UNITED STATES SECTION OF THE INTERNATIONAL BOUNDARY AND WATER COMMISSION

22 CFR Part 1100

Employee Responsibilities and Conduct; Removal of Superseded Regulations and Addition of Residual Cross-References

AGENCY: United States Section of the International Boundary and Water Commission (USIBWC).

ACTION: Final rule.

SUMMARY: The United States Section of the International Boundary and Water Commission is repealing its superseded old employee conduct regulations, which have been replaced by the executive branch Standards of Ethical Conduct, financial disclosure and financial interests regulations issued by the Office of Government Ethics (OGE). In place of its old conduct regulations, the USIBWC is adding a section of residual cross-references to those new provisions as well as to certain executive branch conduct rules promulgated by the Office of Personnel Management (OPM).

DATES: *Effective Date:* June 2, 2006.

FOR FURTHER INFORMATION CONTACT: Tony R. Chavez, Designated Agency Ethics Official, United States International Boundary and Water Commission, 4171 N. Mesa, Suite C-100, El Paso, Texas, Telephone, 915-832-4111, Fax 915-832-4196.

SUPPLEMENTARY INFORMATION: In 1992, OGE issued a final rule setting forth uniform Standards of Ethical Conduct and an interim final rule on financial disclosure, and in 1996 issued a final rule on financial interests, all for executive branch departments and agencies of the Federal Government and their employees. Those three executive branch-wide regulations, as corrected and amended, are codified at 5 CFR parts 2634, 2635 and 2640. Together those regulations have superseded the old USIBWC regulations on employee responsibilities and conduct, which have been codified at 22 CFR part 1100 (and were based on prior OPM standards). Accordingly, the USIBWC is removing its superseded regulations and adding in place thereof a new section containing residual cross-references to the new provisions at 5 CFR parts 2634, 2635 and 2640. In addition, the USIBWC is including in that section a reference to the separate, specific executive branch provisions regarding gambling, safeguarding the examination

process and conduct prejudicial to the Government which are set forth in 5 CFR part 735, as amended and reissued by OPM in 1992. Those specific branch-wide restrictions are not covered in OGE's Standards of Ethical Conduct regulation; furthermore, they are self-executing and do not require any department or agency republication.

Matters of Regulatory Procedure

Administrative Procedure Act

As Designated Agency Ethics Official of the USIBWC, I have found, under 5 U.S.C. 553(a)(2) and (b), that the general requirements for proposed rule making and opportunity for public comment are not applicable as to this final rule since it relates solely to agency management and personnel as well as agency organization, practice and procedure.

List of Subjects in 22 CFR Part 1100

Tony R. Chavez,

Designated Agency Ethics Official, United States Section of the Internal Boundary and Water Commission.

AGENCY: Environmental Protection Agency (EPA).

ACTION: Final rule.

SUMMARY: This regulation establishes a time-limited tolerance for residues of dimethenamid-p in or on squash, winter. This action is in response to EPA's granting of an emergency exemption under section 18 of the Federal Insecticide, Fungicide, and Rodenticide Act (FIFRA) authorizing use of the pesticide on squash, winter. This regulation establishes a maximum permissible level for residues of squash, winter. The tolerance will expire and is revoked on June 30, 2009.

DATES: This regulation is effective May 3, 2006. Objections and requests for hearings must be received on or before July 3, 2006.

ADDRESSES: To submit a written objection or hearing request follow the detailed instructions as provided in Unit VII. of the **SUPPLEMENTARY INFORMATION.** EPA has established a docket for this action under Docket identification (ID) number EPA-HQ-OPP-2006-0216. All documents in the docket are listed on the www.regulations.gov web site. EDOCKET, EPA's electronic public docket and comment system was

replaced on November 25, 2005, by an enhanced Federal-wide electronic docket management and comment system located at <http://www.regulations.gov>. Follow the on-line instructions. Although listed in the index, some information is not publicly available, i.e., CBI or other information whose disclosure is restricted by statute. Certain other material, such as copyrighted material, is not placed on the Internet and will be publicly available only in hard copy form. A frequently updated electronic version of 40 CFR part 180 is available on E-CFR Beta Site Two at <http://www.gpoaccess.gov/ecfr/>.

II. Background and Statutory Findings

EPA, on its own initiative, in accordance with sections 408(e) and 408(l)(6) of the Federal Food, Drug, and Cosmetic Act (FFDCA), 21 U.S.C. 346a, is establishing a time-limited tolerance for residues of the herbicide dimethenamid-p, 1-(RS)-2-chloro-N-[(1-methyl-2-methoxy)ethyl]-N-(2,4-dimethylthien-3-yl)-acetamide in or on squash, winter at 0.01 parts per million (ppm). Dimethenamid-p is a 90:10, S:R mixture of dimethenamid isomers, and is already included in the existing tolerances codified at 40 CFR 180.464. This tolerance will expire and is revoked on June 30, 2009. EPA will publish a document in the **Federal Register** to remove the revoked tolerance from the Code of Federal Regulations.

Section 408(l)(6) of FFDCA requires EPA to establish a time-limited tolerance or exemption from the requirement for a tolerance for pesticide chemical residues in food that will result from the use of a pesticide under an emergency exemption granted by EPA under section 18 of FIFRA. Such tolerances can be established without providing notice or period for public comment. EPA does not intend for its actions on section 18-related tolerances to set binding precedents for the application of section 408 of FFDCA and the new safety standard to other tolerances and exemptions. Section 408(e) of FFDCA allows EPA to establish a tolerance or an exemption
