Submission for OMB Review; Comment Request

April 27, 2006.

The Department of Agriculture has submitted the following information collection requirement(s) to OMB for review and clearance under the Paperwork Reduction Act of 1995, Public Law 104-13. Comments regarding (a) whether the collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility; (b) the accuracy of the agency's estimate of burden including the validity of the methodology and assumptions used; (c) ways to enhance the quality, utility and clarity of the information to be collected; (d) ways to minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology should be addressed to: Desk Officer for Agriculture, Office of Information and Regulatory Affairs, Office of Management and Budget (OMB),

OIRA_Submission@OMB.EOP.GOV or

fax (202) 395-5806 and to Departmental Clearance Office, USDA, OCIO, Mail Stop 7602, Washington, DC 20250-7602. Comments regarding these information collections are best assured of having their full effect if received within 30 days of this notification. Copies of the submission(s) may be obtained by calling (202) 720-8958.

An agency may not conduct or sponsor a collection of information unless the collection of information displays a currently valid OMB control number and the agency informs potential persons who are to respond to the collection of information that such persons are not required to respond to the collection of information unless it displays a currently valid OMB control number.

Departmental Administration

Title: USDA PIV Request for Credential.

OMB Control Number: 0505-0022.

Summary of Collection: To obtain approval of information that must be provided by Federal contractors and other applicable individuals (including all employees and some affiliates) when applying for a USDA credential (identification card). The information is necessary to comply with the requirements outlined in Homeland Security Presidential Directive (HSPD) 12, and Federal Information Processing Standard (FIPS) 201, Personal Identity Verification (PIV) Phase I and II. In years past, government agencies have all required various levels and means of authenticating Federal employees and contractors as a requirement to enter government buildings and use government systems. HSPD 12 mandates the creation of a standard for identity proofing and credentialing Federal employees and contractors.

Need and Use of the Information: Information will be collected using form AD 1197, Request for USDA Identification (ID) Badge, that will be completed on behalf of employees contractors, or other applicable individuals requiring long term access to federally controlled facilities and/or information systems who began work at USDA on or after October 27, 2005. This information is required as part of USDA's PIV I identity proofing and registration process. For PIV II, implemented before October 27, 2006 form AD 1197 will be eliminated and the identity process will be streamlined with addition of a Web-based HSPD-12 system.

Description of Respondents: Individuals or households; Federal Government.

Number of Respondents: 37,000.

Frequency of Responses: Reporting: On occasion.

Total Burden Hours: 120,350.

Animal and Plant Health Inspection Service

[Docket No. APHIS-2006-0047]

Bovine Spongiform Encephalopathy; Availability of an Estimate of Prevalence in the United States

AGENCY: Animal and Plant Health Inspection Service, USDA.

ACTION: Notice of availability.

SUMMARY: We are advising the public that an analysis of the prevalence of bovine spongiform encephalopathy (BSE) in the United States has been prepared by the Animal and Plant Health Inspection Service. We are making the analysis of BSE prevalence in this country available to the public.

ADDRESSES: Copies of the analysis are available for review on the Internet (see **SUPPLEMENTARY INFORMATION** below) and in our reading room. The reading room is located in room 1141 of the USDA South Building, 14th Street and Independence Avenue, SW., Washington, DC. Normal reading room hours are 8 a.m. to 4:30 p.m., Monday through Friday, except holidays. To be sure someone is there to help you, please call (202) 690-2817 before coming.

FOR FURTHER INFORMATION CONTACT: Dr. Brian McCluskey, National Surveillance Coordinator, National Surveillance Unit, Center for Animal Health Surveillance, VS, APHIS, USDA, 2150 Centre Avenue, Fort Collins, CO 80526-8177; 970-494-7589.

SUPPLEMENTARY INFORMATION: Bovine spongiform encephalopathy (BSE) is a progressive and fatal neurological disorder of cattle that results from an unconventional transmissible agent. BSE belongs to the family of diseases known as transmissible spongiform encephalopathies (TSEs). Since 1990, the United States has conducted surveillance for BSE in this country with increasing intensity, including an enhanced surveillance effort implemented following the diagnosis of BSE in a cow of Canadian origin in Washington State in December 2003.

The Animal and Plant Health Inspection Service (APHIS) has conducted an analysis of the BSE surveillance data collected in the United States. Based on this analysis, APHIS has arrived at an estimate of BSE prevalence in this country. This information will help to guide and support any future requests for consideration of the overall BSE status of the United States.

We are making our analysis of BSE prevalence in the United States available to the public. This report is considered a draft and will undergo peer review.

The analysis may be viewed on the APHIS Web site at http://www.aphis.usda.gov/newsroom/hot_issues/bse/bse_in_usa.shtml. Click on the document titled "An Estimate of the Prevalence of BSE in the United States." The analysis may be also viewed on the Regulations.gov Web site. Go to <http://www.regulations.gov>, click on the "Advanced Search" tab and select "Docket Search." In the Docket ID field, enter APHIS-2006-0047, click on "Submit," then click on the Docket ID link in the search results page. The analysis will appear in the resulting list of documents.

You may request paper copies of the analysis by calling or writing to the person listed under **FOR FURTHER INFORMATION CONTACT**. Please refer to the title of the analysis ("An Estimate of the Prevalence of BSE in the United States") when requesting copies. The analysis is also available for review in our reading room (information on the location and hours of the reading room is provided under the heading **ADDRESSES** at the beginning of this notice).

Done in Washington, DC, this 1st day of May 2006.

Elizabeth E. Gaston,

Acting Administrator, Animal and Plant Health Inspection Service.

Federal Crop Insurance Corporation

Funding Opportunity Title: Commodity Partnerships for Small Agricultural Risk Management Education Sessions (Commodity Partnerships Small Sessions Program)

Announcement Type: Announcement of Availability of Funds and Request for Application for Competitive Cooperative Partnership Agreements—Correction.

Catalog of Federal Domestic Assistance Number (CFDA): 10.459.

Dates: Applications are due June 2, 2006, 5 p.m. EDT.

Summary: Due to technical errors, the following notice supersedes the original Request for Applications, published on April 18, 2006 for Commodity Partnerships for Small Agricultural Risk Management Education Sessions Program at 71 FR 19858-19864.

Overview: The Federal Crop Insurance Corporation (FCIC), operating through the Risk Management Agency (RMA), announces the availability of approximately \$500,000 for Commodity Partnerships for Small Agricultural Risk Management Education Sessions (the Commodity Partnerships Small Sessions Program). The purpose of this cooperative partnership agreement program is to deliver training and information in the management of production, marketing, and financial risk to U.S. agricultural producers. The program gives priority to educating producers of crops currently not insured under Federal crop insurance, specialty crops, and underserved commodities, including livestock and forage. A maximum of 50 cooperative partnership agreements will be funded, with no more than five in each of the ten designated RMA Regions. The maximum award for any cooperative partnership agreement will be \$10,000. Recipients of awards must demonstrate non-financial benefits from a cooperative partnership agreement and must agree to the substantial involvement of RMA in the project. Funding availability for this program may be announced at approximately the same time as funding availability for similar but separate programs—CFDA No. 10.455 (Community Outreach and Assistance Partnerships), CFDA No. 10.456 (Risk Management Research Partnerships), CFDA No. 10.457 (Commodity Partnerships for Risk Management Education), and CFDA No. 10.458 (Crop Insurance Education in Targeted States). Prospective applicants should carefully examine and compare the notices for each program.
