Staff report.—A staff report containing information concerning the subject matter of the review will be placed in the nonpublic record on June 29, 2006, and made available to persons on the Administrative Protective Order service list for this review. A public version will be issued thereafter,

¹ A record of the Commissioners' votes, the Commission's statement on adequacy, and any individual Commissioner's statements will be available from the Office of the Secretary and at the Commission's Web site.

² Commissioner Daniel R. Pearson concluded that the domestic group response was adequate and the respondent group response was inadequate, but that circumstances warranted a full review.
