

beginning of each month, State agencies still performing the traditional sample are required to submit sample selection lists which identify all of the cases selected for review in the States' samples. The sample selection lists contain identifying information on Medicaid beneficiaries such as: State agency review number; beneficiary's name and address; the name of the county where beneficiary resides; Medicaid case number, etc. The submittal of the sample selection lists is necessary for regional office (RO) validation of State reviews. Without these lists, the integrity of the sampling results would be suspect and the ROs would have no data on the adequacy of the States' monthly sample draw or review completion status.; *Form Number:* CMS-319 (OMB#: 0938-0147); *Frequency:* Reporting—Monthly; *Affected Public:* State, Local or Tribal governments; *Number of Respondents:* 10; *Total Annual Responses:* 120; *Total Annual Hours:* 960.

**BILLING CODE 4120-01-P**

**DEPARTMENT OF HEALTH AND HUMAN SERVICES**

**Office of Inspector General**

**Program Exclusions: March & April 2006**

**AGENCY:** Office of Inspector General, HHS.

**ACTION:** Notice of program exclusions.

**During the months of March & April 2006, the HHS**

Office of Inspector General imposed exclusions in the cases set forth below. When an exclusion is imposed, no program payment is made to anyone for any items or services (other than an emergency item or service not provided in a hospital emergency room) furnished, ordered or prescribed by an excluded party under the Medicare, Medicaid, and all Federal Health Care programs. In addition, no program payment is made to any business or facility, e.g., a hospital, that submits bills for payment for items or services provided by an excluded party. Program beneficiaries remain free to decide for themselves whether they will continue to use the services of an excluded party even though no program payments will be made for items and services provided by that excluded party. The exclusions have national effect and also apply to all Executive Branch procurement and non-procurement programs and activities.
