Information Required From Interested Parties

Domestic interested parties (defined in section 771(9)(C), (D), (E), (F), and (G) of the Act and 19 CFR 351.102(b)) wishing to participate in these Sunset Reviews must respond not later than 15 days after the date of publication in the **Federal Register** of this notice of initiation by filing a notice of intent to participate. The required contents of the notice of intent to participate are set forth at 19 CFR 351.218(d)(1)(ii). In accordance with the Department's regulations, if we do not receive a notice of intent to participate from at least one domestic interested party by the 15-day deadline, the Department will automatically revoke the orders without further review. *See* 19 CFR 351.218(d)(1)(iii).

If we receive an order-specific notice of intent to participate from a domestic interested party, the Department's regulations provide that *all parties* wishing to participate in the Sunset Review must file complete substantive responses not later than 30 days after the date of publication in the **Federal Register** of this notice of initiation. The required contents of a substantive response, on an order-specific basis, are set forth at 19 CFR 351.218(d)(3). Note that certain information requirements differ for respondent and domestic parties. Also, note that the Department's information requirements are distinct from the Commission's information requirements. Please consult the Department's regulations for information regarding the Department's conduct of Sunset Reviews.¹ Please consult the Department's regulations at 19 CFR Part 351 for definitions of terms and for other general information concerning antidumping and countervailing duty proceedings at the Department.

This notice of initiation is being published in accordance with section 751(c) of the Act and 19 CFR 351.218(c).

¹ In comments made on the interim final sunset regulations, a number of parties stated that the proposed five-day period for rebuttals to substantive responses to a notice of initiation was insufficient. This requirement was retained in the final sunset regulations at 19 CFR 351.218(d)(4). As provided in 19 CFR 351.302(b), however, the Department will consider individual requests for extension of that five-day deadline based upon a showing of good cause.

ACTION: Notice of upcoming sunset reviews.

Background

Every five years, pursuant to section 751(c) of the Tariff Act of 1930, as amended, the Department of Commerce (“the Department”) and the International Trade Commission automatically initiate and conduct a review to determine whether revocation of a countervailing or antidumping duty order or termination of an investigation suspended under section 704 or 734 would be likely to lead to continuation or recurrence of dumping or a countervailable subsidy (as the case may be) and of material injury. As a courtesy, the Department provides advance notice of these cases that are scheduled for sunset reviews one month before those reviews are initiated.

FOR FURTHER INFORMATION CONTACT: Zev Primor, Office 4, AD/CVD Operations, Import Administration, International Trade Administration, U.S. Department of Commerce at (202) 482–4114.

Upcoming Sunset Reviews

There are no sunset reviews scheduled for initiation in July 2006.

Notice of Antidumping Duty Order: Certain Artist Canvas from the People's Republic of China

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

SUMMARY: Based on affirmative final determinations by the Department of Commerce (“the Department”) and the International Trade Commission (“ITC”), the Department is issuing an antidumping duty order on certain artist canvas from the People's Republic of China (“PRC”). On May 15, 2006, the ITC notified the Department of its affirmative determination of material injury to a U.S. industry (*Artist Canvas from China*, Investigation No. 731–TA–1091 (Final), Publication 3853, May 2006).

EFFECTIVE DATE: June 1, 2006.

FOR FURTHER INFORMATION CONTACT: Michael Holton, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue NW, Washington, DC 20230; telephone: (202) 482–1324.

SUPPLEMENTARY INFORMATION:

Background

In accordance with section 735(d) and 777(i)(1) of the Tariff Act of 1930, as amended (“the Act”), on March 30, 2006, the Department published the *Notice of Final Determination of Sales at Less Than Fair Value: Certain Artist Canvas from the People's Republic of China*, 71 FR 16116 (March 30, 2006) (“*Final Determination*”). A notice of correction was published on May 8, 2006 to correct one of the exporter and producer names that was published in the *Final Determination*. *See Notice of Correction to Notice of Final Determination of Sales at Less Than Fair Value: Certain Artist Canvas from the People's Republic of China*, 71 FR 26735 (May 8, 2006).

Scope of Order

The products covered by this order are artist canvases regardless of dimension and/or size, whether assembled or unassembled, that have been primed/coated, whether or not made from cotton, whether or not archival, whether bleached or unbleached, and whether or not containing an ink receptive top coat. Priming/coating includes the application of a solution, designed to promote the adherence of artist materials, such as paint or ink, to the fabric. Artist canvases (*i.e.*, pre-stretched canvases, canvas panels, canvas pads, canvas rolls (including bulk rolls that have been primed), printable canvases, floor cloths, and placemats) are tightly woven prepared painting and/or printing surfaces. Artist canvas and stretcher strips (whether or not made of wood and whether or not assembled) included within a kit or set are covered by this proceeding.

Artist canvases subject to this order are currently classifiable under subheadings 5901.90.20.00 and 5901.90.40.00 of the Harmonized Tariff Schedule of the United States (“HTSUS”). Specifically excluded from the scope of this order are tracing cloths, “paint-by-number” or “paint-it-yourself” artist canvases with a copyrighted preprinted outline, pattern, or design, whether or not included in a painting set or kit.¹ Also excluded are stretcher strips, whether or not made from wood, so long as they are not incorporated into artist canvases or sold as part of an artist canvas kit or set. While the HTSUS subheadings are provided for convenience and customs purposes, our written description of the scope of this proceeding is dispositive.

Additionally, we have determined that canvas woven and primed in India but cut and stretched in the PRC and exported from the PRC is not subject to the order covering artist canvas from the PRC.

Antidumping Duty Order

On May 15, 2006, in accordance with section 735(d) of the Act, the ITC notified the Department of its final determination pursuant to section 735(b)(1)(A)(i) of the Act that an industry in the United States is materially injured by reason of less-than-fair-value imports of subject merchandise from the PRC. Therefore, in accordance with section 736(a)(1) of the Act, the Department will direct U.S. Customs and Border Protection (“CBP”) to assess, upon further instruction by the Department, antidumping duties equal to the amount by which the normal value of the merchandise exceeds the export price (or constructed export price) of the merchandise for all relevant entries of certain artist canvas from the PRC. These antidumping duties will be assessed on all unliquidated entries of certain artist canvas from the PRC entered, or withdrawn from the warehouse, for consumption on or after November 7, 2005, the date on which the Department published its *Notice of Preliminary Determination of Sales at Less Than Fair Value: Certain Artist Canvases from the People’s Republic of China*, 70 FR 67412 (November 7, 2005) (“*Preliminary Determination*”).

Section 733(d) of the Act states that instructions issued pursuant to an affirmative preliminary determination may not remain in effect for more than four months except where exporters representing a significant proportion of

exports of the subject merchandise request the Department to extend that four-month period to no more than six months. At the request of exporters that account for a significant proportion of the PRC exports of the subject merchandise, we extended the four-month period to no more than six months. *See Preliminary Determination*. In this investigation, the six-month period beginning on the date of the publication of the preliminary determination ends on May 5, 2006. Furthermore, section 737 of the Act states that definitive duties are to begin on the date of publication of the ITC’s final injury determination. Therefore, in accordance with section 733(d) of the Act and our practice, we will instruct CBP to terminate the suspension of liquidation and to liquidate, without regard to antidumping duties, unliquidated entries of artist canvas from the PRC entered, or withdrawn from warehouse, for consumption on or after May 6, 2006, and before the date of publication of the ITC’s final injury determination in the **Federal Register**. Suspension of liquidation will resume on the date of publication of the ITC’s final injury determination in the **Federal Register**.

Effective on the date of publication of the ITC’s final affirmative injury determination, CBP officers will require, at the same time as importers would normally deposit estimated duties on this merchandise, a cash deposit equal to the estimated weighted-average antidumping duty margins as listed below. The “PRC-wide” rate applies to all exporters of subject merchandise not specifically listed. The weighted-average dumping margins are as follows:

Notice of Final Results of Antidumping Duty Changed Circumstances Review; Certain Forged Stainless Steel Flanges From India

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

SUMMARY: On March 9, 2006, the Department of Commerce (the Department) published a notice of preliminary results of changed circumstances review of the antidumping duty order on certain forged stainless steel flanges (flanges) from India in which we preliminarily determined that Hilton Metal Forging Ltd. (HMFL) is the successor-in-interest company to Hilton Forge. *See Notice of Preliminary Results of Antidumping Duty Changed Circumstances Review: Certain Forged Stainless Steel Flanges from India*, 71 FR 12177 (March 9, 2006) (*Preliminary Results*). We gave interested parties an opportunity to comment on the preliminary results, but received no comments. Therefore, the final results do not differ from the preliminary results.

EFFECTIVE DATE: June 1, 2006.

FOR FURTHER INFORMATION CONTACT: Fred Baker or Robert James, AD/CVD Operations, Office 7, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, NW, Washington, DC 20230, telephone: (202) 482-2924 or (202) 482-0649, respectively.

SUPPLEMENTARY INFORMATION:

Background

On November 14, 2005, Hilton Forge requested that the Department conduct a changed circumstances review of the antidumping duty order on flanges from India pursuant to section 751(b) of the Tariff Act of 1930, as amended (the Tariff Act), and 19 CFR 351.216. Hilton Forge claimed that HMFL is the successor-in-interest to Hilton Forge, the latter having converted itself from a partnership firm into a company limited by shares, and having changed its name to HMFL. As such, Hilton Forge argues HMFL should be entitled to receive the same antidumping treatment as Hilton Forge. On January 18, 2006, and February 3, 2006, at the request of the Department, HMFL submitted additional information and documentation pertaining to this changed circumstances request.

On March 9, 2006, the Department published the preliminary results of review, and invited interested parties to comment. *See Preliminary Results*. We received no comments.

Scope of the Order

The products covered by this order are certain forged stainless steel flanges, both finished and not finished, generally manufactured to specification ASTM A-182, and made in alloys such as 304, 304L, 316, and 316L. The scope includes five general types of flanges. They are weld-neck, used for butt-weld line connection; threaded, used for threaded line connections; slip-on and lap joint, used with stub-ends/butt-weld line connections; socket weld, used to fit pipe into a machined recession; and blind, used to seal off a line. The sizes of the flanges within the scope range generally from one to six inches; however, all sizes of the above-described merchandise are included in the scope. Specifically excluded from the scope of this order are cast stainless steel flanges. Cast stainless steel flanges generally are manufactured to specification ASTM A-351. The flanges subject to this order are currently classifiable under subheadings 7307.21.1000 and 7307.21.5000 of the Harmonized Tariff Schedule of the United States (HTSUS). Although the HTS subheading is provided for convenience and customs purposes, the written description of the merchandise under review is dispositive.

Final Results of Review

In antidumping duty changed circumstances reviews involving a successor-in-interest determination, the Department typically examines several factors including, but not limited to,

changes in: (1) management; (2) production facilities; (3) supplier relationships; and (4) customer base. *See Brass Sheet and Strip from Canada: Notice of Final Results of Antidumping Administrative Review*, 57 FR 20460, 20462 (May 13, 1992) and *Certain Cut-to-Length Carbon Steel Plate from Romania: Initiation and Preliminary Results of Changed Circumstances Antidumping Duty Administrative Review*, 70 FR 22847 (May 3, 2005) (*unchanged in final*, 70 FR 35624 (June 21, 2005) (*Plate from Romania*). While no single factor or combination of factors will necessarily be dispositive, the Department generally will consider the new company to be the successor to the predecessor company if the resulting operations are similar to those of the predecessor company. *See, e.g., Industrial Phosphoric Acid from Israel: Final Results of Changed Circumstances Review*, 59 FR 6944, 6945 (February 14, 1994), and *Plate from Romania*, 70 FR 22847. Thus, if the record evidence demonstrates that, with respect to the production and sale of the subject merchandise, the new company operates as the same business entity as the predecessor company, the Department may assign the new company the cash deposit rate of its predecessor. *See, e.g., Fresh and Chilled Atlantic Salmon from Norway: Final Results of Changed Circumstances Antidumping Duty Administrative Review*, 64 FR 9979, 9980 (March 1, 1999).

We have examined the information HMFL provided, and determined that HMFL is the successor-in-interest to Hilton. Hilton Forge's name change to HMFL and its conversion from a limited partnership firm into a company limited by shares have not changed the operations of the company in a meaningful way. HMFL's management, production facilities, supplier relationships, sales facilities, and customer base are essentially unchanged from those of Hilton Forge. Therefore, the record evidence demonstrates that the new entity operates in the same manner as the predecessor company. Consequently, we determine that HMFL should receive the same antidumping duty treatment as Hilton Forge, *i.e.*, a 0.89 percent antidumping duty cash deposit rate.

Instructions to U.S. Customs and Border Protection (CBP)

We will inform CBP that Hilton Forge no longer exists as a separate corporate entity, and that we will assign the same company-specific number to HMFL as we assigned to Hilton Forge. We will also instruct CBP that it should apply to
