SUPPLEMENTARY INFORMATION:**Background**

On September 28, 2005, the Department of Commerce (“the Department”) published in the **Federal Register** a notice of initiation of the antidumping duty administrative review of Polyethylene Retail Carrier Bags (“PRCBs”) from the People’s Republic of China (“PRC”) for the period January 24, 2004, through July 31, 2005. See *Initiation of Antidumping and Countervailing Duty Administrative Reviews and Request for Revocation in Part*, 70 FR 56631 (September 28, 2005). The preliminary results of review are currently due no later than May 3, 2006.

Extension of Time Limit for Preliminary Results

Section 751(a)(3)(A) of the Tariff Act of 1930, as amended (“the Act”), requires the Department to make a preliminary determination within 245 days after the last day of the anniversary month of an order for which a review is requested. Section 751(a)(3)(A) of the Act further states that, if it is not practicable to complete the review within the time specified, the administering authority may extend the 245-day period to issue its preliminary results by up to 120 days. Completion of the preliminary results of this review within the 245-day period is not practicable because the Department needs additional time to analyze a significant amount of information pertaining to each company’s sales practices, factors of production, corporate relationships, and to review responses to supplemental questionnaires.

Because it is not practicable to complete this review within the time specified under the Act, we are extending the time period for issuing the preliminary results of review by 110 days until August 21, 2006, in accordance with section 751(a)(3)(A) of the Act. The final results continue to be due 120 days after the publication of the preliminary results of review.

Dated: April 21, 2006.

Stephen J. Claeys,

Deputy Assistant Secretary for Import Administration.

Notice of Extension of Time Limit for the Final Results of the Antidumping Administrative Review of Polyvinyl Alcohol from the People’s Republic of China

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

EFFECTIVE DATE: April 27, 2006.

FOR FURTHER INFORMATION CONTACT: Lilit Astvatsatrian, AD/CVD Operations, Office 8, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, NW, Washington, DC 20230; telephone: (202) 482-6412.

SUPPLEMENTARY INFORMATION:**Background**

On November 7, 2005, the Department of Commerce (“the Department”) published the preliminary results of the administrative review of the antidumping duty order on polyvinyl alcohol (“PVA”) from the People’s Republic of China (“PRC”), covering the period August 11, 2003, through September 30, 2004. See *Polyvinyl Alcohol from the People’s Republic of China: Preliminary Results of Antidumping Duty Administrative Review*, 70 FR 67434 (November 7, 2005) (“*Preliminary Results*”). In the *Preliminary Results*, we stated that we would make our final determination for the antidumping duty review no later than 120 days after the date of publication of the preliminary results (*i.e.*, March 7, 2006).

Extension of Time Limit of Final Results

Section 751(a)(3)(A) of the Tariff Act of 1930, as amended (“the Act”), requires the Department to issue the final results in an administrative review within 120 days of the publication date of the preliminary results. However, if it is not practicable to complete the review within this time period, the Department may extend the time limit for the final results to 180 days. On February 27, 2006, the Department published in the **Federal Register** a notice extending the time limit for the final results of the administrative review from March 7, 2006, to April 6, 2006. See *Notice of Extension of Time Limit for the Antidumping Duty Administrative Review of Polyvinyl Alcohol from the People’s Republic of China*, 71 FR 9781

(February 27, 2006). On March 29, 2006, the Department published in the **Federal Register** a notice extending the time limit for the final results of the administrative review from April 6, 2006, to April 21, 2006. See *Notice of Extension of Time Limit for the Final Results of the Antidumping Administrative Review of Polyvinyl Alcohol from the People’s Republic of China*, 71 FR 15697 (March 29, 2006). The final results of review are currently due no later than April 21, 2006. However, completion of the final results by April 21, 2006, is not practicable because this review involves certain complex issues, including examination of the co-product allocation methodology, application of by-product credits, and the valuation of natural gas and certain other factors.

Therefore, in accordance with section 751(a)(3)(A) of the Act, the Department is now fully extending the time period for issuing these final results of review until May 6, 2006. However, because May 6, 2006, falls on a Saturday, the final results will be due on May 8, 2006, the next business day.

Dated: April 21, 2006.

Stephen J. Claeys,

Deputy Assistant Secretary for Import Administration.
