

proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. FICC has prepared summaries, set forth in sections A, B, and C below, of the most significant aspects of such statements.⁴

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

The purpose of the proposed rule change is to modify Rules 1 and 4(b)(ii) of FICC's Government Securities Division's ("GSD") rulebook to clarify that an entity that is neither a bank nor a trust company but does have direct access to a Federal Reserve Bank and the National Settlement System of the Federal Reserve is eligible to become a GSD funds-only settling bank member.⁵

FICC believes that the proposed rule change is consistent with the requirements of Section 17A of the Act⁶ and the rules thereunder because it makes a necessary technical change to the membership provisions for funds-only settling banks.

B. Self-Regulatory Organization's Statement on Burden on Competition

FICC does not believe that the proposed rule change will have any impact or impose any burden on competition.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others

Written comments relating to the proposed rule change have not yet been solicited or received. FICC will notify the Commission of any written comments it receives.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

The foregoing rule change has become effective pursuant to section 19(b)(3)(A)(i)⁷ of the Act and Rule 19b-4(f)(1)⁸ thereunder because it constitutes a stated policy, practice, or interpretation with respect to the meaning, administration, or enforcement of an existing rule. At any time within 60 days of the filing of the proposed rule change, the Commission

may summarily abrogate such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act.

Self-Regulatory Organizations; International Securities Exchange, Inc.; Notice of Filing and Immediate Effectiveness of Proposed Rule Change and Amendment No. 1 Thereto Relating to Cancellation Fee Changes

May 24, 2006.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 ("Act"),¹ and Rule 19b-4 thereunder,² notice is hereby given that on May 1, 2006, the International Securities Exchange, Inc. ("ISE" or "Exchange") filed with the Securities and Exchange Commission ("Commission") the proposed rule change concerning the Exchange's cancellation fee as described in Items I, II, and III below, which Items have been prepared by the ISE. On May 18, 2006, the ISE submitted an amendment to the proposed rule change ("Amendment No. 1").³ The ISE has filed the proposed rule change as one establishing or changing a due, fee, or other charge imposed by the ISE under Section 19(b)(3)(A)(ii) of the Act⁴ and Rule 19b-4(f)(2) thereunder,⁵ which renders the proposal effective upon filing with the Commission. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

cancellation fee. The text of the proposed rule change is available on the Exchange's Internet Web site (http://www.iseoptions.com/legal/proposed_rule_changes.asp), at the principal office of the ISE, and at the Commission's Public Reference Room.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the ISE included statements concerning the purpose of, and basis for, the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The ISE has prepared summaries, set forth in Sections A, B, and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

The purpose of this proposed rule change is to amend the ISE's cancellation fee. Through June 2005, the Exchange charged Electronic Access Members ("EAMs") \$1 per order canceled in excess of the number of orders executed. In File No. SR-ISE-2005-31 ("Fee Amendment"), the Exchange amended that fee in a rule change effective on filing pursuant to Section 19(b)(3)(A) of the Act.⁶ To address problems the Exchange encountered in applying the cancellation fee, the Fee Amendment applied the fee: (1) On the cancellation activity of each of an EAM's customers (including itself when it self-clears), rather than the aggregate activity of all of an EAM's customers; and (2) on a per-contract, rather than a per-order basis.

Upon the Exchange's filing of the Fee Amendment, the Commission received a number of comment letters raising objections to the proposal. According to the Exchange, based on those comment letters, the Commission staff informed the ISE that it believed that the proposed fee should be subject to formal comment pursuant to Section 19(b)(2) of the Act. Accordingly, the Exchange submitted File No. SR-ISE-2005-36, which reinstated the cancellation fee as it was in effect prior to the submission of the Fee Amendment. The Exchange thereafter submitted File No. SR-ISE-2005-37 (the "19(b)(2) Fee

Amendment"), a proposed rule change pursuant to Section 19(b)(2) of the Act to implement the same change that had previously been adopted in the Fee Amendment. The Exchange is withdrawing the 19(b)(2) Fee Amendment filing and submitting the instant filing.

Since the inception of the cancellation fee (except during the month of July 2005), the Exchange has charged EAMs \$1 per order canceled in excess of the number of orders executed.⁷ Recognizing that order cancellations often happen in large numbers, the purpose of the fee was to ease congestion in the ISE Order Routing System ("IORS") and to fairly allocate costs among members according to system use. According to the Exchange, experience shows that two limitations are preventing the fee from fully achieving its intended effect. First, the ISE applies the fee to the aggregate number of orders a clearing EAM cancels on behalf of itself and its customers, which tends to mask the activity of the EAM's particular customers who are responsible for the cancellations. Second, because the Exchange applies the fee on a per order basis, firms have adjusted trading activity solely to avoid this fee by executing small orders to offset the cancellation of larger orders. ISE states that, if anything, this increases message traffic as firms enter more small orders to mask their order cancellations.

To address these concerns, the ISE first proposes to charge a clearing EAM based on the cancellation activity of each of its customers (including itself when it self-clears). The Exchange has enhanced its systems so that it now can identify the specific broker-dealer customers of a clearing EAM who enters and cancels orders. This will allow the Exchange to identify and charge for cancellation activity beyond aggregate numbers. The ISE similarly will be able to provide clearing EAMs with the information necessary for them to pass through resulting cancellation charges to their customers.⁸

Further, for purposes of calculating the number of trades that may offset cancellations, the Exchange proposes to consider all orders executed by the same firm in the same series on the same side of the market at the same price within 30 seconds as only one execution. The

Exchange believes that this will remove the incentive for an EAM to enter multiple orders in rapid succession. To ensure that the Exchange covers only activity that is truly excessive and inappropriately uses bandwidth and system capacity, the Exchange proposes to exclude from the cancellation fee orders that improve ISE's disseminated quotation at the time the orders were entered.

2. Statutory Basis

The basis for the proposed rule change is the requirement under Section 6(b)(4) of the Act⁹ that an exchange have an equitable allocation of reasonable dues, fees, and other charges among its members and other persons using its facilities. The ISE states that, in particular, these fees would permit the Exchange to recover capacity costs more equitably from among its members.

B. Self-Regulatory Organization's Statement on Burden on Competition

The proposed rule change does not impose any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants or Others

The Exchange has not solicited, and does not intend to solicit, comments on this proposed rule change. The Exchange has not received any unsolicited written comments from members or other interested parties.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

Because the foregoing proposed rule change, as amended, establishes or changes a due, fee, or other charge imposed by the Exchange, it has become effective pursuant to Section 19(b)(3)(A) of the Act¹⁰ and Rule 19b-4(f)(2)¹¹ thereunder. At any time within 60 days of the filing of the proposed rule change the Commission may summarily abrogate such proposed rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act.¹²
