AGENCY: Import Administration, International Trade Administration, Department of Commerce.

SUMMARY: In response to requests from V & M do Brasil, S.A. (VMB), the respondent, and United States Steel Corporation (U.S. Steel), the petitioner, the Department of Commerce (the Department) is conducting an administrative review of the antidumping duty order on certain small diameter seamless carbon and alloy steel standard, line and pressure pipe (seamless pipe) from Brazil (A-351-826). This administrative review covers imports of seamless pipe from VMB. The period of review (POR) is August 1, 2004, through July 31, 2005.

If these preliminary results are adopted in the final results of this administrative review, we will instruct U.S. Customs and Border Protection (CBP) to liquidate appropriate entries without regard to antidumping duties. Interested parties are invited to comment on these preliminary results. Parties who submit arguments in this proceeding are requested to submit: (1) A statement of the issues, (2) a brief summary of the argument, and (3) a table of authorities.
