

1. NYSE Arca Equities has appropriate rules to facilitate transactions in this type of security in all trading sessions.

2. NYSE Arca Equities surveillance procedures are adequate to properly monitor the trading of the Securities on the Exchange.

3. NYSE Arca Equities will distribute an Information Bulletin to its members prior to the commencement of trading of the Securities on the Exchange that explains the terms, characteristics, and risks of trading such securities.

4. NYSE Arca Equities will require a member with a customer who purchases newly issued Securities on the Exchange to provide that customer with a product prospectus and will note this prospectus delivery requirement in the Information Bulletin.

5. The Exchange will cease trading in the Securities if: (1) The primary market stops trading the securities because of a regulatory halt similar to a halt based on NYSE Arca Equities Rule 7.12 and/or a halt because an updated dissemination of the IIV or Index value at least every 15 seconds has ceased; or (2) if such other event occurs or condition exists which, in the opinion of the Exchange, makes further dealings on the Exchange inadvisable; or (3) the primary market delists the Securities.

This approval order is conditioned on NYSE Arca Equities' adherence to these representations.

The Commission finds good cause for approving this proposed rule change, as amended, before the thirtieth day after the publication of notice thereof in the **Federal Register**. As noted previously, the Commission previously found that the listing and trading of these Securities on the NYSE is consistent with the Act.³⁵ The Commission presently is not aware of any issue that would cause it to revisit that earlier finding or preclude the trading of these funds on the Exchange pursuant to UTP. Therefore, accelerating approval of this proposed rule change should benefit investors by creating, without undue delay, additional competition in the market for these Securities.

V. Conclusion

It is therefore ordered, pursuant to Section 19(b)(2) of the Act,³⁶ that the proposed rule change (NYSEArca-2006-17), as amended, is hereby approved on an accelerated basis.

For the Commission, by the Division of Market Regulation, pursuant to delegated authority.³⁷

Jill M. Peterson,

Assistant Secretary.
