**EQUAL EMPLOYMENT OPPORTUNITY COMMISSION****Privacy Act of 1974; Publication of Notice of Proposed New Systems of Records and Amendment of Systems To Add New System Managers**

**AGENCY:** Equal Employment Opportunity Commission.

**ACTION:** Notice; publication of notice of proposed new systems of records and amendment of systems to add new system managers and new routine uses.

**SUMMARY:** This notice proposes two new systems of records, amends three existing systems of records to include a new system manager, amends one existing system to add two new routine uses and amends Appendix A to reflect current office names and addresses.

**DATES:** The changes to the existing systems of records are effective on April 26, 2006. The proposed new systems of records and routine uses will become effective, without further notice, on June

26, 2006 unless comments dictate otherwise.

**ADDRESSES:** Written comments may be sent to the Office of Executive Secretariat, Equal Employment Opportunity Commission, Room 10402, 1801 L Street, NW., Washington, DC 20507. Copies of this notice are available in the following alternate formats: large print, braille, electronic file on computer disk, and audio-tape. Copies may be obtained from the Publications Center by calling 1-800-699-3362.

**FOR FURTHER INFORMATION CONTACT:** Thomas J. Schlageter, Assistant Legal Counsel (202) 663-4668 (voice) or Kathleen Oram, Senior Attorney (202) 663-4681 (voice) or (202) 663-7026 (TDD).

**SUPPLEMENTARY INFORMATION:** The Equal Employment Opportunity Commission recently implemented a new electronic tracking system for its employment discrimination charge data. As part of that implementation, the Commission is amending three existing systems of records, EEOC-1, Age and Equal Pay Act Discrimination Case Files, EEOC-3, Title VII and Americans With Disabilities Act Discrimination Case Files, and EEOC/GOVT-1, Equal Employment Opportunity in the Federal Government Complaint and Appeal Records, to add the Director of the Office of Field Programs as a system manager. This addition provides a Headquarters system manager for EEOC-1 and EEOC-3 who will address

questions concerning access to tracking data at EEOC headquarters. In addition, the Director of the Office of Field Programs has managerial authority over the federal sector hearings process at EEOC, and is added as a system manager in EEOC/GOVT-1 of the hearings records and the hearings data in the new database.

The Commission proposes to add two new routine uses to EEOC-16, Office of Inspector General Investigative Files. The President's Council on Integrity and Efficiency (PCIE) and the Executive Council on Integrity and Efficiency (ECIE) are establishing peer review processes that are designed to provide qualitative measurement against the Inspector General community standards to ensure that adequate internal and management procedures are maintained. The peer reviews are designed to foster high quality investigations and investigative processes and promote consistency in investigative standards and practices within the Inspector General community. EEOC's Office of Inspector General intends to participate in the peer review processes. Proposed routine use g. would allow disclosure of information to authorized officials within the PCIE, the ECIE, the Department of Justice and the Federal Bureau of Investigation for the purpose of conducting qualitative assessment reviews of the Office of Inspector General's investigative operations. Proposed routine use h. would allow the disclosure of information to the PCIE and the ECIE for their preparation of

reports to the President and Congress on the activities of the Inspectors General.

The Commission proposes to add a new system of records, EEOC-19, Revolving Fund Registrations. The Commission's Revolving Fund was established by Congress to permit EEOC to provide equal employment opportunity training and technical assistance at cost to employers and individuals and use the proceeds for further training and technical assistance. The Revolving Fund proposes to keep a database of information about the persons who have attended its training or technical assistance programs. The registration information is used by Revolving Fund staff for the program in connection with which it was received and for mailings about future programs. Three routine uses are proposed for the new system.

The Commission also proposes to add a new system of records, EEOC-20, RESOLVE Program Records. RESOLVE is EEOC's internal alternative dispute resolution program. The RESOLVE Program provides a forum to EEOC employees for the informal resolution of a variety of workplace disputes as an alternative to the procedures that employees traditionally use to resolve disputes, such as the EEO complaint process and the negotiated and administrative grievance procedures. RESOLVE covers a variety of common workplace disputes and issues, such as terms and conditions of employment, requests for reasonable accommodation and allegations of employment discrimination. Three routine uses are proposed for this new system.

The proposed routine uses for EEOC-16, Office of Inspector General Investigative Files, and the two proposed new systems of records meet the compatibility criteria since the information involved is collected for the purpose of the applicable routine uses. We anticipate that any disclosure pursuant to these routine uses will not result in any unwarranted adverse effects on personal privacy.

Finally, the Commission has amended Appendix A to reflect the current names and addresses of its offices in the field.

For the Commission.

**Cari M. Dominguez,**  
Chair.
