An application has been submitted to the Foreign-Trade Zones (FTZ) Board (the Board) by the Muskogee City-County Port Authority, grantee of FTZ 164, requesting authority to expand its zone in the Muskogee area within and adjacent to the Tulsa Customs port of entry. The application was submitted pursuant to the provisions of the Foreign-Trade Zones Act, as amended (19 U.S.C. 81a-81u), and the regulations of the Board (15 CFR part 400). It was formally filed on July 12, 2006.

FTZ 164 was approved on November 17, 1989 (Board Order 450, 54 FR 49321, November 30, 1989). The general-purpose zone currently consists of one site (14.6 acres) within the Port of Muskogee's public terminal area located at Port & Industrial Park Service Road and the Port Access Road.

The applicant is now requesting authority to expand its existing site and to include two new sites in the area: *Expand Site 1* to include two additional parcels at the Port of Muskogee: *Parcel 2* (6 acres)—Port Site F located at 2631 Port Place Road and *Parcel 3* (28 acres)—Port Site G located at the intersection of North 43rd Street East and Don Cayo Road; *Proposed Site 2* (47 acres)—within the 290-acre Port of Muskogee/John T. Griffin Industrial Park (Lot 2) located on Dal-Tile Road near the intersection of State Highway 165 and U.S. Highway 64; and, *Proposed Site 3* (23 acres, 2 parcels)—Komar Distribution Center facilities in McAlester located at 400 West Chickasaw (Parcel 1, 8 acres) and located at 10 V. Hubert Smith Drive (Parcel 2, 15 acres). The sites are owned by the Muskogee City-County Port Authority (Sites 1 and 2) and Komar Properties of Oklahoma, Inc. (Site 3). The proposed sites will be used for

warehousing and distribution operations. No specific manufacturing authority is being requested at this time. Such requests would be made to the Board on a case-by-case basis.

In accordance with the Board's regulations, a member of the FTZ Staff has been designated examiner to investigate the application and report to the Board.

Public comment is invited from interested parties. Submissions (original and 3 copies) shall be addressed to the Board's Executive Secretary at the address below. The closing period for their receipt is September 18, 2006. Rebuttal comments in response to material submitted during the foregoing period may be submitted during the subsequent 15-day period (to October 2, 2006).

Notice of Correction to the Final Results of the Third Administrative Review of Honey from the People's Republic of China

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

EFFECTIVE DATE: July 19, 2006.

FOR FURTHER INFORMATION CONTACT: Kristina Boughton or Bobby Wong, AD/CVD Operations, Office 9, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, NW, Washington, DC 20230; telephone: (202) 482-8173 or (202) 482-0409, respectively.

SUPPLEMENTARY INFORMATION:

Correction

On June 16, 2006, the Department of Commerce (the Department) published

the final results of the third administrative review of the antidumping duty order on honey from the People's Republic of China (PRC). *Honey from the People's Republic of China: Final Results and Final Rescission of Antidumping Duty Administrative Review*, 71 FR 34893 (June 16, 2006) (*Final Results*). While the Department did not receive any timely allegations of ministerial errors in the *Final Results*,¹ the Department inadvertently stated an incorrect cash deposit rate for the PRC-wide entity in the "Cash Deposits" section of the notice. The "Cash Deposits" section of the notice incorrectly listed the PRC-wide rate at 183.80 percent. *See Final Results*, 71 FR at 34895. As explained in the "Changes Since the Preliminary Results" section of the notice, the Department changed the cash deposit rate for the PRC-wide entity from 183.80 percent to 212.39 percent. The Department also indicated in the "Final Results of the Review" section of the notice that the PRC-wide rate was 212.39 percent. Therefore, the Department is correcting item (3) in the "Cash Deposits" section as follows: (3) for all other PRC exporters of subject merchandise which have not been found to be entitled to a separate rate (including Dubao and Eurasia), the cash-deposit rate will be the PRC-wide rate of 212.39 percent.

This notice is to serve as a correction to the cash deposit rate listed for the PRC-wide entity in the "Cash Deposits" section.

This correction is issued and published in accordance with section 751(h) of the Tariff Act of 1930, as amended.

Dated: July 13, 2006.

David M. Spooner,

Assistant Secretary for Import Administration.
