

of the VRS providers' service, and all VRS providers must be able to receive calls from, and make calls to, any VRS consumer. As consumers increasingly rely on VRS as their preferred means of using TRS to access the telephone system, the Commission finds that it is in the public interest that all VRS consumers can place and receive calls through any VRS providers' service in the event of emergency and urgency. Therefore, this *Declaratory Ruling* concludes that providers must ensure that all VRS consumers can place and receive calls through any of the VRS providers' service in order to receive compensation from the Interstate TRS Fund. The Interstate TRS Fund administrator distributes the VRS providers for reasonable costs of providing VRS. Each year, the Interstate TRS Fund administrator, the National Exchange Carrier Association, Inc. (NECA), proposes the compensation rates for the various forms of TRS, including VRS, to the Commission. NECA collects and reviews projected cost and minutes of use data submitted by TRS providers to determine the annual TRS compensation rates. Reasonable compliance cost is included in the projected cost submitted by TRS providers. See paragraphs 8–9, *supra*. See also, TRS Fund Performance Status Reports maintained by National Exchange Carrier Association (NECA) as of October 31, 2005, <http://www.neca.org> (under Resources, then TRS Fund). In order to be compensated for the costs of providing VRS, the providers are required to meet the applicable TRS mandatory minimum standards as required in § 64.604. See generally 47 CFR 64.604(c)(5)(iii)(E) of the Commission's rules. Reasonable costs of compliance with this *Declaratory Ruling* are compensable from the Fund. Because the providers will be recouped for the costs of compliance within a reasonable period, the Commission asserts that the providers will not be detrimentally burdened. Therefore, the Commission certifies that the requirements of the *Declaratory Ruling* will not have a significant economic impact on a substantial number of small entities.

The Commission also notes that, arguably, there are not a substantial number of small entities that will be affected by our action. The SBA has developed a small business size standard for Wired Telecommunications Carriers, which consists of all such firms having 1,500 or fewer employees. 13 CFR 121.201 of the Commission's rules, NAICS code 517110. According to Census Bureau data for 1997, there were

2,225 firms in this category which operated for the entire year. U.S. Census Bureau, 1997 Economic Census, Subject Series: Information, "Establishment and Firm Size (Including Legal Form of Organization)," Table 5, NAICS code 513310 (issued Oct. 2000). Of this total, 2,201 firms had employment of 999 or fewer employees, and an additional 24 firms had employment of 1,000 employees or more. Thus, under this size standard, the majority of firms can be considered small. (The census data do not provide a more precise estimate of the number of firms that have employment of 1,500 or fewer employees; the largest category provided is "Firms with 1,000 employees or more.") Currently, only eight providers are providing VRS and being compensated from the Interstate TRS Fund: AT&T Corp.; Communication Access Center for the Deaf and Hard of Hearing, Inc.; Hamilton Relay, Inc.; Hands On; MCI; Nordia Inc.; Sorenson; and Sprint. The Commission notes that two of the providers noted above are small entities under the SBA's small business size standard. Because two of the affected providers will be promptly compensated within a reasonable period for complying with this *Declaratory Ruling*, the Commission concludes that the number of small entities affected by our decision in this Order is not substantial. Therefore, the Commission certifies that the requirements of this *Declaratory Ruling* will not have a significant economic impact on a substantial number of small entities. The Commission will send a copy of this Final Regulatory Flexibility Certification, in a report to Congress pursuant to the Congressional Review Act. See 5 U.S.C. 801(a)(1)(A). In addition, the *Declaratory Ruling* and this final certification will be sent to the Chief Counsel for Advocacy of the SBA. See 5 U.S.C. 605(b).

Congressional Review Act

The Commission will not send a copy of the *Declaratory Ruling* pursuant to the Congressional Review Act because the adopted rules are rules of particular applicability. See 5 U.S.C. 801(a)(1)(A).

Ordering Clauses

Pursuant to the authority contained in sections 1.2 and 225 of the Communications Act of 1934, as amended, 47 U.S.C. 151, 152 and 225, the *Declaratory Ruling* is adopted. CCASDHH's Petition is granted to the extent indicated herein. The *Declaratory Ruling* shall become effective July 31, 2006.

The Commission will send a copy of the *Declaratory Ruling*, including a copy of this Regulatory Flexibility Certification, to the Chief Counsel for Advocacy of the SBA.
