Rural Housing Service

Title: 7 CFR Part 1944–N—Housing Preservation Grants.

OMB Control Number: 0575–0115.

Summary of Collection: The Rural Housing Service (RHS) is authorized to make grants to eligible applicants to provide repair and rehabilitation assistance so that very low- and low-income rural residents can obtain adequate housing. Such assistance is made by grantees to very low- and low-income persons, and to co-ops. Grant funds are used by grantees to make loans, grants, or other comparable assistance to eligible homeowners, rental unit owners, and co-ops for repair and rehabilitation of dwellings to bring them up to code or minimum property standards. These grants were established by Public Law 98–181, the Housing Urban Rural Recovery Act of 1983, which amended the Housing Act of 1949 (Pub. L. 93–383) by adding section 533, 42 U.S.C. S 2490(m), Housing Preservation Grants.

Need and Use of the Information: An applicant will submit a “Statement of Activity” describing its proposed program. RHS will collect information to determine eligibility for a grant to justify its selection of the applicant for funding; to report program accomplishments and to justify and support expenditure of grant funds. RHS uses the information to determine if the grantee is complying with its grant agreement and to make decisions regarding continuing with modifying, or terminating grant assistance. If the information were not collected and presented to RHS, the Agency could not monitor the program or justify disbursement of grant funds.
