#### SUPPLEMENTARY INFORMATION:

##### I. Abstract

The purpose of this information collection is to obtain socioeconomic monitoring information in the Florida Keys National Marine Sanctuary (FKNMS). This is an approximately 10-year replication of a study done in 1995-96 entitled "Linking the Economy and Environment of the Florida Keys/Florida Bay" that provided baseline measures for recreation/tourism in the Florida Keys. The study also replicates measures on recreation/tourist uses of the reefs that were estimated for the baseline in 2000-2001 in a study entitled "Socioeconomic Study of Reefs in Southeast Florida".

The study involves surveys on both visitors and residents of the Florida Keys/Monroe County. The visitors are different by season (summer versus winter) so separate estimates are made by season, while for residents annual estimates are made.

Information is collected on socioeconomic profiles, detailed recreation activity profiles, expenditures, non market economic use values, importance/satisfaction ratings on 25 natural resources attributes, facilities and services, and knowledge attitudes and perceptions of Sanctuary management strategies and regulations.

In addition, surveys of several businesses are to be conducted. A survey of for-hire recreational fishing guides is planned to gather information on knowledge, attitudes and perceptions of Sanctuary management strategies and regulations, especially the various zoning strategies. Short post card surveys are planned for Dive Shop Owners/Operators and Cruise Ship Operations to assess whether these businesses market customers based on the protected status of waters surrounding the Florida Keys.

##### II. Method of Collection

Interviews will generally be used. Visitors will be surveyed face-to-face while in the Florida Keys and will also be given mail-back questionnaires. Residents will be surveyed using mail-back questionnaires. For-hire recreational fishing guides will be surveyed at their homes or businesses by an interview team. Dive Shop Owners/Operators and Cruise Ship Operations will be sent post card mail surveys.
