SUPPLEMENTARY INFORMATION:

Background

On February 1, 2006, the Department of Commerce (the Department) published in the **Federal Register** a notice of "Opportunity To Request Administrative Review" of the antidumping duty order on stainless steel butt-weld pipe fittings from Malaysia for the period February 1, 2005, through January 31, 2006. See *Antidumping or Countervailing Duty Order, Finding, or Suspended Investigation; Opportunity To Request Administrative Review*, 71 FR 5239 (February 1, 2006). On February 28, 2006, Sapura-Schulz Hydroforming Sdn. Bhd. (Sapura-Schulz), requested an administrative review of its sales for the above-mentioned period. In addition, on February 28, 2006, the petitioners¹ requested an administrative review of the sales for the above-mentioned period made by Kanzen Tetsu Sdn. Bhd. (Kanzen) and Sapura-Schulz. On April 5, 2006, the Department published a notice of initiation of an administrative review of the antidumping duty order on stainless steel butt-weld pipe fittings from Malaysia with respect to Sapura-Schulz and Kanzen. See *Initiation of Antidumping and Countervailing Duty Administrative Reviews and Deferral of Administrative Reviews*, 71 FR 25145 (April 5, 2006).

Partial Rescission of Review

On June 19, 2006, Sapura-Schulz and the petitioners simultaneously withdrew their requests for an administrative review of the sales made by Sapura-Schulz during the above-referenced period. Section 351.213(d)(1) of the Department's regulations requires that the Secretary rescind an administrative review if a party requesting a review withdraws the request within 90 days of the date of publication of the notice of initiation. In this case, Sapura-Schulz and the petitioners have withdrawn their requests for review within the 90-day period. We have received no other submissions regarding the withdrawals of the requests for review. Therefore, we are rescinding in part this review of the antidumping duty order on stainless

steel butt-weld pipe fittings from Malaysia with respect to Sapura-Schulz. This review will continue with respect to Kanzen.

This notice is published in accordance with section 751 of the Tariff Act of 1930, as amended, and 19 CFR 351.213(d)(4).

SUPPLEMENTARY INFORMATION:

I. Abstract

The purpose of this information collection is to obtain socioeconomic monitoring information in the Florida Keys National Marine Sanctuary (FKNMS). This is an approximately 10-year replication of a study done in 1995-96 entitled "Linking the Economy and Environment of the Florida Keys/Florida Bay" that provided baseline measures for recreation/tourism in the Florida Keys. The study also replicates measures on recreation/tourist uses of the reefs that were estimated for the baseline in 2000-2001 in a study entitled "Socioeconomic Study of Reefs in Southeast Florida".

The study involves surveys on both visitors and residents of the Florida Keys/Monroe County. The visitors are different by season (summer versus winter) so separate estimates are made by season, while for residents annual estimates are made.

Information is collected on socioeconomic profiles, detailed recreation activity profiles, expenditures, non market economic use values, importance/satisfaction ratings on 25 natural resources attributes, facilities and services, and knowledge attitudes and perceptions of Sanctuary management strategies and regulations.

In addition, surveys of several businesses are to be conducted. A survey of for-hire recreational fishing guides is planned to gather information on knowledge, attitudes and perceptions of Sanctuary management strategies and regulations, especially the various zoning strategies. Short post card surveys are planned for Dive Shop Owners/Operators and Cruise Ship Operations to assess whether these businesses market customers based on the protected status of waters surrounding the Florida Keys.

II. Method of Collection

Interviews will generally be used. Visitors will be surveyed face-to-face while in the Florida Keys and will also be given mail-back questionnaires. Residents will be surveyed using mail-back questionnaires. For-hire recreational fishing guides will be surveyed at their homes or businesses by an interview team. Dive Shop Owners/Operators and Cruise Ship Operations will be sent post card mail surveys.
