Bureau of Educational and Cultural Affairs (ECA); Request for Grant Proposals: Regional Educational Advising Coordinator Program

Announcement Type: New Cooperative Agreement.

Funding Opportunity Number: ECA/A/S/A-07-03.

Catalog of Federal Domestic Assistance Number: 00.000.

Key Dates: Program start date: October 1, 2006.

Application Deadline: July 10, 2006.

Executive Summary: The Educational Information and Resources Branch in the Office of Global Educational Programs of the Bureau of Educational and Cultural Affairs (ECA) announces an open competition for a cooperative agreement to support the Regional Educational Advising Coordinator (REAC) Program. The underlying goal of this cooperative agreement is to foster international student mobility between the United States and the rest of the world. The grantee organization will provide programmatic oversight and coordination, communication and information channels, training and logistical support, and human resource services to eight REACs, thus assuring their capacity to supply the EducationUSA network of 450 State Department-supported educational

advising centers with adequate resources and professional training, and in turn, hundreds of thousands of overseas students with objective, accurate and timely information on U.S. higher education. The grantee organization will also ensure that the Bureau, U.S. embassies and Fulbright commissions receive thoughtful assessments of issues concerning advising centers and regional trends in student mobility from the REACs.

Non-profit higher education organizations with the infrastructure to manage programs in all regions of the world may submit proposals which demonstrate their knowledge of international student mobility, understanding of the needs of the EducationUSA network, and the capacity to support REACs based in Ghana, Germany, Mexico, Morocco, Pakistan, Peru, Russia, and Thailand. Pending availability of FY07 funding, this grant will provide an assistance award in the range of \$1,273,000 to \$1,433,000.

I. Funding Opportunity Description

Authority

Overall grant making authority for this program is contained in the Mutual Educational and Cultural Exchange Act of 1961, Public Law 87-256, as amended, also known as the Fulbright-Hays Act. The purpose of the Act is "to enable the Government of the United States to increase mutual understanding between the people of the United States and the people of other countries* * *; to strengthen the ties which unite us with other nations by demonstrating the educational and cultural interests, developments, and achievements of the people of the United States and other nations...and thus to assist in the development of friendly, sympathetic and peaceful relations between the United States and the other countries of the world." The funding authority for the program above is provided through legislation.

Purpose

The State Department and ECA are committed to facilitating and increasing the flow of international students to the U.S. in order to provide future world leaders with opportunities to understand U.S. society, culture and values. The REACs' role is critical to the Bureau's pursuit of this objective.

REACs and the EducationUSA advisers they support are catalysts for the exchange of U.S. Government-sponsored students and scholars as well as those who pursue U.S. educational programs through their own means or
