SUPPLEMENTARY INFORMATION: In 2004, as part of the outreach efforts on courthouse accessibility, the Access Board established a Federal advisory committee to advise the Access Board on issues related to the accessibility of courthouses, particularly courtrooms, including best practices, design solutions, promotion of accessible features, educational opportunities, and the gathering of information on existing barriers, practices, recommendations, and guidelines. On October 12, 2004, the Access Board published a notice appointing 31 members to the Courthouse Access Advisory Committee. 69 FR 60608 (October 12, 2004). Members of the Committee include designers and architects, disability groups, members of the judiciary, court administrators, representatives of the codes community and standard-setting entities, government agencies, and others with an interest in the issues to be explored. The Committee held its initial meeting on November 4 and 5, 2004. Members discussed the current requirements for accessibility, committee goals and objectives, and the establishment of subcommittees. The Committee established three subcommittees: Education, Courtrooms and Courthouses (areas unique to courthouses other than courtrooms).

The Committee has held quarterly meetings in the following cities: Phoenix (February 2005), Washington, DC (May 2005), Chicago (August 2005), San Francisco (November 2005), Washington, DC (February 2006), and Miami (May 2006). At each of these meetings, Committee members toured area courthouses and held full Committee and subcommittee sessions. At the next meeting in Boston, members will continue to address issues in meetings of the full Committee and of each of the subcommittees. Meeting minutes and other information about the Committee are available on the Access Board's website at <http://www.access-board.gov/caac/index.htm>.

Committee meetings are open to the public and interested persons can attend the meetings and communicate their views. Members of the public will have an opportunity to address the Committee on issues of interest to them and the Committee during public comment periods scheduled on each day of the meeting. Members of groups or individuals who are not members of the Committee are invited to participate

on the subcommittees. The Access Board believes that participation of this kind can be very valuable for the advisory committee process.

The meeting will be held at a site accessible to individuals with disabilities. Real-time captioning will be provided. Individuals who require sign language interpreters should contact David Yanchulis by June 30, 2006. Persons attending Committee meetings are requested to refrain from using perfume, cologne, and other fragrances for the comfort of other participants. Notices of future meetings will be published in the **Federal Register**.
