

Expiration Date of Approval: November 30, 2006.

Type of Request: Extension of a currently approved information collection.

Abstract: Section 333 of the Consolidated Farm and Rural Development Act (Con Act) (7 U.S.C. 1983) requires the Agencies to "graduate" their direct loan borrowers to other credit when they are able to do so. Graduation is required because the Government loans are not to be extended beyond a borrower's need for subsidized rates or Government credit. Borrowers must refinance their direct Government loan when other credit becomes available at reasonable rates and terms. If other credit is not available, the Agencies will continue to review the account for possible graduation at periodic intervals. Also, 7 CFR part 1951, subpart F, requires FSA to provide a financial prospectus to lenders who may be interested in providing credit to FSA direct farm loan borrowers with an FSA guarantee and interest assistance. The information collected to carry out these statutory mandates is financial data such as amount of income, operating expenses, asset values and liabilities. This information collection is then submitted by the Agencies to private creditors.

Estimate of Burden: Public reporting for this collection of information is estimated to average two hours per response.

Respondents: Individuals or households, business or other for profit and farms.

Estimated Number of Respondents: 18,383.

Estimated Number of Responses per Respondent: 1.

Estimated Number of Responses: 18,383.

Estimated Total Annual Burden on Respondents: 38,322 hours.

Copies of this information collection can be obtained from Renita Bolden, Regulations and Paperwork Management Branch, at (202) 692-0035.
