Title: Monthly Claims for Reimbursement.

OMB Numbers: 0584-0284.

Expiration Date: November 30, 2006.

Type of Request: Revision of a currently approved information collection.

Abstract: The NSLP and SBP, and SMP Claim for Reimbursement, Forms FNS-806-A and FNS-806-B, respectively, are used to collect meal and milk data from school food authorities whose participation in these programs are administered directly by FNS Regional Offices (Regional Office Administered Programs, or ROAP). The FNS Regional Office directly administers the NSLP, SMP, and/or SBP programs in Virginia, Georgia, Colorado

and Missouri. In order to determine the amount of reimbursement for meals and milk served, the school food authorities are required to complete these forms. The completed forms are either sent to the Child Nutrition Payments Center at the FNS Mid-Atlantic Regional Office where they are entered into a computerized payment system or submitted electronically via the Internet directly into the Child Nutrition Payments Center. The payment system computes earned reimbursement.

Earned reimbursement in the NSLP, SBP and SMP is based on performance that is measured as an assigned rate per meal or half pint of milk served. To fulfill the earned reimbursement requirements set forth in NSLP, SBP and SMP regulations issued by the Secretary of Agriculture (7 CFR 210.8 and 220.11; and 215.10), the meal and milk data must be collected on Forms FNS-806-A and FNS-806-B, respectively. These forms are an intrinsic part of the accounting system currently being used by the subject programs to ensure proper reimbursement as well as to facilitate adequate recordkeeping.

Respondents: The respondents are school food authorities and facilities participating in the NSLP, SBP and SMP under the auspices of the FNS ROAP.
