

new trading model, which features an automated Matching System into which orders may be sent for execution, but which does not involve the use of specialists to handle customer orders.⁶ Instead, in this new model, off-Exchange market makers may choose to handle customer orders, sending those orders to the Exchange or to other venues for execution. Because the Exchange hopes to be able to implement its new model in the second quarter of 2006, the Exchange believes that the right to trade securities as an Exchange specialist has only a short-term benefit. For that reason, the Exchange has filed another proposal to reduce the assignment fees to \$500 per security, regardless of the number of participants competing for the assignments and regardless of the type of security that is being assigned.⁷ Through this proposed rule change, the Exchange seeks to make the assignment fee reduction effective, on a retroactive basis, to March 1, 2006. The Exchange believes that this retroactive effectiveness will appropriately allow the Exchange to apply the fee reduction to assignments that have been made in recent weeks, when the Exchange's management began talking with specialist firms about the reasons for, and possibility of, this type of fee reduction.

2. Statutory Basis

The Exchange believes that the proposed rule change is consistent with section 6(b)(4) of the Act⁸ in that it provides for the equitable allocation of reasonable dues, fees and other charges among its members and creates an appropriate (and limited) incentive for a firm to agree to act as specialist on a temporary basis.

B. Self-Regulatory Organization's Statement on Burden on Competition

The Exchange does not believe that the proposed rule changes will impose any burden on competition.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants or Others

No written comments were either solicited or received.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

Within 35 days of the date of publication of this notice in the **Federal Register** or within such longer period (i) as the Commission may designate up to 90 days of such date if it finds such longer period to be appropriate and publishes its reasons for so finding or (ii) as to which the Exchange consents, the Commission will:

- (A) By order approve such proposed rule change, or
- (B) Institute proceedings to determine whether the proposed rule change should be disapproved.

SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-53863; No. SR-FICC-2006-06]

Self-Regulatory Organizations; Fixed Income Clearing Corporation; Notice of Filing and Immediate Effectiveness of a Proposed Rule Change Relating to Eligibility To Become a Funds-Only Settling Bank Member

May 24, 2006.

Pursuant to section 19(b)(1) of the Securities Exchange Act of 1934 ("Act"),¹ notice is hereby given that on April 6, 2006, the Fixed Income Clearing Corporation ("FICC") filed with the Securities and Exchange Commission ("Commission") the proposed rule change as described in Items I, II, and III below, which Items have been prepared primarily by FICC. FICC filed the proposed rule change pursuant to section 19(b)(3)(A)(i) of the Act² and Rule 19b-4(f)(1)³ thereunder so that the proposal was effective upon filing with the Commission. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change

The proposed rule change will clarify the types of entities that are eligible to become a funds-only settling bank member.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, FICC included statements concerning the purpose of and basis for the

⁶ See SR-CHX-2006-05.

⁷ See *supra* note 3. The Exchange believes that it is appropriate to maintain at least a \$500 assignment fee to help defray the costs of the assignment process. The Exchange will continue to charge no fee when securities are assigned without competition.

proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. FICC has prepared summaries, set forth in sections A, B, and C below, of the most significant aspects of such statements.⁴

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

The purpose of the proposed rule change is to modify Rules 1 and 4(b)(ii) of FICC's Government Securities Division's ("GSD") rulebook to clarify that an entity that is neither a bank nor a trust company but does have direct access to a Federal Reserve Bank and the National Settlement System of the Federal Reserve is eligible to become a GSD funds-only settling bank member.⁵

FICC believes that the proposed rule change is consistent with the requirements of Section 17A of the Act⁶ and the rules thereunder because it makes a necessary technical change to the membership provisions for funds-only settling banks.

B. Self-Regulatory Organization's Statement on Burden on Competition

FICC does not believe that the proposed rule change will have any impact or impose any burden on competition.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others

Written comments relating to the proposed rule change have not yet been solicited or received. FICC will notify the Commission of any written comments it receives.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

The foregoing rule change has become effective pursuant to section 19(b)(3)(A)(i)⁷ of the Act and Rule 19b-4(f)(1)⁸ thereunder because it constitutes a stated policy, practice, or interpretation with respect to the meaning, administration, or enforcement of an existing rule. At any time within 60 days of the filing of the proposed rule change, the Commission

may summarily abrogate such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act.
