## DEPARTMENT OF JUSTICE

### Office of Justice Programs

#### Agency Information Collection Activities: Proposed Collection; Comments Requested

**ACTION:** 60-day notice of information collection under review: New; HOPE II: Faith Based and Community Organization Program Evaluation Study.

The Department of Justice, Office of Justice Programs, National Institute of Justice has submitted the following information collection request to the Office of Management and Budget (OMB) for review and approval in accordance with review procedures of the Paperwork Reduction Act of 1995. The proposed information collection is published to obtain comments from the public and affected agencies. Comments are encouraged and will be accepted for "sixty days" until July 11, 2006. This process is conducted in accordance with 5 CFR 1320.10.

If you have comments especially on the estimated public burden or associated response time, suggestions, or need a copy of the proposed information collection instrument with instructions or additional information, please contact Carrie Mulford, Social Science Analyst (202 307-2959, National Institute of Justice, Office of Justice Programs, U.S. Department of Justice, 810 Seventh Street, NW., Washington, DC 20531.

Written comments and suggestions from the public and affected agencies concerning proposed collection of information are encouraged. Your comments should address one or more of the following four points:

(1) Evaluate whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility;

(2) Evaluate the accuracy of the agencies estimate of the burden of the proposed collection of information, including the validity of the methodology and assumptions used;

(3) Enhance the quality, utility, and clarity of the information to be collected; and

(4) Minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology, e.g. permitting electronic submission of responses.

Overview of this information collection:

(1) *Type of Information Collection*: New Collection.

(2) *Title of the Form/Collection*: HOPE II: Faith Based and Community Organization Program Evaluation Study.

(3) *Agency form number*, if any, and the applicable component of the department sponsoring the collection: OJP Form Number XXXXX. National Institute of Justice, Office of Justice Programs, Department of Justice.

(4) *Affected public who will be asked or required to respond, as well as a brief abstract*: Affected public includes faith based and community organization (FBCO) administrators or other persons responsible for providing services to victims of crime at organizations that received HOPE II grants. The survey will collect information on how FBCOs utilized grant money. The survey will be administered at two periods: Immediately following the grant period and one year after the end of the grant period to collect both short- and long-term outcomes. Baseline information

was collected as part of the grant application process. Key questions are:

(1) How has the FBCOs' service delivery changed between baseline and follow-up periods?

(2) How have the FBCO's organizational capabilities changed between baseline and follow-up periods?

(3) How have the FBCOs' priorities and practices changed between baseline and follow-up periods?

(4) What partnerships and cooperative agreements have been put in place to support the program?

(5) How do the changes observed in sub-grantees' results and practices differ from those observed in the FBCOs in a comparison group that did not receive grant money or technical assistance?

(6) Do outcomes differ across various program types and grantee characteristics?

The data will be used to advise the National Institute of Justice and the Office of Victims of Crime.

(5) *An estimate of the total number of respondents and the amount of time estimated for an average respondent to respond*: The estimated number of respondents is 100. The survey will take an average of 25 minutes to complete.

(6) *An estimate of the total public burden (in hours) associated with this collection*: An estimated 42 hours of public burden is associated with this collection.

If additional information is required contact: Robert B. Briggs, Department Clearance Officer, Information Management and Security Staff, Justice Management Division, Department of Justice, Patrick Henry Building, Suite 1600, 601 D Street, NW., Washington, DC 20530.

Dated: May 8, 2006.

**RAILROAD RETIREMENT BOARD****Proposed Collection; Comment Request**

**SUMMARY:** In accordance with the requirement of Section 3506 (c)(2)(A) of the Paperwork Reduction Act of 1995 which provides opportunity for public comment on new or revised data collections, the Railroad Retirement Board (RRB) will publish periodic summaries of proposed data collections.

*Comments are invited on:* (a) Whether the proposed information collection is necessary for the proper performance of the functions of the agency, including whether the information has practical utility; (b) the accuracy of the RRB's estimate of the burden of the collection of the information; (c) ways to enhance the quality, utility, and clarity of the information to be collected; and (d) ways to minimize the burden related to the collection of information on respondents, including the use of automated collection techniques or other forms of information technology.

*Title and purpose of information collection:*

Employer Reporting; OMB 3220-0005.

Under Section 9 of the Railroad Retirement Act (RRA), and Section 6 of the Railroad Unemployment Insurance Act (RUIA), railroad employers are required to submit reports of employee service and compensation to the RRB as needed for administering the RRA and RUIA. To pay benefits due on a deceased employee's earnings records or determine entitlement to, and amount of annuity applied for, it is necessary at times to obtain from railroad employers current (lag) service and compensation not yet reported to the RRB through the annual reporting process. The reporting requirements are specified in 20 CFR 209.

The RRB currently utilizes Form G-88a.1, Notice of Retirement and Verification of Date Last Worked, Form G-88a.2, Notice of Retirement and Request for Service Needed for Eligibility, and Form AA-12, Notice of Death and Compensation, to obtain the required lag service and related information from railroad employers. Form G-88a.1 is a computer-generated listing sent by the RRB to railroad employers and used for the specific purpose of verifying information previously provided to the RRB regarding the date last worked by an employee. If the information is correct, the employer need not reply. If the information is incorrect, the employer is asked to provide corrected information. Form G-88a.2 is used by the RRB to
