#### Notice of Submission Deadline for International Slots for the Winter 2006 Scheduling Season

**AGENCY:** Department of Transportation, FAA.

**ACTION:** notice of submission deadline.

**SUMMARY:** On October 1, 1999, the FAA amended the regulations governing takeoff and landing slots and slot allocation procedures at certain High Density Traffic Airports as a result of the "Open Transborder" Agreement between the Government of the United States and the Government of Canada. One element of this final rule established that the deadline for submission of requests for international slots will be published in a **Federal Register** notice for each scheduling season. The purpose of the amendment is for the FAA deadline for international slots requests to coincide with the International Air Transport Association (IATA) deadline for submission of slot requests.

In accordance with this amendment, the FAA announces in this notice that the deadline for submitting requests for international slots at John F. Kennedy International Airport (JFK) for allocation under 14 CFR 93.217 is May 11, 2006. The FAA will allocate international slots through December 31, 2006 only, as the High Density Rule expires at JFK on December 31, 2006. (*See* 49 U.S.C. 41715(a)(2).) After that date, slots will no longer be required for operation at JFK.

The FAA has designated Chicago's O'Hare International Airport (O'Hare) as
