

accurate, have been filed in the provisional application) (if applicable);
 (J) English language translation under 37 CFR 1.52(d), a statement that the translation is accurate, and the processing fee under 37 CFR 1.17(i) (if the specification is in a non-English language);

(K) No preliminary amendments present on the filing date of the application; and

(L) No petition under 37 CFR 1.47 for a non-signing inventor.

Furthermore, if the application is a design application, the application must also comply with the requirements set forth in 37 CFR 1.151–1.154.

Applicant should also provide a suggested classification, by class and subclass, for the application on the transmittal letter, petition, or an application data sheet as set forth in 37 CFR 1.76(b)(3) so that the application can be expeditiously processed.

The petition to make special will be dismissed if the application omits an item or includes a paper that causes the Office of Initial Patent Examination (OIPE) to mail a notice during the formality review (*e.g.*, a notice of incomplete application, notice to file missing parts, notice to file corrected application papers, notice of omitted items, or notice of informal application). The opportunity to perfect a petition (Part II) does not apply to applications that are not in condition for examination on filing.

Reply Not Fully Responsive: If a reply to a non-final Office action is not fully responsive, but a *bona fide* attempt to advance the application to final action, the examiner may provide one month or thirty-days, whichever is longer, for applicant to supply the omission or a fully responsive reply. No extensions of this time period under 37 CFR 1.136(a) will be permitted. Failure to timely file the omission or a fully responsive reply will result in abandonment of the application. If the reply is not a *bona fide* attempt or it is a reply to a final Office action, no additional time period will be given. The time period set forth in the previous Office action will continue to run.

Withdrawal From Accelerated Examination: There is no provision for “withdrawal” from special status under the accelerated examination program. An applicant may abandon the application that has been granted special status under the accelerated examination program in favor of a continuing application, and the continuing application will not be given special status under the accelerated examination program unless the continuing application is filed with a

petition to make special under the accelerated examination program. The filing of an RCE under 37 CFR 1.114, however, will not result in an application being withdrawn from special status under the accelerated examination program.

The Twelve-Month Goal: The objective of the accelerated examination program is to complete the examination of an application within twelve months from the filing date of the application. The twelve-month goal is successfully achieved when one of the following final dispositions occurs: (1) The mailing of a notice of allowance; (2) the mailing of a final Office action; (3) the filing of an RCE; or (4) the abandonment of the application. The final disposition of an application, however, may occur later than the twelve-month timeframe in certain situations (*e.g.*, an IDS citing new prior art after the mailing of a first Office action). See Part VII for more information on other events that may cause examination to extend beyond this twelve-month time frame. In any event, however, this twelve-month timeframe is simply a goal. Any failure to meet the twelve-month goal or other issues relating to this twelve-month goal are neither petitionable nor appealable matters.

Paperwork Reduction Act: This notice involves information collection requirements which are subject to review by the Office of Management and Budget (OMB) under the Paperwork Reduction Act of 1995 (44 U.S.C. 3501 *et seq.*). The collection of information involved in this notice has been reviewed and previously approved by OMB under OMB control number 0651–0031. The Office has submitted a Change Worksheet to OMB for review of form PTO/SB/28 Petition to Make Special Under the Accelerated Examination.

Notwithstanding any other provision of law, no person is required to respond to nor shall a person be subject to a penalty for failure to comply with a collection of information subject to the requirements of the Paperwork Reduction Act unless that collection of information displays a currently valid OMB control number.

Section 708.02 of the *Manual of Patent Examining Procedure* will be revised in due course to reflect this change in practice.

COMMITTEE FOR THE IMPLEMENTATION OF TEXTILE AGREEMENTS

Designation under the Textile and Apparel Commercial Availability Provisions of the United States Caribbean Basin Trade Partnership Act (CBTPA)

June 21, 2006.

AGENCY: The Committee for the Implementation of Textile Agreements (CITA)

ACTION: Designation.

EFFECTIVE DATE: June 26, 2006.

SUMMARY: The Committee for the Implementation of Textile Agreements (CITA) has determined that certain 100 percent cotton, yarn-dyed, 3- or 4-thread twill weave, flannel fabrics, of combed, ring spun single yarns, of the specifications detailed below, classified in subheading 5208.43.0000 of the Harmonized Tariff Schedule of the United States (HTSUS), for use in products in Categories 340, 341, and 350, cannot be supplied by the domestic industry in commercial quantities in a timely manner. The CITA hereby designates products in Categories 340, 341, and 350 that are both cut and sewn or otherwise assembled in one or more eligible CBTPA beneficiary countries from such fabrics, as eligible for quota free and duty free treatment under the textile and apparel commercial availability provisions of the CBTPA and eligible under HTSUS subheading 9820.11.27 to enter free of quota and duties, provided that all other fabrics in the referenced apparel articles are wholly formed in the United States from yarns wholly formed in the United States.

FOR FURTHER INFORMATION CONTACT: Maria K. Dybczak, Office of Textiles and Apparel, U.S. Department of Commerce, (202) 482 3400.

SUPPLEMENTARY INFORMATION:

Authority: Section 213(b)(2)(A)(v)(II) of CBERA, as added by Section 211(a) of the CBTPA; Presidential Proclamation 7351 of October 2, 2000; Section 6 of Executive Order No. 13191 of January 17, 2001.

BACKGROUND:

The commercial availability provision of the CBTPA provides for duty free and quota free treatment for apparel articles that are both cut (or knit to shape) and sewn or otherwise assembled in one or more beneficiary CBTPA country from fabric or yarn that is not formed in the United States if it has been determined that such yarns or fabrics cannot be supplied by the domestic industry in commercial quantities in a timely

manner and certain procedural requirements have been met. In Presidential Proclamation 7351, the President proclaimed that this treatment would apply to apparel articles from fabrics or yarn designated by the appropriate U.S. government authority in the **Federal Register**. In Executive Order 13191, the President authorized CITA to determine whether yarns or fabrics cannot be supplied by the domestic industry in commercial quantities in a timely manner.

On February 7, 2006, the Chairman of CITA received a petition from Sandler, Travis, and Rosenberg, P.A., on behalf of B*W*A, alleging that certain 100 percent cotton, yarn-dyed 3- or 4-thread twill weave, flannel fabrics, of combed, ring spun single yarns, of the specifications detailed below, classified in HTSUS subheading 5208.43.0000, for use in woven cotton shirts, blouses, and dressing gowns, cannot be supplied by the domestic industry in commercial quantities in a timely manner. It requested quota and duty free treatment under the CBTPA for woven cotton shirts, blouses, and dressing gowns that are both cut and sewn or otherwise assembled in one or more CBTPA beneficiary countries from such fabrics. On February 13, 2006, CITA requested public comment on the petition. See **Request for Public Comment on Commercial Availability Petition under the United States - Caribbean Basin Trade Partnership Act (CBTPA)** (71 FR 7542). On March 1, 2006, CITA and the U.S. Trade Representative (USTR) offered to hold consultations with the Committee on Ways and Means of the House of Representatives and the Committee on Finance of the Senate (collectively, the Congressional Committees). On March 22, 2006 the U.S. International Trade Commission provided advice on the petition.

Based on the information and advice received and its understanding of the industry, CITA determined that the fabrics set forth in the petition cannot be supplied by the domestic industry in commercial quantities in a timely manner. On April 7, 2006, CITA and USTR submitted a report to the Congressional Committees that set forth the action proposed, the reasons for such action, and the advice obtained. A period of 60 calendar days since this report was submitted has expired.

CITA hereby designates as eligible for preferential treatment under HTSUS subheading 9820.11.27, products in Categories 340, 341, and 350, that are both cut and sewn or otherwise assembled in one or more eligible CBTPA beneficiary countries, from certain 100 percent cotton, 3- or 4-

thread twill weave, flannel fabrics, of yarn-dyed, combed, and ring spun single yarns, of the specifications detailed below, classified in HTSUS subheading 5208.43.0000 not formed in the United States. The referenced apparel articles are eligible provided that all other fabrics are wholly formed in the United States from yarns wholly formed in the United States, subject to the special rules for findings and trimmings, certain interlinings and de minimis fibers and yarns under section 211(b)(2)(A)(vii) of the CBTPA, and that such articles are imported directly into the customs territory of the United States from an eligible CBTPA beneficiary country.

Specifications:

Fiber Content:	100% Cotton
Weight:	98- 150 g/m2
Thread Count:	39 - 66 warp ends per centimeter; 27 - 39 filling picks per centimeter

An "eligible CBTPA beneficiary country" means a country which the President has designated as a CBTPA beneficiary country under section 213(b)(5)(B) of the CBERA (19 U.S.C. 2703(b)(5)(B)) and which has been the subject of a finding, published in the **Federal Register**, that the country has satisfied the requirements of section 213(b)(4)(A)(ii) of the CBERA (19 U.S.C. 2703(b)(4)(A)(ii)) and resulting in the enumeration of such country in U.S. note 1 to subchapter XX of Chapter 98 of the HTSUS.

Acting Chairman, Committee for the Implementation of Textile Agreements.
