April 20, 2006.

Take notice that on April 10, 2006, New England Gas Company (NEGASCO), a division of Southern Union Company, and The Narragansett Electric Company, d/b/a National Grid (Narragansett) (together, Applicants), filed with the Federal Energy Regulatory Commission an abbreviated joint application pursuant to section 7(f) of the Natural Gas Act, as amended, for an order requesting that the Commission vacate NEGASCO's section 7(f) service area determination granted by the Commission in 2004; grant Narragansett

a section 7(f) service area determination, identical to the section 7(f) service area determination now held by NEGASCO; declare that Narragansett qualifies as a local distribution company in its service area for purposes of section 311 of the Natural Gas Policy Act (NGPA); and grant Narragansett a waiver of the regulatory requirements ordinarily applicable to a "natural gas company" under the NGA and the NGPA, including, but not limited to, reporting and accounting requirements and charges.
