Predator Damage Management in Wilderness Areas

AGENCY: Forest Service, USDA.

ACTION: Notice of proposed directives; request for comment.

SUMMARY: The Forest Service is proposing to revise its directives on predator damage management in wilderness areas. Guidance to Forest officers in the management of predator damage in wilderness areas is contained in the Forest Service Manual (FSM) Title 2300, Recreation, Wilderness, and Related Resources Management and FSM 2600, Wildlife, Fish, and Sensitive Plant Habitat Management. These

proposed directives would conform agency direction regarding predator damage with provisions in an interdepartmental Memorandum of Understanding (MOU) between the USDA Animal and Plant Health Inspection Service, Wildlife Services Division and the USDA Forest Service. The MOU, first entered into in 1993, was renewed in 1998, and again in 2004, with minor revisions. Comments received in response to this notice will be considered in development of the final directives for predator damage management on National Forest System lands, including wilderness.

DATES: Comments must be received in writing by August 7, 2006.

ADDRESSES: Send written comments to Forest Service, USDA, Attn: Director, Wilderness and Wild and Scenic Rivers Resources, 201 14th Street, SW., Washington, DC 20250; by electronic mail to PDM@fs.fed.us; or by fax to (202) 205-1145. Comments may also be submitted by following the instructions at the Federal e-Rulemaking portal, <http://www.regulations.gov>. If comments are sent by electronic mail or by fax, the public is requested not to send duplicate written comments via regular mail. Please confine written comments to issues pertinent to the proposed directives; explain the reasons for any recommended changes; and, where possible, reference the specific section or paragraph being addressed. The Forest Service may not include in the administrative record for the proposed directives those comments it receives after the comment period closes (see **DATES**) or comments delivered to an address other than those listed in this **ADDRESSES** section.

All comments, including names and addresses when provided, are placed in the record and are available for public inspection and copying. The public may inspect comments received on these proposed directives in the Office of the Director, Wilderness and Wild and Scenic Rivers Staff, Forest Service, USDA, 4th Floor-Central, Sidney R. Yates Federal Building, 1400 Independence Avenue, SW., Washington, DC, between the hours of 8:30 a.m. to 4 p.m. on business days.
