Rexam, Inc.; D/B/A Precise Technology; North Versailles, PA; Notice of Affirmative Determination Regarding Application for Reconsideration

By letter dated May 5, 2006, a petitioner requested administrative reconsideration of the Department of Labor's Notice of Negative Determination Regarding Eligibility to Apply for Worker Adjustment Assistance, applicable to workers of the subject firm. The denial notice was signed on April 6, 2006, and published in the **Federal Register** on April 18, 2006 (71 FR 19900).

The initial investigation resulted in a negative determination based on the finding that imports of injection molded products did not contribute importantly to worker separations at the subject firm and no shift of production to a foreign source occurred.

The Department reviewed the request for reconsideration and has determined that the petitioner has provided additional information. Therefore, the Department will conduct further investigation to determine if the workers meet the eligibility requirements of the Trade Act of 1974.

Conclusion

After careful review of the application, I conclude that the claim is of sufficient weight to justify reconsideration of the Department of Labor's prior decision. The application is, therefore, granted.

Signed at Washington, DC, this 14th of June, 2006.
