#### A Framework for Assessing Health Risks of Environmental Exposures to Children

**AGENCY:** Environmental Protection Agency (EPA).

**ACTION:** Notice of Peer-Review Workshop.

**SUMMARY:** EPA is announcing that Eastern Research Group, Inc., an EPA contractor for external scientific peer review, plans to convene an independent panel of experts and organize and conduct an external peer review workshop to review the external review draft document titled, "A Framework for Assessing Health Risks of Environmental Exposures to Children" (EPA/600/R-05/093A). The draft document was prepared by the National Center for Environmental Assessment (NCEA) within EPA's Office of Research and Development. This document is available on the Internet at: <http://cfpub.epa.gov/ncea/cfm/recordisplay/cfm?deid=150263>.

EPA is releasing this draft document solely for the purpose of pre-dissemination peer review under applicable information quality guidelines. This document has not been formally disseminated by EPA. It does not represent and should not be construed to represent any Agency policy or determination. Eastern Research Group, Inc. invites the public to register to attend this workshop as observers. In addition, Eastern Research Group, Inc. invites the public to give oral and/or provide written comments at the workshop regarding the draft document under review. The draft document and EPA's peer review charge are available primarily via the Internet on NCEA's home page under the Recent Additions and the Data and Publications menus at <http://www.epa.gov/ncea>. On March 14, 2006, EPA announced a 45-day public comment period on the draft document (71 FR 13125). The public comment period and the external peer review workshop are separate processes that provide opportunities for all interested parties to comment on the document. EPA has provided Eastern Research Group, Inc. with the public comments EPA received. In preparing a final report, EPA will consider public comments it received during the public comment period and will consider the Eastern Research Group, Inc. report of the comments and recommendations
