1301 Constitution Avenue, NW., Washington, DC, Attention Docket ID No. EPA-HQ-ORD–2006–0423. Note: this is not a mailing address. Such deliveries are only accepted during the docket’s normal hours of operation, and special arrangements should be made for deliveries of boxed information.

Instructions: Direct your comments to Docket ID No. EPA-HQ-ORD–2006–0423. EPA’s policy is that all comments received will be included in the public docket without change and may be made available online at http://www.regulations.gov, including any personal information provided, unless the comment includes information claimed to be Confidential Business Information (CBI) or other information whose disclosure is restricted by statute. Do not submit information that you consider to be CBI or otherwise protected through http://www.regulations.gov or e-mail. The http://www.regulations.gov Web site is an “anonymous access” system, which means EPA will not know your identity or contact information unless you provide it in the body of your comment. If you send an e-mail comment directly to EPA without going through http://www.regulations.gov, your e-mail address will be automatically captured and included as part of the comment that is placed in the public docket and made available on the Internet. If you submit an electronic comment, EPA recommends that you include your name and other contact information in the body of your comment and with any disk or CD-ROM you submit. If EPA cannot read your comment due to technical difficulties and cannot contact you for clarification, EPA may not be able to consider your comment.

Electronic files should avoid the use of special characters, any form of encryption, and be free of any defects or viruses. For additional information about EPA’s public docket visit the EPA Docket Center homepage at http://www.epa.gov/epahome/dockets.htm. Docket: All documents in the docket are listed in the http://www.regulations.gov index. Although listed in the index, some information is not publicly available, e.g., CBI or other information whose disclosure is restricted by statute. Certain other material, such as copyrighted material, will be publicly available only in hard copy. Publicly available docket materials are available either electronically in http://www.regulations.gov or in hard copy at the Board of Scientific Counselors, Executive Committee—June 2006 Docket, EPA/DC, EPA West, Room B102, 1301 Constitution Ave., NW., Washington, DC. The Public Reading Room is open from 8:30 a.m. to 4:30 p.m., Monday through Friday, excluding legal holidays. The telephone number for the Public Reading Room is (202) 566–1744, and the telephone number for the ORD Docket is (202) 566–1752.

FOR FURTHER INFORMATION CONTACT: The Designated Federal Officer via mail at: Lorelei Kowalski, Mail Code 8104–R, Office of Science Policy, Office of Research and Development, Environmental Protection Agency, 1200 Pennsylvania Avenue, NW., Washington, DC 20460; via phone/voice mail at: (202) 564–3408; via fax at: (202) 565–2911; or via e-mail at: kowalski.lorelei@epa.gov.

SUPPLEMENTAL INFORMATION:

General Information

Any member of the public interested in receiving a draft BOSC agenda or making a presentation at the meeting may contact Lorelei Kowalski, the Designated Federal Officer, via any of the contact methods listed in the FOR FURTHER INFORMATION CONTACT section above. In general, each individual making an oral presentation will be limited to a total of three minutes.

Proposed agenda items for the meeting include, but are not limited to: discussion of the draft report from the Science to Achieve Results (STAR)/Greater Research Opportunities (GRO) Fellowship Subcommittee; update on subcommittees for the Technology for Sustainability, Human Health Risk Assessment, Safe Pesticides/Safe Products, and Homeland Security program reviews; update on the Computational Toxicology Subcommittee; a site visit to ORD’s National Exposure Research Lab; presentation of ORD responses to three recent BOSC reports; a briefing on Futures; discussion of the draft BOSC Subcommittee Chair Handbook; Implementing Standing BOSC Lab/Center Subcommittees, and status of the Program Review Tool Groupwork; an update on EPA’s Science Advisory Board activities; and future issues and plans. The meeting is open to the public.

Information on Services for Individuals with Disabilities: For information on access or services for individuals with disabilities, please contact Lorelei Kowalski at (202) 564–3408 or kowalski.lorelei@epa.gov. To request accommodation of a disability, please contact Lorelei Kowalski, preferably at least 10 days prior to the meeting, to give EPA as much time as possible to process your request.

Dated: May 2, 2006.

Jeffery Morris,
Acting Director, Office of Science Policy.

FEDERAL MEDIATION AND CONCILIATION SERVICE

AGENCY: Federal Mediation and Conciliation Service.

ACTION: Request for Public Comment on Draft Fiscal Year 2006, Program Guidelines/Application Solicitation for Labor-Management Committees.

SUMMARY: The Federal Mediation and Conciliation Service (FMCS) is publishing a draft Fiscal Year 2006 Program Guidelines/Application Solicitation for the Labor-Management Cooperation Program for comment. The program is supported by Federal funds authorized by the Labor-Management Cooperation Act of 1978, subject to annual appropriations. This solicitation contains a change in the length of grants and the deadline for accepting applications. FMCS reserves the right under special conditions to award supplemental (continuation) grants and will accept applications beginning August 1, 2006 and continue to do so until July 31, 2007 or until all Fiscal Year 2006 grant funds are obligated.

DATES: Written comments must be submitted to the office listed in the address section below within 30 days from the date of this publication in the Federal Register.

ADDRESSES: Submit comments to Maria A. Fried, General Counsel and Federal Register Liaison, Federal Mediation and Conciliation Service, 2100 K Street, NW., Washington, DC 20427. Comments may be submitted by fax at (202) 606–5345 or electronic mail (e-mail) to mfried@fmcs.gov. All comments and data in electronic form must be identified by the appropriate agency form number.

FOR FURTHER INFORMATION CONTACT: Linda Stubbs, Grants Management Specialist, FMCS 2100 K Street, NW., Washington, DC 20427. Telephone number 202–606–8181, e-mail to lstubs@fmcs.gov or fax at (202) 606–3434.
Federal Mediation Conciliation Service Labor-Management Cooperation Program Application Solicitation for Labor-Management Committees FY2006

A. Introduction

The following is the draft Solicitation for the Fiscal Year (FY) 2006 cycle of the Labor-Management Cooperation Program as it pertains to the support of labor-management committees. These guidelines represent the continuing efforts of the Federal Mediation and Conciliation Service to implement the provisions of the Labor-Management Cooperation Act of 1978, which was initially implemented in FY1981. The Act authorizes FMCS to provide assistance in the establishment and operation of company/plant, area, public sector, and industry-wide labor-management committees which:

(A) Have been organized jointly by employers and labor organizations representing employees in that company/plant, area, government agency, or industry; and

(B) Are established for the purpose of improving labor-management relationships, job security, and organizational effectiveness; enhancing economic development; or involving workers in decisions affecting their working lives, including improving communication with respect to subjects of mutual interest and concern.

The Program Description and other sections that follow, as well as a separately published FMCS Financial and Administrative Grants Manual, make up the basic guidelines, criteria, and program elements a potential applicant for assistance under this program must know in order to develop an application for funding consideration for either a company/plant, area-wide, industry, or public sector labor-management committee. Directions for obtaining an application kit may be found in Section H. A copy of the Labor-Management Cooperation Act of 1978, included in the application kit, should be reviewed in conjunction with this solicitation.

B. Program Description

Objectives

The Labor-Management Cooperation Act of 1978 identifies the following seven general areas for which financial assistance would be appropriate:

1. To improve communication between representatives of labor and management;

2. To provide workers and employers with opportunities to study and explore new and innovative joint approaches to achieving organizational effectiveness;

3. To assist workers and employers in solving problems of mutual concern not susceptible to resolution within the collective bargaining process;

4. To study and explore ways of eliminating potential problems which reduce the competitiveness and inhibit the economic development of the company/plant, area, or industry;

5. To enhance the involvement of workers in making decisions that affect their working lives;

6. To expand and improve working relationships between workers and managers; and

7. To encourage free collective bargaining by establishing continuing mechanisms for communication between employers and their employees through Federal assistance in the formation and operation of labor-management committees.

The primary objective of this program is to encourage and support the establishment and operation of joint labor-management committees to carry out specific objectives that meet the aforementioned general criteria. The term “labor” refers to employees represented by a labor organization and covered by a formal collective bargaining agreement. These committees may be found at the plant (company), area, industry, or public sector levels. A plant or company committee is generally characterized as restricted to one or more organizational or productive units operated by a single employer. An area committee is generally composed of multiple employers of diverse industries as well as multiple labor unions operating within and focusing upon a particular city, county, contiguous multicounty, or statewide jurisdiction.

An industry committee generally consists of a collection of agencies or enterprises and related labor union(s) producing a common product or service in the private sector on a local, state, regional, or nationwide level. A public sector committee consists of government employees and managers in one or more units of a local or state government, managers and employees of public institutions of higher education, or of employees and managers of public elementary and secondary schools. Those employees must be covered by a formal collective bargaining agreement or other enforceable labor-management agreement. In deciding whether an application is for an area or industry committee, consideration should be given to the above definitions as well as to the focus of the committee.

In FY2006, competition will be open to company/plant, area, private industry, and public sector committees. Special consideration will be given to committee applications involving innovative or unique efforts. All application budget requests should focus directly on supporting the committee. Applicants should avoid seeking funds for activities that are clearly available under other Federal programs (e.g., job training, mediation of contract disputes, etc.)

Required Program Elements

1. Problem Statement—The application should have numbered pages and discuss in detail what specific problem(s) face the company/plant, area, government, or industry and its workforce that will be addressed by the committee. Applicants must document the problem(s) using as much relevant data as possible and discuss the full range of impacts these problem(s) could have or are having on the company/plant, government, area, or industry. An industrial or economic profile of the area and workforce might prove useful in explaining the problem(s). This section basically discusses WHY the effort is needed.

2. Results or Benefits Expected—By using specific goals and objectives, the application must discuss in detail WHAT the labor-management committee will accomplish during the life of the grant. Applications that promise to provide objectives after a grant is awarded will receive little or no credit. A goal of “improving communication between employees and employers” may suffice as one over-all goal of a project, the objectives must, whenever possible, be expressed in specific and measurable terms. Applicants should focus on the outcome, impacts or changes that the committee’s efforts will have. Existing committees should focus on expansion efforts/results expected from FMCS funding. The goals, objectives, and projected impacts will become the foundation for future monitoring and evaluation efforts of the grantee, as well as the FMCS grants program.

3. Approach—This section of the application specifies HOW the goals and objectives will be accomplished. At a minimum, the following elements must be included in all grant applications:

(a) A discussion of the strategy the committee will employ to accomplish its goals and objectives;

(b) A listing, by name and title, of all existing or proposed members of the labor-management committee. The application should also offer a rationale for the selection of the committee members (e.g., members represent 70% of the area or company/plant workforce).
6. Letters of Commitment—Applications must include current letters of commitment from all proposed or existing committee participants and chairpersons. These letters should indicate that the participants support the application and will attend scheduled committee meetings. A blanket letter signed by a committee chairperson or other official on behalf of all members is not acceptable. We encourage the use of individual letters submitted on company or union letterhead represented by the individual. The letters should match the names provided under section 3(b).

7. Other Requirements—Applicants are also responsible for the following:
   (a) The submission of data indicating approximately how many employees will be covered or represented through the labor-management committee;
   (b) From existing committees, a copy of the existing staffing levels, a copy of the by-laws (if any), a breakout of annual operating costs and identification of all sources and levels of current financial support;
   (c) A detailed budget narrative that clearly identifies each line item and the estimated cost (a complete breakdown of each line item) based on policies and procedures contained in the FMCS Financial and Administrative Grants Manual;
   (d) An assurance that the labor-management committee will not interfere with any collective bargaining agreements;
   (e) An assurance that committee meetings will be held at least every other month and that written minutes of all committee meetings will be prepared and made available to FMCS; and
   (f) An assurance that the maximum rate for an individual consultant paid from grant project can be no more than $950 for an eight-hour-day. The day includes preparation, evaluation and travel time. Also, time and effort records must be maintained.

Selection Criteria

The following criteria will be used in the scoring and selection of applications for award:

(1) The extent to which the application has clearly identified the problems and justified the needs that the proposed project will address.
(2) The degree to which appropriate and measurable goals and objectives have been developed to address the problems/needs of the applicant.
(3) The feasibility of the approach proposed to attain the goals and objectives of the project and the perceived likelihood of accomplishing the intended project results. This section will also address the degree of innovativeness or uniqueness of the proposed effort.
(4) The appropriateness of committee membership and the degree of commitment of these individuals to the goals of the application as indicated in the letters of support.
(5) The feasibility and thoroughness of the implementation plan in specifying major milestones and target dates.
(6) The cost effectiveness and fiscal soundness of the application’s budget request, as well as the application’s feasibility vis-a-vis its goals and approach.
(7) The overall feasibility of the proposed project in light of all of the information presented for consideration;
(8) The value to the government of the application in light of the overall objectives of the Labor-Management Cooperation Act of 1978. This includes such factors as innovativeness, site location, cost, and other qualities that impact upon an applicant’s value in encouraging the labor-management committee concept.

C. Eligibility

Eligible grantees include state and local units of government, labor-management committees (or a labor union, management association, or company on behalf of a committee that will be created through the grant), and certain third-party private non-profit entities on behalf of one or more committees to be created through the grant. Federal government agencies and their employees are not eligible.

Third-party private, non-profit entities that can document that a major purpose or function of their organization is the improvement of labor relations are eligible to apply. However, all funding must be directed to the functioning of the labor-management committee, and all requirements under Part B must be followed. Applications from third-party entities must document particularly strong support and participation from all labor and management parties with whom the applicant will be working. Applications from third-parties which do not directly support the operation of a new or expanded committee will not be deemed eligible, nor will applications signed by entities such as law firms or other third-parties failing to meet the above criteria.

Successful grantees will be bound by OMB Circular 110 i.e. “contractors that develop or draft specifications, requirements, statements of work, and invitations for bids and/or requests for
proposals shall be excluded (emphasis added from competing for such procurements).

Applicants who received funding under this program in the last 6 years for committee operations are not eligible to re-apply. The only exception will be made for grantees that seek funds on behalf of an entirely different committee whose efforts are totally outside of the scope of the original grant.

D. Allocations

The FY2006 appropriation for this program is $396,000. The Grant Review Board will review submissions and make recommendations for awards based on merit without regard to category.

In addition to the competitive process identified in the preceding paragraph, FMCS will, subject to funds availability, set aside a sum not to exceed 30 percent of its non-reserved appropriation to be awarded on a non-competitive basis. These funds will be used only to support applications that have been solicited by the Director of the Service and are not subject to the dollar range noted in Section E. All funds returned to FMCS from a competitive grant award may be awarded on a non-competitive basis in accordance with budgetary requirements.

FMCS reserves the right to retain up to five percent of the FY2006 appropriation to contract for program support purposes (such as evaluation) other than administration.

E. Dollar Range and Length of Grants

Awards to expand existing or establish new labor-management committees will be for a period of up to 18 months. If successful progress is made during this initial budget period and all grant funds are not obligated within the specified period, these grants may be extended for up to six months. The dollar range of awards is as follows:

— Up to $65,000 over a period of up to 18 months for company/plant committees or single department public sector applicants;

— Up to $125,000 per 18-month period for area, industry, and multi-department public sector committee applicants.

Additionally, FMCS reserves the right under special conditions to award supplemental (continuation) grants subject to funds availability. If awarded the additional amount is added to the current grant amount.

Applicants are reminded that these figures represent maximum Federal funds only. If total costs to accomplish the objectives of the application exceed the maximum allowable Federal funding level and its required grantee match, applicants may supplement these funds through voluntary contributions from other sources. Applicants are also strongly encouraged to consult with their local or regional FMCS field office to determine what kinds of training may be available at no cost before budgeting for such training in their applications. A list of our field leadership team and their phone numbers may be obtained from the FMCS Web site (http://www.fmcs.gov) under “Who We Are”.

F. Cash Match Requirements and Cost Allowability

All applicants must provide at least 10 percent of the total allowable project costs in cash. Matching funds may come from state or local government sources or private sector contributions, but may generally not include other Federal funds. Funds generated by grant-supported efforts are considered “project income,” and may not be used for matching purposes.

It is the policy of this program to reject all requests for indirect or overhead costs as well as “in-kind” match contributions. In addition, grant funds must not be used to supplant private or local/state government funds currently spent for committee purposes. Funding requests from existing committees should focus entirely on the costs associated with the expansion efforts. Also, under no circumstances may business or labor officials participating on a labor-management committee be compensated out of grant funds for time spent at committee meetings or time spent in committee training sessions. Applicants generally will not be allowed to claim all or a portion of existing full-time staff as an expense or match contribution. For a more complete discussion of cost allowability, applicants are encouraged to consult the FY2006 FMCS Financial and Administrative Grants Manual, which will be included in the application kit.

G. Application Submission and Review Process

The Application for Federal Assistance (SF–424) form must be signed by both a labor and management representative. In lieu of signing the SF–424 form, representatives may type their name, title, and organization on plain bond paper with a signature line signed and dated, in accordance with block 18 of the SF–424 form. The individual listed as a contact person in block 6 on the application form will generally be the only person with whom FMCS will communicate during the application review process. Please be sure that person is available once the application has been submitted. Additionally, it is the applicant’s responsibility to notify FMCS in writing of any changes (e.g., if the address or contact person has changed).

We will accept applications beginning August 1, 2006, and continue to do so until July 31, 2007, or until all FY 2006 grant funds are obligated. Awards will be made by September 30, 2007. Proposals may be accepted at any time between August 1, 2006 and July 31, 2007, but proposals received late in the cycle have a greater risk of not being funded due to unavailability of funds. Once your application has been received and acknowledged by FMCS, no applications or supplementary materials will be accepted thereafter. Applicants are highly advised to contact the grants director prior to committing any resources to the preparation of a proposal.

An original application containing numbered pages, plus three copies, should be addressed to the Federal Mediation and Conciliation Service, Labor-Management Grants Program, 2100 K Street, NW., Washington, DC 20427. FMCS will not consider videotaped submissions or video attachments to submissions. FMCS will confirm receipt of all applications within 10 days thereof.

All eligible applications will be reviewed and scored by a Grant Review Board. The Board(s) will recommend selected applications for rejection or further funding consideration. The Director or their designee will finalize the scoring and selection process. All FY 2006 grant applicants will be notified of results and all grant awards will be made by September 30, 2007. Applications that fail to adhere to eligibility or other major requirements will be administratively rejected by the Director or their designee.

H. Contact

Individuals wishing to apply for funding under this program should contact the Federal Mediation and Conciliation Service as soon as possible to obtain an application kit. Please consult the FMCS Web site (http://www.fmcs.gov) to download forms and information. These kits and additional information or clarification can be obtained free of charge by contacting the Federal Mediation and Conciliation Service, Labor-Management Grants Program, 2100 K Street, NW., Washington, DC 20427, Linda Stubbs at (202) 606–8181 (lstubbs@fmcs.gov).
Additionally, we are currently accepting applications for FY2005 grant cycle and will do so until July 31, 2006 or until all FY2005 funding has been obligated. Please consult the FMCS Web site (http://www.fmcs.gov) to download forms and information.

Fran Leonard,
Director, Budget and Finance, Federal Mediation and Conciliation Service.
