OFFICE OF MANAGEMENT AND BUDGET

Public Availability of Fiscal Year 2005 Agency Inventories Under the Federal Activities Inventory Reform Act

AGENCY: Office of Management and Budget, Executive Office of the President.

ACTION: Notice of public availability of agency inventory of activities that are not inherently governmental and of activities that are inherently governmental.

SUMMARY: The Federal Activities Inventory Reform (FAIR) Act, Public Law 105-270, requires agencies to develop inventories each year of activities performed by their employees that are not inherently governmental—i.e., inventories of commercial activities. The FAIR Act further requires OMB to review the inventories in consultation with the agencies and publish a notice of public availability in the **Federal Register** after the consultation process is completed. In accordance with the FAIR Act, OMB is publishing this notice to announce the availability of inventories from the agencies listed below. These inventories identify both commercial activities and activities that are inherently governmental.

Interested parties who disagree with an agency's initial judgment may challenge the inclusion or the omission of an activity on the list of activities that are not inherently governmental within 30 working days and, if not satisfied with this review, may appeal to a higher level within the agency.

This is the second release of inventories for FY 2005. A notice of the first release of FY 2005 inventories was published in the **Federal Register** on March 14, 2006. See 71 FR 13188-13190. As indicated in OMB's March 2006 notice, the FY 2005 inventory prepared by the Department of Labor (DOL) was released in connection with the first notice of public availability. However, following the initial release of its inventory, DOL made a determination to reclassify certain activities. DOL is making the revisions to its inventory available pursuant to this notice. Since these reclassifications were not made in response to a challenge or appeal, they are considered to be an initial judgment of the agency.
