekatherms per day (dth/d) of new firm transportation service to Consolidated Edison Company of New York, Inc. (Con Edison). Iroquois requests to: (1) Reduce the proposed size of the compressor unit, located in Brookfield, Connecticut, from 10,000 horsepower to 7,700 horsepower; (2) install new cooling facilities at Brookfield; and (3) install new cooling facilities at Iroquois's existing compressor station at Dover, New York. The estimated cost of these facilities is approximately \$41,600,000. Iroquois also requests a predetermination that the costs associated with the project will receive rolled-in rate treatment to Iroquois's Eastchester rates in its first NGA section 4 rate proceeding to become effective after the in-service date for the proposed facilities. In order to meet Co Edison's requested November 1, 2007 in-service date, Iroquois proposes to commence construction by April, 2007.

Any questions regarding the application are to be directed to M. Lisanne Crowley, Troutman Sanders LLP, 401 9th Street, NW., Suite 1000, Washington, DC 20004-2134; phone number (202) 274-2814.
