

Classification Comments: Interested parties may submit comments involving the suitability of the land for a public safety training center. Comments on the classification are restricted to whether the land is physically suited for the proposal, whether the use will maximize the future use or uses of the land, whether the use is consistent with local planning and zoning, or if the use is consistent with State and Federal programs. The classification of the land described in this Notice will become effective 60 days from the date of publication of this notice in the **Federal Register**. The lands will not be offered for lease/conveyance until after the classification becomes effective.

Application Comments: Interested parties may submit comments regarding the specific use proposed in the application and plan of development, whether the BLM followed proper administrative procedures in reaching the decision, or any other factor not directly related to the suitability of the land for a public safety training center. Any adverse comments will be reviewed by the State Director who may sustain, vacate, or modify this realty action. In the absence of any adverse comments, this realty action will become the final determination of the Department of the Interior.

Dated: March 14, 2006.

Notice of Travel Restriction to Off-Road Vehicles

AGENCY: Bureau of Land Management, Interior.

ACTION: Notice of off-road vehicle (ORV), also referred to as off-highway vehicle (OHV), travel restriction to motorized use on public lands in the Elko Field Office, Spruce Mountain Area, Nevada Department of Wildlife Hunt Unit 105.

SUMMARY: Pursuant to 43 Code of Federal Regulations 8341.2, effective on publication of this Notice; off-road vehicles (ORV) travel is restricted to existing roads and two-tracks (approximately 850 miles) on public lands on and in the vicinity of Spruce Mountain, south of Wells, Nevada. The public lands affected by this restriction

are located in portions of T. 29 N., R. 64 E.; T. 30 N., R. 63 thru 65 E.; and T. 31 thru 34 N., R. 62 thru 66 E., MDM, Elko County, Nevada. This notice also prohibits competitive events on public lands in the area. The purpose of this action is to protect important cultural resources and wildlife habitats.

DATES: Effective Dates: This notice is effective immediately and shall remain in effect until BLM completes a land use plan revision (currently scheduled for 2009) and a Record of Decision.

FOR FURTHER INFORMATION CONTACT: Clinton R. Oke, Assistant Field Manager, Non Renewable Resources, Elko Field Office, 3900 E. Idaho Street, Elko, Nevada, 89801, telephone (775)-753-0200.

SUPPLEMENTARY INFORMATION: In 1985, the Wells and Elko Resource Management Plans (RMP) designated the majority of public lands managed by the BLM Elko Field Office as "open" to off-road vehicle use. Since that time, improvements to OHV and all-terrain vehicle design, capability, affordability and popularity have led to more numerous and widespread presence of these motorized vehicles. This increased use is creating adverse impacts to important cultural resources and wildlife habitat.

The BLM Elko Field Office is seeking input from interested publics, organizations, and agencies for a Travel Management Plan for the Spruce Mountain Area, NDOW Hunt Unit 105. This Travel Management Plan will also have input from the Northeastern Great Basin Resource Advisory Council (RAC). Any travel limitations recommended will be considered in the Resource Management Plan (RMP) revision process. Maps of the travel restricted area are available for review at the above address.

The purpose of the temporary travel restriction is to protect important cultural resources and wildlife habitat, and address imminent adverse impacts from ORV use off of existing roads and two-tracks.

Authority: This notice issued under the authority of 43 CFR 8341.2. Violations of this restriction are punishable by a fine not to exceed \$1,000 and/or imprisonment not to exceed 12 months as provided.

Exemptions from this restriction will apply for BLM authorized permittees related to their ranching operations as described within the terms and conditions of their existing permits, official Nevada State and Elko County business and BLM law enforcement. The authorized officer may make other exemptions to the restrictions on a case-by-case basis.

Dated: February 23, 2006.

Helen M. Hankins,

Field Office Manager.
