FOR FURTHER INFORMATION CONTACT: Alex Lopes, Director, Deemed Exports and Electronics Division, Bureau of Industry and Security, Telephone: (202) 482-4875, or e-mail: alopes@bis.doc.gov.

SUPPLEMENTARY INFORMATION: The Bureau of Industry and Security publishes this notice to extend the recruitment period on the Deemed Export Advisory Committee (DEAC) from July 21, 2006 to July 28, 2006. The original solicitation for this Federal Advisory Committee was published in the **Federal Register** on May 22, 2006 (71 FR 29301). The purpose of the DEAC

will be to review and provide recommendations to the Department of Commerce on deemed export policy.

The DEAC, which will not exceed 12 members, will be structured to ensure a balanced membership that will offer a comprehensive point of view on the complex technical and policy questions at issue. The advisory committee will consist of representatives from industry, academia, and other experts in the field to ensure a full discussion of all aspects of deemed exports and knowledge transfer from the corporate, academic, and national security perspectives. Members will be called upon to advise BIS on highly technical issues surrounding technology transfer and to help ensure that BIS effectively carries out its critical national security function. To that end, the DEAC shall have a diverse membership with expertise in national security affairs, scientific research and development (R&D) policy, and the various forms of technology subject to the EAR, such as nuclear, chemical, missile, electronics, computer, telecommunications, and avionic technology.

DEAC members will be appointed by the Secretary of Commerce and serve a term of not more than one year. DEAC members must obtain a secret security clearance prior to appointment. These clearances are necessary so that members may be permitted access to the classified information needed to formulate recommendations to the Department of Commerce. The DEAC will convene as appropriate, but in no case less than quarterly.

Dated: July 18, 2006.

Matthew Borman,

Deputy Assistant Secretary of Commerce for Export Administration.

BILLING CODE 3510-33-P

DEPARTMENT OF COMMERCE**Bureau of Industry and Security****Technical Advisory Committees; Notice of Recruitment of Private-Sector Members**

Summary: Six Technical Advisory committees (TACs) advise the Department of Commerce on the technical parameters for export controls applicable to dual-use commodities and technology and on the administration of those controls. The TACs are composed of representatives from industry and Government representing diverse points of view on the concerns of the exporting community. Industry representatives are selected from firms producing a broad

range of goods, technologies, and software presently controlled for national security, non-proliferation, foreign policy, and short supply reasons or that are proposed for such controls, balanced to the extent possible among large and small firms.

TAC members are appointed by the Secretary of Commerce and serve terms of not more than four consecutive years. The membership reflects the Department's commitment to attaining balance and diversity. TAC members must obtain secret-level clearances prior to appointment. These clearances are necessary so that members may be permitted access to the classified information needed to formulate recommendations to the Department of Commerce. Each TAC meets approximately 4 times per year. Members of the Committees will not be compensated for their services.

The six TACs are responsible for advising the Department of Commerce on the technical parameters for export controls and the administration of those controls within the following areas: Information Systems TAC: Control List Categories 3 (electronics), 4 (computers), and 5 (telecommunications and information security); Materials TAC: Control List Category 1 (materials, chemicals, microorganisms, and toxins); Materials Processing Equipment TAC: Control List Category 2 (materials processing); Regulations (EAR) and procedures for implementing the EAR; Sensors and Instrumentation TAC: Control List Category 6 (sensors and lasers); Transportation and Related Equipment TAC: Control List Categories 7 (navigation and avionics), 8 (marine), and 9 (propulsion systems, space vehicles, and related equipment). To respond to this recruitment notice, please send a copy of your resume to Ms. Yvette Springer at Yspringer@bis.doc.gov.

Deadline: This Notice of Recruitment will be open for one year from its date of publication in the **Federal Register**.

For Further Information Contact: Ms. Yvette Springer on (202) 482-4814.

Dated: July 18, 2006.

Yvette Springer,

Committee Liaison Officer.
