Title: Ride-Along Program.

OMB Number: 0596-0170.

Expiration Date of Approval: September 30, 2006.

Type of Request: Extension with Revision.

Abstract: This information collection is necessary to gather information to assist Forest Service Law Enforcement and Investigation (LEI) officers in determining whether to approve the applications of riders requesting to participate in the Ride-Along Program. The information collected provides additional protection for the law enforcement program and for LEI officers who allow authorized riders to accompany them in boats, cars, trucks or other vehicles by confirming the identity and criminal status of citizens wishing to participate in the program. The program provides an opportunity for citizens to learn about and observe Forest Service Law Enforcement and Investigation (LEI) tasks and activities. The program is intended to enhance Forest Service law enforcement community relationships and cooperation, improve the quality of Forest Service customer service, and provide LEI personnel a recruitment tool. A rider must complete two forms in order to participate. If the information is not collected, riders will not be able to ride along with Forest Service law enforcement officers.

Form FS-5300-33 is used by law enforcement officers to conduct a minimum background check before authorizing a person to ride along. Form FS-5300-34 is signed by riders and exempts law enforcement officers and the Forest Service from damage, loss, or injury liability incurred during the rider's participation in the program.

Estimate of Annual Burden: 10 minutes (5 minutes each for FS-5300-33 and FS-5300-34).

Type of Respondents: Citizens.

Estimated Annual Number of Respondents: 500.

Estimated Annual Number of Responses per Respondent: 1.
