

Environmental Mailing List

If you wish to remain on the environmental mailing list, please return the attached Mailing List Retention Form (Appendix 2 of this NOI). If you do not return this form, we will remove your name from our mailing list.

To reduce printing and mailing costs, the draft and final EIS will be issued in both compact disk (CD-ROM) and hard copy formats. The FERC strongly encourages the use of CD-ROM format in its publication of large documents. Thus, all recipients will automatically receive the EIS on CD-ROM. If you wish to receive a paper copy of the draft EIS instead of a CD-ROM, you must indicate that choice on the return mailer.

Additional Information

Additional information about the project is available from the Commission's Office of External Affairs, at 1-866-208-FERC (3372) or on the FERC Internet website (<http://www.ferc.gov>) using the "eLibrary link." Click on the eLibrary link, select "General Search" and enter the project docket number excluding the last three digits (i.e., PF06-25 or PF06-26) in the "Docket Number" field. Be sure you have selected an appropriate date range. For assistance with eLibrary, the eLibrary helpline can be reached at 1-866-208-3676, TTY (202) 502-8659, or by e-mail at FercOnlineSupport@ferc.gov. The eLibrary link on the FERC Internet Web site also provides access to the texts of formal documents issued by the Commission, such as orders, notices, and rule makings.

In addition, the FERC now offers a free service called eSubscription that allows you to keep track of all formal issuances and submittals in specific dockets. This can reduce the amount of time you spend researching proceedings by automatically providing you with notification of these filings, document summaries, and direct links to the documents. To register for this service, go to <http://www.ferc.gov/esubscribenow.htm>.

Public meetings or site visits will be posted on the Commission's calendar located at <http://www.ferc.gov/EventCalendar/EventsList.aspx> along with other related information.

Finally, Jordan Cove and PCGP have established their own Internet websites for this project. The Web sites includes a project overview, status, answers to frequently asked questions, and links to related documents. The Jordan Cove Web site is at <http://www.jordancoveenergy.com>. The PCGP Web site is at <http://www.pacificconnector.com>.

Additional information can be obtained directly from Jordan Cove by calling Bob Braddock at 541-266-7510 (e-mail: bobbraddock@attglobal.net) or from PCGP by calling Jan Camp at 360-666-2106 (e-mail: pacificconnector@williams.com).

[Project No. 2698-033—North Carolina, East Fork Hydroelectric Project]

Duke Power Company LLC; Notice of Revised Restricted Service List for a Programmatic Agreement for Managing Properties Included in or Eligible for Inclusion in the National Register of Historic Places

June 23, 2006.

On May 12, 2006, the Federal Energy Regulatory Commission (Commission) issued notice of a proposed restricted service list for the preparation of a programmatic agreement for managing properties included in, or eligible for inclusion in, the National Register of Historic Places at the East Fork Hydroelectric Project No. 2698. Rule 2010(d)(1) of the Commission's Rules of Practice and Procedure, 18 CFR 2010(d)(1) (2005), provides for the establishment of such a list for a particular phase or issue in a proceeding to eliminate unnecessary expense or improve administrative efficiency. Under Rule 2010(d)(4), persons on the official service list are to be given notice of any proposal to establish a restricted service list and an opportunity to show why they should also be included on the restricted service list or why a restricted service list should not be established.

On May 30, 2006, Jackson County, North Carolina; Macon County, North Carolina; the Town of Franklin, North Carolina; the Friends of Lake Glenville Association, Inc.; and the Dillsboro Inn and TJ Walker (jointly) filed a joint response to the notice, requesting that: (1) They be included in the development of the programmatic agreement; (2) the Commission not establish a restricted service list; and (3) the Commission establish a protocol to protect cultural resource information

during the development of the programmatic agreement.

Under Rule 2010(d)(2), any restricted service list will contain the names of each person on the official service list, or the person's representative, who, in the judgment of the decisional authority establishing the list, is an active participant with respect to the phase or issue in the proceeding for which the list is established. The joint filers have identified an interest in issues relating to the management of historic properties at the East Fork Project. Therefore, they and their representatives will be added to the restrictive service list.

The joint filers assert that they have a direct interest in ensuring that the decision-making process is open for public review. Apart from this, they have not identified a reason why a restrictive service list should not be established. A restricted service list facilitates consultation under section 106 of the National Historic Preservation Act by ensuring that only those parties who are actively participating in this phase of the proceeding are included, thus improving administrative efficiency and eliminating unnecessary expense. However, the establishment of a restricted service list does not restrict public access to information concerning the consultation. All filings and correspondence leading to the development of the programmatic agreement, as well as the agreement itself, will be placed in the docket for this proceeding and, thus, will be publicly available. In addition, Commission regulations provide procedures for protecting sensitive cultural resource information, such as the location of historic properties, and parties to the restricted service list must follow these procedures. Therefore, there is no need to establish protocols for the protection of this information. See 18 CFR 388.112.

Accordingly, the restricted service list issued on May 12, 2006, for the East Fork Project No. 2698 is revised to add the following persons:

Thomas J. Walker, Dillsboro Inn, 146 North River Road, P.O. Box 270, Dillsboro, NC 28725.

Joe Collins, Mayor, Town of Franklin, 188 W Main St, Franklin, NC 28734-2949.

Philip M. Marston, Marston Law, 218 N. Lee Street, Suite 300, Alexandria, VA 22314.

Carol Adams, President, Friends of Lake Glenville, P.O. Box 493, Glenville, NC 28736-0493.

Paul V. Nolan, 5515 17th Street North, Arlington, VA 22205-2722.

Kenneth L. Westmoreland, Manager,
Jackson County Government, 401
Grindstaff Cove Rd, Sylva, NC 28779–
3250.

Sam Greenwood, Manager, Macon
County, County Manager Office, 5
West Main Street, Franklin, NC

Modesto Irrigation District; Turlock Irrigation District; Notice To Hold a Public Meeting To Discuss the 10-Year Fisheries Summary Report for the Don Pedro Project

June 23, 2006.

The Modesto Irrigation District and the Turlock Irrigation District (licensees) filed a Fisheries Summary Report on March 25, 2005, pursuant to Article 58 of the license, as amended¹. The Commission noticed the filing on June 24, 2005, and solicited comments, motions to intervene, and protests. Comments were due by July 25, 2005, and replies to comments were due August 25, 2005. Requests for additional time to comment were filed and were granted by order issued September 20, 2005, with revised filing dates of November 22, 2005, for comments and December 22, 2005, for responses to comments. Comments, responses to comments, and motions to intervene were received.

The Commission staff will conduct a public meeting based on the filings of the licensees' report and comments received to date. The meeting will allow Commission staff to discuss: (1) Information filed with the Commission by the various parties concerning the 10-year summary report on the licensees' chinook salmon studies, monitoring, and non-flow mitigation efforts on the Tuolumne River since 1995; (2) information on Central Valley steelhead to determine what effects, if any, may be occurring; and (3) whether to require further monitoring studies and changes in project structures and operations to protect fishery resources in the Tuolumne River.

The meeting will focus on the above topics to clarify information currently in

the project file. Commission staff will be prepared to lead a discussion using information that has been filed by the various parties. Commission staff asks all parties that participate to be prepared to support their oral statements with documented information.

The meeting will be held on Tuesday, July 25, 2006, from 9 a.m. to 5 p.m. (PST) at the John E. Moss Federal Building and Courthouse, 650 Capitol Mall, Stanford Room, 1st floor, Sacramento, California 95814. The licensees, resource agency personnel, and other persons interested in these issues are invited to participate. The meeting will be recorded by a stenographer and become part of the formal record of the Commission proceeding on the project.

Special security precautions are employed at this Federal building. Visitors must go through full security screening and are not permitted to bring in cell phones or cameras with digital photo capability. Laptops and PDAs must be booted up at the security entrance. Any questions about this notice should be directed to Philip Scordelis at the Federal Energy Regulatory Commission, (415) 369–3335, or by e-mail at philip.scordelis@ferc.gov.

West Texas Gas, Inc.; Notice of Gas Cost Reconciliation Report

June 23, 2006.

Take notice that on June 20, 2006, West Texas Gas, Inc., (WTG) tendered for filing its annual purchased gas cost reconciliation for the period ending April 30, 2006. Under Section 19, any difference between WTG's annual actual purchased gas costs and its spot market-based pricing mechanism is refunded or surcharged to its two jurisdictional customers annually, with interest. WTG states that the report indicates that WTG over-collected its actual costs by \$18,708 during the reporting period.

Any person desiring to intervene or to protest this filing must file in accordance with Rules 211 and 214 of the Commission's Rules of Practice and Procedure (18 CFR 385.211 and

385.214). Protests will be considered by the Commission in determining the appropriate action to be taken, but will not serve to make protestants parties to the proceeding. Any person wishing to become a party must file a notice of intervention or motion to intervene, as appropriate. Such notices, motions, or protests must be filed on or before the date as indicated below. Anyone filing an intervention or protest must serve a copy of that document on the Applicant. Anyone filing an intervention or protest on or before the intervention or protest date need not serve motions to intervene or protests on persons other than the Applicant.

The Commission encourages electronic submission of protests and interventions in lieu of paper using the "eFiling" link at <http://www.ferc.gov>. Persons unable to file electronically should submit an original and 14 copies of the protest or intervention to the Federal Energy Regulatory Commission, 888 First Street, NE., Washington, DC 20426.

This filing is accessible on-line at <http://www.ferc.gov>, using the "eLibrary" link and is available for review in the Commission's Public Reference Room in Washington, DC. There is an "eSubscription" link on the Web site that enables subscribers to receive e-mail notification when a document is added to a subscribed docket(s).
