Determinations

On the basis of the record¹ developed in the subject five-year reviews, the United States International Trade Commission (Commission) determines, pursuant to section 751(c) of the Tariff Act of 1930 (19 U.S.C. 1675(c)) (the Act), that revocation of the countervailing duty order on circular welded pipe and tube from Turkey; the antidumping duty orders on circular welded pipe and tube from Brazil, India, Korea, Mexico, Taiwan, Thailand, and Turkey; and the antidumping duty order on light-walled rectangular pipe and tube from Taiwan would be likely to lead to continuation or recurrence of material injury to an industry in the United States within a reasonably foreseeable time. JUSTICE/USA-015

SYSTEM NAME:

Debt Collection Enforcement System, JUSTICE/USA-015.

SECURITY CLASSIFICATION:

Sensitive but unclassified.

SYSTEM LOCATION:

The Executive Office for United States Attorneys ("EOUSA") in Washington, DC, the Network Operations Center ("NOC") in Columbia, SC, and individual United States Attorneys' Offices ("USAOs") and their agents in each of the 94 Federal judicial districts nationwide, depending upon where debt collection proceedings are pending. (Individual office addresses can be located on the Internet at <http://www.usdoj.gov/usao>.)

CATEGORIES OF INDIVIDUALS COVERED BY THE SYSTEM:

Individuals indebted to the United States who have either: (1) Allowed their debts to become delinquent and whose delinquent debts have been assigned to a USAO, or to private counsel retained by DOJ pursuant to contract ("contract private counsel"), for settlement or enforced collection through litigation; and/or (2) incurred debts assessed by a Federal court, e.g., fines or penalties in connection with civil or criminal proceedings.

CATEGORIES OF RECORDS IN THE SYSTEM:

This system of records contains records relating to the negotiation, compromise, settlement, and litigation of debts owed the United States. Records consist of debt collection case files, as well as automated and/or hard-copy supporting data, as summarized below.

Case files include: evidence of indebtedness, judgment, or discharge; court filings such as legal briefs, pleadings, judgments, orders, and settlement agreements; litigation reports and related attorney work product; and agency status reports, memoranda, correspondence, and other documentation developed during the negotiation, compromise, settlement and/or litigation of debt collection activities.

Automated and/or hard-copy supporting data include information extracted from the case file and information generated or developed in support of Federal debt collection activities. Such information may include: Personal data (e.g., name, social security number, date of birth, taxpayer identification number, locator information, etc.); claim details (e.g., value and type of claim, such as benefit overpayment, loan default, bankruptcy, etc.); demand information, settlement negotiations, and compromise offered; account information (e.g., debtor's payments, including principal, penalties, interests, and balances, etc.); information regarding debtor's employment, ability to pay, property liens, etc.; data regarding debtor's loans or benefits from client agencies or other entities; information on the status and disposition of cases at various times; and any other information related to the negotiation, compromise, settlement, or litigation of debts owed the United States, or to the administrative management of debt collection efforts.

AUTHORITY FOR MAINTENANCE OF THE SYSTEM:

This system is established and maintained pursuant to the Debt Collection Act of 1982, Public Law 97-

365, 96 Stat. 1749 (1982), as amended by the Debt Collection Improvement Act of 1996, Public Law 104-134, 110 Stat. 132 (1996) (codified at 31 U.S.C. 3701, *et seq.*); the Federal Debt Collection Procedure Act of 1990, Public Law 101-647, 104 Stat. 4933 (1990) (codified at 28 U.S.C. 3001, *et seq.*); the Cash Management Improvement Act of 1992, as amended by Public Law 102-589, 106 Stat. 5135 (1994); and related authority.

PURPOSES:

This system of records is maintained by EOUSA to cover records used by the USAOs, and/or contract private counsel, to perform legal services associated with the collection of debts due the United States—including related negotiation, settlement, litigation, and enforcement efforts—in accordance with the Debt Collection Act and related authority. More specifically, 31 U.S.C. 3711 authorizes the Attorney General to conduct litigation to collect delinquent debts due the United States. In addition, 31 U.S.C. 3718(b) authorizes the Attorney General to contract with private counsel to assist DOJ in collecting debts due the United States. The Attorney General is further authorized by 28 U.S.C. 3101 and 3201, *et seq.* (Chapter 176, "Federal Debt Collection Procedure") to obtain both pre-judgment and post-judgment remedies against delinquent debtors. Moreover, under 28 U.S.C. 3201(a) and (e), a judgment against such a debtor creates a lien on all real property of the debtor, and renders that debtor ineligible for any grant or loan insured, financed, guaranteed, or made by the Federal Government.

Note: A separate but ancillary system of records—entitled "Debt Collection Management System, Justice/JMD-006"—is maintained by the Justice Management Division ("JMD"). System JMD-006 furnishes automated litigation and/or administrative support to USAOs and to contract private counsel to assist in Federal debt collection activities. In addition, the JMD-006 system maintains an inventory of debtor files in all 94 judicial districts, consisting of all debtors referred to DOJ for settlement and/or enforced collection through litigation. The inventory enables DOJ to provide statistical data to Congress and OMB on debt collection in accordance with 31 U.S.C. 3718(c).

Collins and Aikman Products Company; Farmville, NC; Notice of Affirmative Determination Regarding Application for Reconsideration

By application June 12, 2006, a company official requested administrative reconsideration of the Department of Labor's Notice of Negative Determination Regarding Eligibility to Apply for Worker Adjustment Assistance and Alternative Trade Adjustment Assistance, applicable to workers of the subject firm. The Department's negative determination was issued on May 11, 2006. On June 9, 2006, the Department's Notice of determination was published in the **Federal Register** (71 FR 33488).

In the request for reconsideration, the company official alleges that the Department investigated only one of the two articles produced at the subject facility (automotive interior fabrics and specialty products).

The Department has carefully reviewed the request for reconsideration and has determined that the Department will conduct further investigation based on new information provided by the company official.

Conclusion

After careful review of the application, I conclude that the claim is of sufficient weight to justify reconsideration of the Department of Labor's prior decision. The application is, therefore, granted.
