AGENCY: U.S. International Trade
Commission.

ACTION: Commission determination not
to close any part of the hearing to the
public.

SUMMARY: The Commission has
determined to deny the request of
respondent Nishiyama Kinzoku Ltd. Co.
("Nishiyama") to conduct a portion of
its hearing in the above-captioned
investigation scheduled for June 22,
2006, *in camera*. See Commission rules
201.13 and 201.36(b)(4) (19 CFR 201.13
and 201.36(b)(4)).

FOR FURTHER INFORMATION CONTACT: Karl
von Schritzt, Esq., Office of the General
Counsel, U.S. International Trade
Commission, telephone 202-205-3096.
Hearing-impaired individuals are
advised that information on this matter
may be obtained by contacting the
Commission's TDD terminal on 202-
205-1810.

SUPPLEMENTARY INFORMATION: The
Commission believes it should conduct
its business in public in all but the most

light of the nature of this investigation,
it will be able to assess adequately all
arguments raised by Nishiyama without
resorting to the extraordinary measure
of an *in camera* hearing. Accordingly,
the Commission has determined that the
public interest would be best served by
a hearing that is entirely open to the
public. See 19 CFR 201.36(c)(1).

Authority: This notice is provided
pursuant to Commission Rule 201.35(b) (19
CFR 201.35(b)).

DEPARTMENT OF LABOR

Employment Standards Administration

ACTION: Notice.

SUMMARY: The Department of Labor, as
part of its continuing effort to reduce
paperwork and respondent burden,

program to provide the general public
and Federal agencies with an
opportunity to comment on proposed
and/or continuing collections of
information in accordance with the
Paperwork Reduction Act of 1995
(PRA95) [44 U.S.C. 3506(c)(2)(A)]. This
program helps to ensure that requested

format, reporting burden (time and
financial resources) is minimized,
collection instruments are clearly
understood, and the impact of collection
requirements on respondents can be
properly assessed. Currently, the
Employment Standards Administration
is soliciting comments concerning the

proposed information collection request
can be obtained by contacting the office

ADDRESSES: Ms. Hazel M. Bell, U.S. Department of Labor, 200 Constitution Ave., NW., Room S-3201, Washington, DC 20210, telephone (202) 693-0418, fax (202) 693-1451, E-mail bell.hazel@dol.gov. Please use only one method of transmission for comments (mail, fax, or e-mail).

SUPPLEMENTARY INFORMATION:

I. Background

The Office of Workers' Compensation Programs (OWCP) is the agency responsible for administration of the Federal Employees' Compensation Act (FECA), 5 U.S.C. 8101, *et seq.*, the Black Lung Benefits Act (BLBA), 30 U.S.C. 901 *et seq.*, and the Energy Employees Occupational Illness Compensation Program Act of 2000 (EEOICPA), 42 U.S.C. 7384 *et seq.* All three of these statutes require that OWCP pay for medical treatment of beneficiaries; this medical treatment can include inpatient/outpatient hospital services, as well as services provided by nursing homes, skilled nursing facilities and home health aides in the home. In order to determine whether billed amounts are appropriate, OWCP needs to identify the patient, the specific services that were rendered and their relationship to the work-related injury or illness. The regulations implementing these statutes require the use of Form OWCP-92 or UB-92 for the submission of medical bills from institutional providers (20 CFR 10.801, 30.701, 725.405, 725.406, 725.701 and 725.704). The Uniform Billing, known as the paper UB-92, has been approved by the American Hospital Association, the Centers for Medicare and Medicaid Services, and the Civilian Health and Medical Program of the Uniformed Services (CHAMPUS), by various other government health care programs, and the private sector, to request payment to institutional providers of medical services. The paper UB-2 has been designed by the National Uniform Billing Committee and is neither a government-printed form nor distributed by OWCP; OWCP has, however, developed detailed instructions to ensure that it obtains the information needed to consider requests for payment from institutional providers using this form. This information collection is currently approved for use through January 31, 2007.

II. Review Focus

The Department of Labor is particularly interested in comments which:

- Evaluate whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility;
- Evaluate the accuracy of the agency's estimate of the burden of the proposed collection of information, including the validity of the methodology and assumptions used;
- Enhance the quality, utility and clarity of the information to be collected; and
- Minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology, *e.g.*, permitting electronic submissions of responses.

The Department of Labor seeks approval for the extension of this information collection in order to carry out its responsibility to provide payment covered medical services to injured employees who are covered under the FECA, BLBA and the EEOICPA.
