

with the law and willingness to upgrade her security system are far outweighed by her lack of experience with selling List I chemicals and the fact that she intends to sell ephedrine almost exclusively in the gray market.” 67 FR at 76197. More recently, I denied an application observing that the respondent’s “lack of a criminal record and any intent to comply with the law and regulations are far outweighed by his lack of experience and the company’s intent to sell ephedrine and pseudoephedrine exclusively to the gray market.” Jay Enterprises, 70 FR at 24621. Accord Prachi Enterprises, 69 FR 69407, 69409 (2004).

Here, there are several factors which support the conclusion that granting the application would be inconsistent with the public interest. Respondent’s proposed security measures are plainly inadequate and are thus grounds alone to deny the application. Moreover, Respondent lacks experience in the distribution of List I chemicals and proposes to sell into the non-traditional market. I thus conclude that granting Respondent’s application would be “inconsistent with the public interest.” 21 U.S.C. 823(h).

Order

Accordingly, pursuant to the authority vested in me by 21 U.S.C. 823(h), and 28 CFR 0.100(b) & 0.104, I hereby order that the previously submitted application of David M. Starr, d/b/a Northern Starr products, for a DEA Certificate of Registration as a distributor of List I chemicals be, and it hereby is, denied. This order is effective August 11, 2006.

Dated: July 5, 2006.

Deputy Administrator.
