#### **SUPPLEMENTARY INFORMATION:**

##### **I. Abstract**

Office of Management and Budget (OMB) regulations at 5 CFR part 1320, which implement the Paperwork Reduction Act of 1995 (Pub. L. 104-13), require that interested members of the public and affected agencies have an opportunity to comment on information collection and recordkeeping activities (see 5 CFR 1320.8 (d)). This notice identifies an information collection activity that the Office of Budget is planning to submit to OMB for extension or re-approval.

Public Law 97-258 (31 U.S.C. 6901-6907), as amended, the Payment in Lieu of Taxes (PILT) Act, was designed by Congress to help local governments recover some of the expenses they incur in providing services on public lands. These local governments receive funds under various Federal land payment programs such as the National Forest Revenue Act, the Mineral Lands Leasing Act, and the Taylor Grazing Act. PILT payments supplement the payments that local governments receive under these other programs.

The PILT Act requires that the Governor of each State furnish the Department of the Interior with a listing of payments disbursed to local governments by the States on behalf of the Federal Government under 12 statutes described in Section 4 of the Act (31 U.S.C. 6903). The Department of the Interior uses the amounts reported by the States to reduce PILT payments to units of general local governments from that which they might otherwise receive. If such listings were not furnished by the Governor of each affected State, the Department would not be able to compute the PILT payments to units of general local government within the States in question.

The information collection supporting the PILT Act was initially administered by the Bureau of Land Management, within the Department of the Interior, as "Payments in Lieu of Taxes (PILT Act), Statement of Federal Land Payments, (43 CFR 1881)," OMB control #1004-0109. However, in fiscal year 2004, administrative authority for the PILT program was transferred from the Bureau of Land Management to the Office of Budget within the Office of the Secretary of the Department of the Interior. Applicable DOI regulations pertaining to the PILT program to be administered by the Office of the Secretary were published as a final rule in the **Federal Register** on December 7,

2004. Recently, the Office of Budget, within the Office of the Secretary, requested emergency approval of the information collection as "Payments in Lieu of Taxes (PILT Act), Statement of Federal Land Payments, (43 CFR 44)." OMB approved the information collection under control # 1093-0005. The Office of Budget, Office of the Secretary is now planning to extend the information collection approval for the standard three years in order to enable the Department of the Interior to continue to comply with the PILT Act.
