SUMMARY: The Peace Corps has submitted to the Office of Management and Budget, a request for approval of Reinstatement of OMB Control Number 0420-0531, the Career Information Consultants Waiver Form (PC-DP-969.1.2). The purpose of this information collection is to gather and update contact information for individuals who volunteer to share information about their career field, their past or current employer(s), and their career and educational paths with current and returned Peace Corps Volunteers. The purpose of this notice is to allow for public comment on whether the proposed collection of information is necessary for the proper performance of the functions of the Peace Corps, including whether the information will have practical use; the accuracy of the agency's estimate of the burden of the proposed information collection, including the validity of the methodology and assumptions used; ways to enhance the quality, utility and the clarity of the information to be collected; and, ways to minimize the burden of the collection of information on those who are to respond, including through the use of automated collection techniques, when appropriate, and other forms of information technology. This is a Request for Reinstatement of expired OMB Control Number 0420-0531. Five (5) comments were received in response to the Peace Corps' Federal Register Notice that was published January 12, 2006, Volume 71, No. 8, 60 days. These comments were evaluated.

Comments regarding the number of available options for career field(s) suggested that the original number of options was too high and made the form difficult to read. The form was revised to include a fewer number of options and the font size was increased. Comments regarding the number of entries from a single respondent suggested that respondents were listed too many times. The form was revised to limit the number of entries allowed from each respondent. Comments regarding the title of career field options suggested that there was repetition in the titles and that some titles were confusing. The form was revised to include standard occupational titles. Comments regarding the number of pages in the print publication suggested that the book was too large and difficult to manage. The directory will now only be available in electronic form.

A copy of the information collection may be obtained from Ms. Tamara Webb, Peace Corps, Office of Domestic Programs, Returned Volunteer Services, 1111 20th Street, NW., Room 2132, Washington, DC 20526. Ms. Webb can
