Estimated Costs to the Federal Government

The maximum cost to the Federal Government is \$750,000 annually for FY 2007, FY 2008, and FY 2009. Most of the work will be carried out through contracts. The costs were estimated to \$200 for each face-to-face interview, \$100 for each telephone interview, \$5,000 for each focus group, \$10,000 for web-based surveys, and \$20,000 for each laboratory testing module. Any deviation from these limits will be noted in reports made to OMB with respect to a particular study or studies conducted under the clearance.

Request for Comments

In accordance with the above-cited legislation, comments on AHRQ's information collection are requested with regard to any of the following: (a) Whether the proposed collection of information is necessary for the proper performance of health care information dissemination functions of AHRQ, including whether the information will have practical utility; (b) the accuracy of AHRQ's estimate of burden (including hours and costs) of the proposed collection(s) of information; (c) ways to

enhance the quality, utility, and clarity of the information to be collected; and (d) ways to minimize the burden of the collection of information upon the respondents, including the use of automated collection techniques or other forms of information technology.

Comments submitted response to this notice will be summarized and included in the request for OMB approval of the proposed information collection. All comments will become a matter of public record.

Dated: June 23, 2006.

Proposed Projects

Title: Evaluation of the Head Start Oral Health Initiative.

OMB No.: New collection.

Description: The purpose of this evaluation is to examine the implementation of the Head Start Oral Health Initiative (OHI). The Office of Head Start has funded 52 programs for OHI to improve the oral-health services to young children, from birth to five, and pregnant women. The funded programs will develop, implement, and disseminate culturally sensitive, innovative, and empirically based best practices for oral health in Head Start. The evaluation will examine information on approaches taken by the 52 individual programs and the implementation of the approaches, including challenges faced, as well as facilitating factors, and create a uniform method for collecting administrative information across all sites.

Respondents: Head Start directors, staff, and teachers who are implementing OHI; community organizations that have partnered with Head Start programs implementing OHI; and parents or guardians of children who attend Head Start programs where OHI is being implemented.

Annual Burden Estimates:

Instrument	Number of respondents	Number of responses per respondent	Average burden hours per response	Total burden hours
Head Start Directors: Telephone Interview	52	1	1.5	78
Head Start Staff: Program Recordkeeping System	52	184	1.08	10,333
Head Start Directors: Site Visit Interview	16	1	1.5	24
Head Start Staff: Site Visit Interview	48	1	1.5	72
Head Start Community Partner: Interview	80	1	1	80
Head Start Parent: Focus Group	160	1	1.5	240
Parents/Guardians: Focus Group	192	1	2	384

Estimated Total Annual Burden Hours: 11,211.

In compliance with the requirements of Section 3506(c)(2)(A) of the Paperwork Reduction Act of 1995, the Administration for Children and

Families is soliciting public comment on the specific aspects of the information collection described above. Copies of the proposed collection of information can be obtained and

comments may be forwarded by writing to the Administration for Children and Families, Office of Administration, Office of Information Services, 370 L'Enfant Promenade, SW., Washington,

DC 20447, Attn: ACF Reports Clearance Officer. E-mail address: infocollection@acf.hhs.gov. All requests should be identified by the title of the information collection.

The Department specifically requests comments on: (a) Whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information shall have practical utility; (b) the accuracy of the agency's estimate of the burden of the proposed collection of information; (c) the quality, utility, and clarity of the information to be collected; and (d) ways to minimize the burden of the collection of information on respondents, including through the use of automated collection techniques or other forms of information technology. Consideration will be given to

comments and suggestions submitted within 60 days of this publication.
